\$11,321,010 Tentative GC School Budget

Record \$1,285,210 Rise In Non-Construction; Rate May Reach \$3

Completion of current construction work was nearly offset by instruction cost increases Monday night as the Granite City school board set the 1968-69 budget at \$11,321,010, down \$14,921 from 1967-68.

Final budget action will follow a public hearing at 7:30 p.m. Aug. 28. The 67-page appropriation document will be displayed beginning tomorrow at the board office, 2014 State street.

With the 1968-69 building program nearing an end, site and construction expenditures are projected at \$76,000, compared to \$1,502,131 during the past year.

The remaining bond issue work consists of a four-class-room addition to two-year-old Parkway grade school and equipment and landscaping for Grigsby junior high school, which will be opened Aug. 27.

\$11,321,010 Basic Budget
Non-construction budgeting for the new year totals \$11,321,010, up \$1,285,210. Both figures are records. The hike a year ago in non-construction appropriations was \$1,075,113.

A breakdown of new and previous departmental appropriations, in that order, shows: education, \$9,229,708; (\$8,288,680); building fund, \$753,301; (\$671,200); bonds and interest, \$553,420; (\$533,420); transportation, \$225,105; (\$205,827); municipal retirement fund, \$161,138; (\$140,000); working cash fund, \$102,000; (none); and joint agreement (special education administrative district) fund, \$38,340; (none).

Supt. Bob J. Davis told the board, "As does everything else in our society, the cost of educating the children of this district continues to rise."

Impact of New Junior High
"The budget increase is caused by many factors—increased enrollment, increased staff, increased salaries, the opening of Grigsby school and higher cost of supplies."

This year with the opening of Grigsby and the additional

Lt. Terry Davis Killed in Action; 21st Area Victim

First Lt. Terry L. Davis, 21, son of Mr. and Mrs. Carl Davis, 551 Chouteau avenue, Mitchell, has been killed in action in Vietnam, his parents were informed this week.

He first was listed as missing in action on July 15, but military authorities informed his wife, Mrs. Maria Davis, that his body had been found. She resides with their son, Randall, 1½ years old, in Cincinnati, O.

Details of the action were unavailable here, but he was believed to be fighting north of Saigon. He served as a platoon leader with B Co., 2nd Bn., 60th Infantry, 9th Infantry Division.

He was the 21st area serviceman to die as a result of the war in Vietnam and was the

LT. TERRY DAVIS Killed in Action

18th local serviceman to be killed in Vietnam. He is to be returned here next week for funeral services.

Arrived June 23
Lt. Davis arrived in Vietnam on June 23 and first was assigned at Bien Hoa before moving closer to the Saigon area.

He enlisted in the Army in March 1966 and was commissioned in July of last year after completing Officers Candidate School at Ft. Benning, Ga. He then was assigned to the maintenance school at Ft. Knox, Ky. He was promoted to the rank of first lieutenant on July 3.

Born in Granite City, Lt. Davis resided here most of his life and attended local schools, graduating from Granite City high school in 1964. He was employed at the Olin Matheson plant in East Alton before enlisting.

In addition to his parents, wife and son, he is survived by two sisters, Sheila and Cheryl Davis, a brother, Bruce Davis, and grandparents, Mrs. Golda Davis of Potomac, Mo., Charles Davis of Cumberland City, Tenn., and Mr. and Mrs. Frank Bissell of High Ridge, Mo.

3 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY

GRANITE CITY, Ill. (AP)—Three days without a quad-city traffic fatality ended Thursday with the death of a 21-year-old man.

The victim, Lt. Terry L. Davis, 21, son of Mr. and Mrs. Carl Davis, 551 Chouteau avenue, Mitchell, was killed in action in Vietnam.

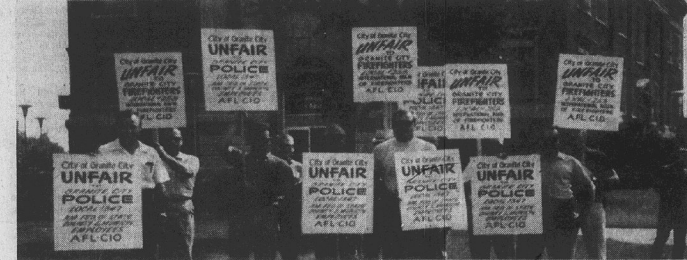

He was the 21st area serviceman to die as a result of the war in Vietnam and was the

POLICE, FIREMEN PICKET the Granite City hall in support of demands for \$150 monthly pay increases which the city council refused to grant Monday night. Identifiable, left to right, are—Assistant Police Chief George Teller, fireman LeRoy

Venice Broadway Underpass Bids Opened—Under Study

Four bids for construction of the Broadway underpass at Venice—lowest of which was \$200,000 over state engineers' estimates—were received by the Illinois State Highway Department at Springfield Tuesday.

Other bids were: Fruin-Colson Contracting Co. of St. Louis, \$1,272,498; H. H. Hall Construction Co. of East St. Louis, \$1,321,165; Sangamo Construction Co. of Springfield, Ill., \$1,498,806.

City Contract Necessary
Highway engineers said the bid prices cover only the construction of the underpass structure, stormwater drainage outlets and the pumping station necessary to drainage operations. Paving of relocated Broadway and approaches to the underpass connection with Federal Aid Route 151 when it eventually is built from Granite City to Venice will be done under a separate contract to be obtained by the city of Venice.

Two bidders held up and robbed the White Way tavern, 1900 Sixth street, shortly before 1 a.m. yesterday, tied up the owner and a patron and escaped with an undetermined amount of cash.

Kozielek, 1902 Sixth street, owner of the tavern reported the two men, whom he said were of Mexican descent, entered the tavern about 12:30 p.m. and ordered beer. While they were drinking one of the men produced a .32 caliber revolver.

The men took Kozielek and a patron, Chester Lapinski, to a rear room where they tied them and took their billfolds. The bandits then took the money from the cash register and fled. Kozielek said he did not hear an automobile when the men arrived or as they left.

Kozielek worked himself free a few minutes later and notified Madison police who called the sheriff's office at Edwarsville. The tavern is located just outside the Madison city limits.

\$800 Saxophone Stolen
Bob Naler, 2923 Buxton avenue, reported at 6:05 a.m. today that his tenor saxophone valued at \$800 to \$900 is missing from his home. There was no sign of forced entry.

An assortment of tools valued at \$100 was stolen from a truck parked behind State R.

(Continued on page 24, col. 6)

New Public Dump For Granite City

The Milam Corp., contractor for the Granite City trash and garbage collection, advised the city council Monday night there will be a new location for Granite City dump.

The plan is to build a new dump on the site of the old dump, which was located on the corner of Route 203 and Madison.

The old city dump on Route 203 south of Madison was closed earlier this month and the Milam Corp. leased landfill on the opposite side of Route 203.

The plan is to build a new dump on the site of the old dump, which was located on the corner of Route 203 and Madison.

\$50,000 Airport Study Approved By Legislature

The House and Senate in Springfield last night passed a \$50,000 appropriation for an engineering and feasibility study on creating a second major St. Louis area airport in the Madison-St. Clair-Monroe counties area.

A 5-1 favorable Senate vote followed overwhelmingly House approval.

House action was by a voice vote. Proponents of the bill indicated matching federal funds will be sought to enable the study to be carried out as originally proposed.

The plan is intended to pave the way for an airport that would ease the growing congestion at Lambert airport and encourage development of the 9000-acre industrial park in Madison county. Approval of the appropriation by Gov. Shapiro is considered likely.

It was part of House Bill 2591, which was amended Tuesday after the Senate early that morning had killed a Senate bill appropriating \$100,000 for the airport study.

GC Police and Firemen Picket For More Pay

2 City Officials Are New Fathers

Two Granite City officials headquartered at the city hall are passing out cigars today as both became fathers this week at St. Elizabeth Hospital.

They are Mayor Donald Partney and chief of Police Ronald Veizer. Both mothers are occupying the same hospital room, No. 325.

The newest arrival was Chris Alan Veizer, whose home is 2737 Willow avenue. He was born at 3:38 a.m. Wednesday, weighing nine pounds, one ounce. He is the first child of Mrs. Partney.

The mother, Miss Ruth Ann Druke, who was employed as a registered nurse at the hospital, and the father, who has three grown sons.

The mayor also became a grandfather when a son was born to Mr. and Mrs. David Partney, 2741 Grand avenue, at 6:30 p.m. Wednesday at the local hospital.

The father, who is a police officer, and the mother, who is a nurse, both are employed at the city hall.

(Continued on page 5, col. 7)

Attempt Being Made For Meeting of Union And City Officials

(Comparison Chart, Page 5)

Off-duty police and firemen began picketing the city hall in Granite City Monday night before the end of the council session.

The threat of picketing was made during the council meeting, when Harold Benedict, state staff representative of the police union, said informational picket lines would be established around the city hall if the council rejected its budget with a \$90,000 limit for increases for all city employees.

The council proceeded to adopt the budget ordinance, and before the session adjourned, all but a few of the large departmental budgets were left the council room to begin picketing.

Police, Firemen Demands
Police department demands are for a two-year agreement with an increase of \$10 a month for the first year and \$20 for the second year. The firemen seek a three-year agreement with a \$30 per month increase each year.

The council's negotiating committee of Aldermen Boyd, Moellen and Robertson, who met about three hours with representatives of the unions prior to the 8 o'clock council meeting, but reported to the council members there was a deadlock with no agreement reached and called upon the council to take over.

Offered by the committee was a three-year agreement that was \$30 short of the demands, with total increase of \$120 per month, including \$20 retroactive to May 1, an additional \$30 on Nov. 1, an added \$20 on May 1, 1969, a \$30 monthly increase on Nov. 1, 1969, and an added \$20 starting May 1, 1970.

The present basic monthly pay for a patrolman and fireman is \$587 a month. The council committee figures that with longevity pay ranging from 3 to 7½, in 1966, the average is \$620.

Cost of City Offer
Boyd reported to the council that the offer with its added benefits would cost the city an additional \$74,088 this fiscal year, with the same agreement applying as a blanket pay increase for all full-time city workers. The cost the second year, he said, would amount to \$148,176. In the third year, the added cost would reach \$246,960.

With the council's acceptance of the committee's report, and the start of the picketing, no further meetings have been held. Mayor Partney said yesterday he was attempting to arrange another session as quickly as possible with the council.

(Continued on page 5, col. 1)

Tax Collection In Venice to End Wednesday

Local collection of taxes from Venice township property owners will end next Wednesday at the close of the day's business at 3 p.m. Frank Reidelberger, township collector, announced today.

Reidelberger said collections by his office as of yesterday amounted to \$812,963, including both real estate and personal property tax payments.

The Venice collection amounts to 22.5% of the total of \$2,727,328 billed for payment locally this year. The Venice collection is being made in the old bank building at Fourth street and Madison avenue in Madison.

Meanwhile payments by Granite City taxpayers to the city treasurer's office amounted yesterday to \$1,423,054, or about 19% of the total tax bill, according to City Treasurer E. R. "Pat" Rich.

Urges Local Payments
Rich urged Granite City taxpayers to make their payments (Continued on page 5, col. 7)

Donald Brown, 14, Killed in Farm Tractor Accident

Donald Lee Brown Jr., a 14-year-old student at Coolidge junior high school, died about 6 p.m. Tuesday as a result of an accident on the farm of his uncle and aunt, Mr. and Mrs. Don Roland, at Hannibal, Mo.

The youth, a son of Mr. and Mrs. Donald (Myrtle) Brown

of Granite City, was riding on a tractor which was pulling a brushhog, a piece of equipment designed to clear fields of brush, when he apparently lost his balance and fell into the machinery, causing his death.

Born in Granite City, he was a member of the Ponton Beach Baptist Church.

Survivors include his parents; two brothers, Robert, 10, and Michael, seven; one sister, Claudia, 13; his paternal grandparents, Mr. and Mrs. Estlin Brown, and maternal grandparents, Mr. and Mrs. Floyd Huber, both of whom reside locally.

Funeral arrangements are given in today's obituary column.

Excessive Noise Charge
James G. Vogt, Collinsville, was charged with making excessive noise with his auto (squealing tires) at 10 a.m. Tuesday at 23rd and Benton streets.

Granite City PRESS-RECORD
Page 2 Thurs., July 25, 1968

Madison to Extend Stormwater Sewer For New Industry

Madison will extend its stormwater sewer system to accommodate new firms in industrial park and residents of East Madison, it was decided at a meeting of the city council Tuesday night.

The council authorized the engineering firm of Sheppard, Morgan & Schwab to prepare plans and specifications for about 3500 feet of tile and to advertise for construction bids. The bids are to be opened at the next council meeting on Aug. 6.

A 36-inch line on Skenen street, current terminal point, will extend under McCambridge avenue and along Skenen to McNair street, north on McNair to the middle of the block, and between Harris and Beckwith streets. There will be a 21-inch line along an alley, and an 18-inch line to McCambridge avenue and halfway up to Edwardsville road. Two 18-inch branch lines will extend on Beckwith to Farish street and on Harris to Farish street.

Estimate Withheld

The engineer's estimate of the cost was withheld pending opening of bids.

The major part of the city's stormwater sewer project was conducted five years ago at a cost of more than \$2 million, financed by the city, federal government and East Side Levee & Sanitary District.

Mayor Stephen Maerz commented that the extension "will help the people throughout the area and is set up to take care of an area which the city may annex."

The mayor reported that Illinois Power Co. is considering placing new gas lines adjacent to the new Caine drive, and the East St. Louis & Interurban Water Co. is providing water lines to be utilized by Caine Steel Co.

Dow Access Road

The Illinois Commerce Commission reported in a letter that it has instructed its engineering department to investigate request by the Dow Chemical Co. for a new access road to its Madison plant from State street between 10th and 12th streets. It will be conducted at the expense of the company.

As the project will involve crossing of tracks used by several railroads, the mayor said a final determination can be expected to take time.

Mayor Maerz reported on the launching of the destroyer escort U.S.S. Connelley, named after the late submarine Cmdr. David R. Connelley of Madison, last Saturday at New Orleans.

"It was quite an honor to the Connelley family and to this whole area," he said, "though there was sadness over the loss of Cmdr. Connelley." The Navy officer was skipper of the submarine Trigger lost near Japan in April 1945.

The mayor said the ship will be commissioned by the Navy in about a year after it is fully equipped, and other ceremonies will be held. He suggested that a resolution and a plaque be presented to the commander's mother, and that the event be recorded in the records of the General Assembly in Springfield.

Other Business

In other business, the council heard that a meeting with the state highway district engineer on a request for traffic signals at Edwardsville road and McCambridge avenue is yet to be scheduled.

Approved a request from Sheppard, Morgan & Schwab for payment of \$206 in motor fuel tax funds for engineering costs and inspections in the 1968 contract for maintenance of sidewalks, curbs and gutters and referred it to the state highway division.

Employed the Marshall & Stevens Co. to reappraise city property for insurance purposes at a cost of \$50.

Confirmed appointment of Joseph Kula as assistant building inspector from Aug. 1 to April 30, 1969.

Received a letter of appreciation from Col. Charles E. Hoskin III, commander of the Granite City Army Depot, for "highly efficient" cooperation between the Madison police department and the Depot's provost marshal.

Approved alley lights behind McCambridge avenue between Kennedy drive and Elizabeth street, behind Iowa street and Washington avenue, between 13th and 14th streets, and near the rear of 2043 Beckwith street.

Approved \$200 surety bonds with Maryland Casualty Co. for Gilbert Hoekstra, police commissioner, and members of the police department.

Saturday Window Service At Post Offices to End

Saturday window service at Quad-City post offices will end this week under a postal service curtailment order that may be eased within the next week by Congressional action, according to Granite City Postmaster W. T. Overbeck.

Also effective Saturday will be readjustment of mail collections from street deposit boxes to conform with the Sunday schedule of less frequent collections.

Overbeck announced that all planned extensions of city and rural mail delivery have been curtailed and that at this time there are no plans to provide mail delivery service to new housing subdivisions and apartment projects.

He said that the Post Office Box section call window will be open for two hours on Saturdays from 7:30 a.m. to 9:30 a.m. to deliver mail to PO box patrons and to firms that normally call for their mail at the post office. Residential customers who have been notified that parcels are being held for them at the post office may call for them at that time.

Exemption Bill Approved

Possibility that the service cutbacks with still others scheduled later, might be rescinded by the Post Office Department at Washington developed yesterday with announcement that the Senate Post Office and Civil Service committee that it had voted unanimously to exempt 755,000 postal workers from a government job cutback.

Orders for a cutback in postal service resulted from congressional orders for sweeping personnel reductions growing out of approval by Congress of President Johnson's bill for higher income taxes.

Reduction in Saturday service will become effective under these orders, although Postmaster General W. Marvin Watson announced at Washington yesterday that the Senate committee's action had eased the original cutback order, Overbeck said, a serious employment cut would be necessary in the Granite City postal department.

The exact total of the overall employment cut that would apply locally is not yet known and it will be affected to some extent by the rapidity of job turnover in the local staff in the next few months. Post offices have been ordered to fill only three out of every four vacancies that occur.

Saturday window services will be eliminated at the Granite City post office and the substations at Mitchell and Nantuxen and at the Madison and Venice post offices.

Hillsboro Horse Show, Festival Starts Today

The Hillsboro, Mo., Community Civic Club will hold its 23rd annual Hillsboro Horse Show and Festival at 6 p.m. today, it will continue through Sunday evening.

About 500 horses are entered to compete in a record-breaking year, including several western classes. Shows will be at 7 p.m. today, Friday and Saturday and 6:30 p.m. Sunday.

Special features are planned for the festival, including Children's Day Friday afternoon, appearance of members of the St. Louis Clowns Association, the St. Louis Sky Divers Club on Saturday and Sunday afternoons, a country music show Sunday and a dance Saturday night.

40 Area Students Make U. I. Dean's List for Spring

Forty area students made dean's lists for the spring semester at the University of Illinois, it was announced today by Richard R. Marsh, director of the University Honors Programs. The students and their colleges are:

Susan Lisbeth Awalt, 5104 Rapp road, engineering; Barbara Kay Ballew, 1146 Rhodes street, education; Theodore E. Barylske, 3001 Pershing blvd., liberal arts and sciences; Kathleen Anne Brave, Rural Route One, agriculture; James J. Crnkovich, 2724 Washington avenue, liberal arts and sciences.

Alice Jean Cross, 2462 A Cleveland blvd., liberal arts and sciences; Robert Cornel Eckert, 2335 Hobart avenue, agriculture; Barbara Jean Field, 2942 Madison avenue, liberal arts and sciences; Michael Jean Flach, 3144 Davis avenue, engineering; Michael C. Forcade, 2333 Waterman avenue, liberal arts and sciences.

Keith Alan Gauen, 3129 Jill avenue, engineering; Ralph Ervin Gauen, 3129 Jill avenue, liberal arts and sciences; Leroy Edwin Gilbert, 2181 Harrison avenue, engineering; John Edmond Hawkins, 3171 Fehling road, engineering; Dean Paul Jones, 2344 Carver avenue, liberal arts and sciences.

Judith Kerch, 2100 State street, physical education; Diane Sue Kinney, 2630 Erie street, agriculture; John Wesley Kozysak, 3141 Fehling road, commerce and business administration; James Elvin LeGrand, 1616 Wilson avenue, liberal arts and sciences; Barbara Clare Louis, 2355 Pontoon road, fine and applied arts; Virgil Lee Malmberg, 2519 Grand avenue, engineering; Judy Carol Matras, 2019 Richmond avenue, liberal arts and sciences.

Thomas W. McIlvoy, 62 Riviera drive, commerce and business administration; Linda Diane Ouchowski, 3327 Johnson road, liberal arts and sciences; Michael Thomas Rickert, 2437 East 24th street, commerce and business administration; Gerald Robert Walters, 2568 State street, liberal arts and sciences.

Eileen Anne Watt, 5 Riviera drive, journalism; William Craig Winter, 19 Miami court, commerce and business administration; Warren Francis Bringer, 2816 Jerden avenue, engineering; Janice Placinski, 709 Washington avenue, Madison, liberal arts and sciences.

Patricia M. Skubish, 1018 Grand avenue, Madison, physical education; Karen Hene Tegal, 1400a Madison avenue, Madison, liberal arts and sciences; Richard A. Patterson, 1018 Second street, Venice, education; Sai Hyui Lee, Urbana, liberal arts and sciences; John David Ruenmiller and Mary A. Ruenmiller, Champaign, liberal arts and sciences; and Roger Paul Voegel, Champaign, engineering.

Four Granite Cityans Are Army Enlistees

Sfc Harold C. Pratte, local Army Recruiter, announced today that four youths from Granite City have enlisted in the U. S. Army, and are now undergoing basic training at Fort Leonard Wood, Mo.

James Joseph Crnkovich, 21, son of Mr. and Mrs. Joseph J. Crnkovich, 2724 Washington avenue, a graduate of the local high school in 1964 and from University of Illinois last month has selected Officers Candidate School as his guaranteed enlistment option.

Robert Gene Cain, 18, son of Mr. and Mrs. Robert A. Cain, 2553 Hemlock street, is a graduate of Granite City high school and has selected Aircraft Electrician as his enlistment option.

William Glen Wisdom, 17, a 1963 graduate of Poplar Bluff, Mo., high school will attend further training in supply-stock control and accounting, as his guaranteed enlistment option. He is the son of Sfc and Mrs. William Everett Wisdom, GCAD, Trailer Site "B" and his father is presently stationed at the Granite City Army Depot.

Danny Joe Malloy, 17, son of Mr. and Mrs. Jewell Malloy, 2433 State street, attended the local high school and has selected the regular army for his enlistment option.

1st Church of Christ, Scientist, Services

"Ye shall know the truth, and the truth shall make you free" will be part of the lesson-sermon titled, "Truth" to be read in all Christian Science Churches Sunday.

Services at First Church of Christ, Scientist, 2601 Delmar avenue, begin at 10:45 a.m.

Cadet Kent Friedman prepares to fire the .45 caliber pistol as part of Army small arms training at the ROTC summer camp at Ft. Riley, Kans.

Scroggins Is Speaker For GC Rotary Club

Christ Pashoff, program chairman for the Granite City Rotary Club luncheon meeting Tuesday at the YMCA, introduced Leon Scroggins, state's attorney, who spoke on "Present Day Law and Order."

Scroggins reviewed the laws concerning delinquency and stated in his opinion the judges handling these particular cases involving minors are far too lenient. He said those who break the law should have to serve a term in jail as punishment and recommended a stricter crackdown on law breakers.

Warren Decatur, president, presided over the business meeting, and announced a club assembly to be held next Tuesday. This is planned to discuss the program of action of this new Rotary year. Every committee chairman is to report on his committee plans.

Carl Mathias first vice-president and chairman for the proposed Home Show to be held in September, announced appointments to various committees. Dean Maberry and Eugene Coe will serve on the physical facilities; William Thoele, booth sales; Marvin Van Metre, ticket sales; A. C. Stover, electrical; David Fox, security; Harold Bauman, finance; Arthur Koepfer, advertising; and Herbert Schermer, prizes.

Ray Ruffer, secretary, announced about 40 persons attended the baseball game in St. Louis on Monday evening, as one of their summer social evenings.

Coe and John Polson were welcomed by the members as both have been hospitalized recently. Coe was in St. Elizabeth Hospital for tests and Polson was a patient at a Bellevue hospital being treated for golf ball mishap eye injury.

Mathenia Boy Transferred

Bill Mathenia, 16, a son of Mr. and Mrs. George Mathenia, 2500 Pontoon road, who suffered a broken neck while diving at Sandy Beach, is being transferred Friday from Firms in Desloge Hospital, St. Louis, where he has been a patient for the past seven weeks, to Daconess Hospital, also in St. Louis.

Attendance at Boy Scout Summer Camp Nearing 700

Now in the fifth week of its seven-week summer program, Camp Sunnen has attracted nearly 700 campers from the Cahokia Mound Boy Scout Council, President Carl E. Mathias announced today.

Those currently at the Poals, Mo., campsite total 126, among them 12 adults and 114 scouts, not counting the season-long camp staff.

Quad-Cityans (Univah district) camping in the Ozarks this week number more than half of the group, or 89. This contingent consists of six leaders and 63 scouts.

Kirkpatrick, Webster, Depot

Local campers who will be at Camp Sunnen through Saturday are:

Granite City Housing Authority (Kirkpatrick Homes) Troop Nine—William Gaines and Danny Greene, leaders, and Thomas D. Gaines, William R. Gaines, James Johnson, Jack Littlejohn, Dennis Ragow, Robert Lee Johnson, Eugene Lamb, Danny Greene Jr., Dennis Edwards, Burl Hand, Mike Burcham, Dennis Cardin and Richard Morris.

Webster Parent-Teacher Association Troop 20—Lewis Glosick and Thomas Watkins, leaders, and Mike Bird, Curt Edwards, Burl Hand, Mike Harrington, Danny Hilberry, Doug Horton, Brian Jolly, Tom Harrington, Phil Club, Gary Vandilder, Danny Watkins,

Terry Wylie, Gary Watkins, Donald Davison, Robert Knight, James Maykopf, David Head, Bill Lewis, Russell Pulley, Jim Jolly, Kevin Kearns and Kevin Lewis.

Granite City Army Depot Troop 95—Michael Long, leader, and Gregory Christich, David Gilmore, William Love, Jeffery Lloyd Shrum, Joseph choff, Dennis Meyers, Lyle Parker, Michael Meyers, Michael Robertson, Leo Robertson, Randy Peckinpaugh, Jerry Beck, Michael Ellidge, Thomas Ambuehl and Terry Meyers.

Optimist Club Troop Granite City Optimist Troop 111—Raymond Garner, leader, and Orville Ellis, Larry Freeman, Gary Vandilder, Randall Joseph, Lloyd Shrum, Joseph Breeze, Mark Jones, Jackie Graham, Joel Joseph, Matrin

Other special activities will take place, based at Camp Sunnen. Aquatic, Conservation Camps.

An Explorer camp program covering those dates will include an overnight horseback trip on the Berryman Trail, sailing instructions, motorboating, competition rifle marksmanship, hunter safety and conservation service. Reservations are open at the council service center, Niedringhaus avenue and State street, on an individual basis or by Explorer posts.

An aquatic camp Aug. 4-14 will focus on acquisition of additional skills in swimming, water safety, small boat safety, canoeing and lifesaving techniques. It is open to both Boy Scouts and Explorers, but is limited to swimmers, not those just learning to swim.

Also on Aug. 4-14, a conservation camp will enable scouts to earn nature and conservation merit badges and work on conservation projects required

for Star, Life and Eagle ranks. To participate, scouts must be 13 or older and have earned their first-class badge; equivalent Explorer rank also will be acceptable.

The conservation camp is described as a "ten-day learning and doing experience with top leaders of the Missouri Conservation Commission and the U. S. Forest Service."

Faces Speeding Charge

Carl Fuller, 2707 Roosevelt street, was arrested by Madison police Monday night on a charge of speeding. Fuller's hearing will be Aug. 7.

Police Issue Reminders For Safe Bicycle Riding

A mid-summer reminder of good bicycle safety practices is being issued by the Granite City, Madison, Venice and Pontoon Beach Police Departments.

They noted that there are more than 25 million bicyclists in the nation today and that every year more than one million are required to visit a physician for treatment of an injury due to a bicycle.

The responsibility for bicycle safety is not entirely that of the youngsters. Parents should make regular inspections of their children's bicycles and make sure they are equipped with a reflector at the rear that is visible for 300 feet and a light in the front that can be seen at a distance of 500 feet.

Other safety equipment should include a bell or horn, in working condition, wheels, tires and drive chain should be sound, and moving parts lubricated, handle bar and seat height correctly adjusted and nuts all tightened," according to the police department memo.

Most important instructions for the youngsters to note would be:

Never ride two abreast or two on one bicycle. Give hand signals as required. Stay off sidewalks. Get home before dark, if possible, if not, wear light-colored clothing, visible to motorists.

Driver Gets 5 Days In Jail, \$335 in Fines

Fines and court costs totaling \$335 and a five-day jail term were assessed in magistrate court at Madison yesterday against Level Johnson, 18, of 209 Booker street, Eagle Park Acres, as the result of two separate arrests by Venice police this month.

Venice authorities said Johnson was arrested Monday afternoon on a charge of driving without a driver's license and improper display of state license plates. In that arrest, Johnson posted a \$100 cash bond to appear for hearing yesterday.

Following his arrest Monday, Johnson was held in the Venice jail and was arraigned yesterday on charges resulting from both arrests. Magistrate Hiscott assessed a fine of \$100, \$10 court costs and a five-day jail term on the July 5 charge, along with a \$10 fine and \$5 court costs on the charge of improperly displaying license plates.

On the license charge resulting from Monday's arrest, Hiscott fined Johnson \$200 plus \$10 costs. Johnson's \$100 bond posted in the first arrest was forfeited against his fine, leaving a balance of \$235. He remained in the Venice city jail today.

Venice Man Fined \$125 In 15-month-old Case

Claudio Robinson, 31, of 1122 College street, Venice, was fined \$110 and assessed \$15 in court costs yesterday as the result of charges filed against him by Venice police 15 months ago.

Robinson was arraigned in magistrate court at Madison on a charge of driving without a driver's license and for driving a car without state license plates. Magistrate Hiscott fined Robinson \$100 and \$10 costs on the license charge and \$10 and \$5 costs on the license plate charge.

Venice police said Robinson was arrested on the 2 charges in April 1967, and was released at that time on a notice to appear for a hearing. He never appeared in court, officers said. A writ of habeas corpus was issued for his arrest recently and Robinson was picked up by Venice officers Monday afternoon.

Robinson was held in the Venice city jail this morning. Unless he is able to pay the fine he will be transferred to the county jail at Edgewater to serve out the fine — a total of 25 days.

70-Year Local Resident, Mrs. Flora Hall, Dies

Mrs. Flora Hall, 74, 3129 Edgewood drive, died at 2 p.m. Tuesday at Jewish Hospital, St. Louis, where she had been a patient for three weeks.

Born in Missouri, Mrs. Hall had resided in this area for 70 years. She is a member of St. Margaret Mary Roman Catholic Church.

Surviving is one daughter, Mrs. Raymond (Dorothy) Valerius of Granite City.

Funeral arrangements are given in today's obituary column.

Point Thrown on House

Hewitt Degisher, 3105 Myrtle avenue, reported at 3:10 p.m. Tuesday that two young boys threw yellow paint and an egg on the south side of his house and ran north on Myrtle.

and physical education conference Oct. 3-5 in Washington, D.C.

Dr. Robert Lay and Dr. George T. Wilkins Jr., voluntary physicians for Granite City, were authorized to attend a meeting on injuries Aug. 2 at Illinois University in Chicago if one or both have time to make the trip.

It was noted that Principal McCauley has been placed on the Illinois High School Association and student bus schedules will be altered accordingly. Dates have not been set.

Permission was given for elementary physical education teachers to be released for attendance at a national health

CONDEMNATION PROCEEDINGS are being sought by Third Ward aldermen to raze the above residence at 1726 Delmar avenue which was gutted by fire two years ago. The city council has taken no action on the request. The building formerly housed the Atlas Sales Co. office.

Volunteer Tutoring Program to Continue

Venice Youngsters to Show Art and Crafts

An open house display of arts and crafts items made by Venice youngsters participating in the recreation project at the Venice Community Center of the Venice park district building will be held from 5 to 8 p.m. today and from 1 to 3 p.m. tomorrow.

About 100 youngsters of school age from the first grade through high school participates in the arts and crafts classes which are conducted five days a week in the park district building. The project is jointly financed by the city of Venice, Venice School District 3 and the park district.

Rem Two Church Rooms

With a four-classroom addition to Parkway grade school not expected to be ready for use until this winter, the board entered into an agreement to rent two classrooms in the nearby Peace Lutheran Church for use as Parkway kindergarten rooms during part of the 1968-69 year.

The rent will be \$62.50 a month per room, plus five-sevenths of utility costs and \$75 monthly for custodial care. The rooms will be utilized for at least four months.

A request from the Madison County Rescue and Service group for used office equipment was rejected due to a state law requiring that school districts sell rather than give away equipment no longer needed.

Approval was given to a standard form to be used in future student teaching agreements with colleges and universities.

There is no fee for basic education instructors will be raised from \$3.25 to \$4.15 an hour in 1968-69, the board adopted a revised schedule of course fees varying from no charge to a \$10-40 range.

Of 21 courses offered both in 1963-64 and 1968-69, seven were raised, seven remain the same and seven will cost less. New courses added within the last five years include motor control, general education development, pipetting, stenography III and business machines.

Courses not requiring higher student fees are meeting higher cost projections by greater enrollment, M. A. Wittevrongel, director of adult and vocational education, said.

Business course fees are being lowered because they are reimbursed by the state under a new vocational training law.

GCHE Evaluation in 1970 Preparations are being made by the Granite City high school staff for a full-scale evaluation of the school in 1970 by the North Central Association of Colleges and Secondary Schools. Supr. Bob J. Davis reported.

Four general faculty meetings are planned by Principal Lawrence C. McCauley in 1968-69: two in the fall semester and two next spring. On these days, the meetings will start at 2 p.m. and student bus schedules will be altered accordingly. Dates have not been set.

Permission was given for elementary physical education teachers to be released for attendance at a national health

Madison Amvets Elect Krakowiecki Commander

Stanley Krakowiecki was elected commander of the Madison Amvets Post 204 during an election Monday evening at the Polish Hall here. He is a lieutenant in the automobile license investigation division for the secretary of state office.

Other officers elected to serve for the 1968-69 year are Andrew Angelloff, first vice-commander; Stanley Rudzik, second vice-commander; Robert Humphreys, third vice-commander; Edward Uherick, adjutant; Sam Boshoff, finance officer.

Vasil C. Graville, public relations officer; Frank Schen, hoffer, co-chairman for the football ticket sale, announced the tickets are now on sale and four season tickets will be given away prior to the first game at Busch Stadium.

Plans were discussed for the annual officer installation party to be held in conjunction with the Christmas party. Final arrangements will be announced at a later date.

The members also were reminded 1968-69 dues are now payable and those who carry insurance and hospitalization must pay dues in the current year.

LT. STANLEY KRAKOWIECKI, automobile license investigator for the Illinois Secretary of State, who was elected as the new commander of Madison Amvets Post 204 for 1968-69.

GOOD NEWS CRUSADE

Granite City High School Stadium

WATCH for more information!

MORE ABOUT GC Police

tee and union representatives. No location was specified. Boyd and Moerlein stated that Monday night they would not cross a picket line.

Aldermen yesterday received telegrams from the Tri-City Trades and Labor Council asking for a renewal of wage negotiations, but as of this morning, no meeting had been announced.

The council committee in its offer also set up a vacation program effective in 1971 of two weeks for 1 to 7 years service, three weeks for 7 to 12 years, four weeks for 12 to 17 years and five weeks for 17 years service or more.

Sick Leave in Question

The proposal also specified negotiations to start no later than next Jan. 1 to determine if the current sick leave policy shall continue or be altered.

The agreement would run from May 1, 1968, to July 31, 1971.

In compiling data for negotiations, the committee figured that with fringe benefits, the average pay for a policeman is \$854 a month and \$888 for a fireman. These figures include the pensions paid by the city, vacation pay, insurance, paid holidays, sick leave and miscellaneous items such as clothing and overtime pay for holidays.

Comparing the \$120 and \$150 per month increase totals, the council's \$120 offer would increase the policeman's pay from \$734 to \$854 a month and \$770 to \$888 for a fireman.

These increases would amount to 20% and 25%, although the \$120, three-year offer by the city of \$20, \$30, \$70, \$100 actually is greater than the 25% difference because of the varying amounts of the six-month pay increases.

Police, firemen and other city workers were given \$25 monthly increases in 1965, and in 1966 a longevity pay schedule was adopted, giving \$3 increases to employees with one to five years service, \$4 for five to 10 years service, \$5 for 10 to 15 years service and \$7 for 15 or more years service.

Police Contention

Police contention contend their pay scales have fallen behind those of other cities, especially with the \$100 per month increase granted this year in Madison.

The informational pickets who have been marching during city hall hours since the lines were first established after Monday night's council session have not halted city services, and payments of sewer bills and taxes at the city hall have not dropped off to date.

During Monday night's council session, the negotiating committee of Boyd, Moerlein and Robertson met briefly outside the council room, taking their places at the council tables about 20 minutes late.

Committee Report

In making the committee report, Boyd stated, "The com-

Police-Fire Dept. Monthly Salary Comparison (Basic patrolman and fireman)

	Police Patrolman					Fireman				
	1964	1965	1966	1967	1968	1964	1965	1966	1967	1968
Granite City	\$545	\$570	\$587	\$587	\$587	\$545	\$570	\$587	\$587	\$587
Alton	\$474	\$474	\$474	\$474	\$474	\$474	\$474	\$474	\$474	\$474
Belleville					\$550					\$550
Madison	\$610	\$635	\$655	\$655	\$655					
Venice		\$510	\$590	\$590	\$590					

* Figures not available

Fringe Benefits—

Granite City—Longevity pay, 3% for 1-5 years, 4% 5-10 years, 6% 10-15 years and 7% 15 or more. Eight paid holidays. Vacations, two weeks after one year and three weeks after 10 years. Sick leave, Fire Dept., 2.1 days per month, 25.2 days per year, maximum 126 days. Police dept., 1.5 days per month, 18 days per year, maximum 90 days.

Madison—Insurance for police, \$121 per year; for firemen, \$200 a year for police. Hospitalization, \$21.91 per month for man with family, \$8.90 for single man.

Alton—Extra pay for time in court, time and one-half for overtime and holiday work, \$100 for one to three weeks based on one to 10 years service. Clothing allowance, \$300 a year for police, \$50 for firemen, plus city pays turn-out gear. Sick leave, accumulative to 90 days.

Venice—Vacations, two weeks after first year, three weeks after five years and four weeks after 10 years. Clothing allowance, \$100 a year per man. Sick leave, no set program, but patrolman receives usual salary for reasonable time in the event of illness.

Automatic increases of \$100 a year up to \$730 (\$610 a month) after seven years. Ten paid holidays. Compensatory time, one-off for overtime or holiday work. Vacations, two weeks after one year, three weeks after five years and four weeks after 10 years. Clothing allowance, \$225 a year for policeman, \$175 for fireman. Sick leave, 15 days a year, accumulative to 90.

Vacations, two weeks after first year, three weeks after five years and four weeks after 10 years. Clothing allowance, \$100 a year per man. Sick leave, no set program, but patrolman receives usual salary for reasonable time in the event of illness.

Venice—Vacations, two weeks. Insurance for policeman, \$121 a year, amounts to \$23.49 per man. Clothing allowance, \$100 a year per man. Sick leave, no set program, but patrolman receives usual salary for reasonable time in the event of illness.

Police, Firemen Union Officials Issue Statement

A policy statement was issued Tuesday by Harold Benedict, representative of the American Federation of State, County and Municipal Employees, Granite City Local 1347, and Policeman Alan LeMaster, president of the police union, and Harry Hillman Sr., president of the fire union, to which policemen belong. Firemen are members of firefighters Local 253.

Benedict told the council, "If you pass this budget tonight with the \$90,000 for overall pay increase, you'll box us in, and there'll be no picket lines."

He added that the committee felt it had done all it could and would now turn things over to the city council. He said he had the same proposal to all city employees, since we feel all should be treated alike.

The council then recognized Harold Benedict of Springfield, the staff representative of the Federation of State, County and Municipal Employees, to which policemen belong. Firemen are members of firefighters Local 253.

Benedict told the council, "If you pass this budget tonight with the \$90,000 for overall pay increase, you'll box us in, and there'll be no picket lines."

MORE ABOUT \$17,321,000

staff to care for the increase in enrollment. The board increased our staff by 48 teachers and nurses and created three new administrative positions. Without the addition of Grigley, we would have had a normal staff increase of 20."

Supt. Davis estimated the enrollment this fall at 14,946, which would be a gain of 683 students.

32-Cent Rate Hike Possible

Comptroller Victor G. Anderson said that if the present \$212,173,946 assessed valuation rises to \$215 million, the school tax rate would climb from \$2.705 to \$2.828 per \$100 valuation, a difference of 32.38 cents.

The education rate would climb from \$1.858 to the present voter-authorized maximum of \$2.15, the building fund from 27.97 cents to 35.63 cents, transportation from 6.55 cents to 6.96 cents, retirement fund from 6.93 cents to 7.50 cents and working cash fund from none to 4.99 cents.

The rate for bonds and interest would drop from 35.5 cents to 31.55 cents and the junior college fund rate from 0.75 cent to 0.49 cent.

Propose \$615 Million Levy

Tax levies for 1968 (levy collection in 1969) are proposed at a level of \$6,531,509, compared to the \$5,456,457 levied last summer for collection this year. Levy action is to be taken Aug. 28.

The proposals and the 1967 levies follow: education, \$4,444,444; building fund, \$1,111,111 (including Illinois Life Safety Code remodeling work), \$727,801 (\$666,000); bonds and interest, \$65,555 (\$64,000); transportation, \$142,255 (\$132,377); municipal retirement, \$161,138 (\$140,000); junior college fund, \$100,000 (\$100,000); working cash fund, \$102,000 (none).

The new levy for a working cash fund is to provide money for loans to either the education fund or building fund as needs dictate. It is being established as a percentage of the assessed value of the district's property as of an anticipated shortage of cash next spring or in the 1969-70 fiscal year beginning next July.

Foresee \$345,330 Deficit

The proposed \$4,736,695 education fund levy is \$345,330 more than could be produced by a \$2.15 rate if the next assessment of the district proves to be \$215 million.

A fall tax referendum currently is under consideration. If it is held and passed, an education rate of as much as \$2.15 is possible, with the total school rate \$3.1978, again assuming that valuations will total \$215 million.

The increase in assessed valuation is \$19,732,751 would be required in order to provide full support of the education fund at the present maximum \$2.15 rate," Anderson said.

May Need Tax Warrants

"Some need for borrowing may exist in 1968-69, but it should be minimal," Anderson said.

"The district has operated from July 1963 through June 1968 without issuing tax anticipation warrants. During the same time, temporarily idle funds have been invested in short-term securities, with interest income of \$1,000 earned for the district totaling \$44,651, including \$250,783 from operating funds and \$195,688 from investment funds.

"In 1969-70, if present sources of revenue remain static, the need for borrowing would increase drastically. It would arise from probable increased costs and the present education fund tax rate limit."

"Tax rate increase for the past year was only 3.7 cents, as compared to a probable 32.38 cents for the current year, with an additional 16.9 cents required for full support of proposed expenditures."

State Aid, Size of Tax Base

"In consideration of our difference, it must be remembered that increased costs in 1967-68 were offset by a substantial increase in state aid. From the revised formula made effective that year, and the substantial increase in assessed valuation, the state aid quadrupled."

"Another state aid increase for 1968-69 seems most unlikely, and an increase in assessed valuation comparable to that experienced in the past year also seems improbable."

Biggest single budget increase is proposed as \$1,040,626 in the education fund, which had boosts of \$259,011 in 1967-68 and \$784,365 in 1966-67.

Present employee agreements on salaries, fringe benefits and working conditions expire in June 1969, and negotiations are expected to start this fall, with spending agreed upon in the talks affecting the 1969-70 budget and subsequent appropriations.

Stearns to be Honored

GC Park Board to Improve Lighting at Park Entrance

A beautification program for the lighting system at the 27th street entrance to Wilson Park and renaming Maryland Park playground at Franklin and Amos avenues to honor local businessman George W. Stearns, were among actions taken last night by Granite City park district commissioners.

At the park entrance near the flagpole, the present four wooden poles with overhead wires are to be replaced with two decorative concrete standards, each with two long-arm fixtures and underground wiring. A light on a wooden pole in the formal gardens also is to be replaced with a concrete pole and underground wiring.

Cost for entrance lights will be \$42 a month, up from \$32, and \$19 for the garden lighting, up from \$14.

Park Board President William Koryak said a dedication ceremony for the new George Stearns Park will be held in the fall, "after hot weather."

Commissioners authorized Midwest Floor Co. to re-sand the floor and repaint lines on the gym floor entrance at the Community Center and an \$82 clutch repair job to the district's 1966 dump truck at Mathews Chevrolet Co.

Pool Closing Aug. 25

Announcement was made that the Wilson Park swimming pool will close on Sunday, Aug. 25, in advance of the Aug. 27 opening of schools. At the next meeting, the commissioners will set the opening date for the ice skating rink.

An inspection of the rink structures was made last night to point out eight locations for repairs yet to be made by the contractor.

Supt. Harold Brown announced the summer recreation programs at nine playgrounds will close Friday, Aug. 2, and the annual picnic roundup program for the young participants and their parents will be held at 6 p.m. Wednesday, July 31, at the rink-pavilion.

The board also designated Elmer W. Below, executive assistant director of the agency, as chief engineer of Bi-State.

In a separate action yesterday, the Federal Aviation Administration at Chicago announced that the FAA has made a matching grant offer of \$149,300 to Bi-State for improvements at Bi-State Parks Air port at Cahokia.

The funds, made available under the Federal Aid to Airports Program, will provide for an extension of the northeast-southwest runway from its present length of 1650 to 2600 feet. Intensity runway lights also are to be installed on the runway.

Tax Collection

The local collection office rather than pay them later to the county treasurer after the city receives a 2% commission on all taxes paid locally.

The Granite City office will continue to accept payments locally until the close of business hours on Aug. 23, Rich said.

Rich said collections in his office thus far include \$1,120,535 in real estate taxes and \$302,498 in personal property taxes.

Local collections have been under way in both Granite City and Venice township since June 24.

Heart Association Offered to Move to Alton

Larry McConkey, field director of the Illinois Heart Association, announced today the relocation of the Service Area VIII office of the heart association from Edwardsville to Alton.

The new location will be at 3030 Leverett street on the Southern Illinois University Southwestern campus center in Alton. The phone number is 616-462-5515.

The office will continue to serve the counties of Madison, Clinton, Bond, Calhoun and Jersey.

McConkey said the new location is better and more easily accessible to volunteers.

Air Conditioner Sparks

Firemen were called to the home of Laura Beyer, 2526 Nameoeki road, at 10:30 p.m. Wednesday when an air conditioner started shooting sparks. The cause was undetermined and there was no loss.

Burnett Joins Bi-State Board

Eugene R. Burnett of Granite City was seated as a commissioner of the Bi-State Development Agency yesterday during a regular board session.

Burnett, former Granite City chief of police, was appointed supervisor of security and services for Dow Chemical Co. at the Madison plant, was appointed early this month by Gov. Samuel H. Shapiro as a Bi-State commissioner to succeed Terry Francis, Granite City attorney.

Two bids for furnishing Bi-State Transit system 40 air-conditioned buses were received from General Motors and from Flexible Motors Co. and were referred to transit committee officials for analysis. A federal grant has been allotted the agency to aid in purchase of new bus equipment.

The board also designated Elmer W. Below, executive assistant director of the agency, as chief engineer of Bi-State.

In a separate action yesterday, the Federal Aviation Administration at Chicago announced that the FAA has made a matching grant offer of \$149,300 to Bi-State for improvements at Bi-State Parks Air port at Cahokia.

The funds, made available under the Federal Aid to Airports Program, will provide for an extension of the northeast-southwest runway from its present length of 1650 to 2600 feet. Intensity runway lights also are to be installed on the runway.

Close Competition in Slow Pitch Softball

Action in the Class C slow pitch softball league Monday evening at Worthen Park was highlighted by close final scores in all four games. The results marked a departure from past scores reflecting shutouts or football-style run totals.

Club Delmar beat American Legion 9-6, W-W Confectionery downed Branding's Service 10-5, Custom Engraving slipped past Caton Enterprises 7-6 and Fourth Street Tavern beat the Raiders 9-7.

Charles Jones and Rich Smallwood homered for Club Delmar and Charles Moore earned the pitching victory. American Legion scored its six runs in the fifth inning on five hits and two errors; included in those hits was a triple by Harry Ellis. Frank Milstant was the losing pitcher. W-W took a quick lead in its

game, scoring six runs in the bottom of the first inning on seven hits and one error. Two hits each were registered during the game by Mike Ivie, Bud Champion, Dick Prehn and Tony George. Jim Jones was the winner and Bill Black the loser.

Custom tallied what proved to be the winning run in the top of the seventh inning as Ralph Gausen reached base on a fielder's choice and later scored on a single by Clark Niepert. Larry Wallace was the winning pitcher and Charles Buster took the loss.

Rich Paoli hit a homer for the Raiders and Benny Johampier pounded out a triple and double for the losers. Leon Holloway had three singles for Fourth Street. Will Hoffstead was the winning pitcher and John Robbers the loser.

Squirrel Season Opens Aug. 1; Bumper Crop

The squirrel season will begin at sunrise Thursday, Aug. 1, in the Southern Conservation Zone, an Illinois Department of Conservation, spokesman said today.

In the Northern Zone, the squirrel season will begin at sunrise Sunday, Sept. 1. The season will end at sunset Friday, Nov. 15, in both zones. U. S. Route 36 is the dividing line between the zones. The daily limit is five squirrels and the possession limit is 10 squirrels. On opening day, both limits are equal—five squirrels. Gray, fox or black squirrels may be hunted in Illinois. White squirrels are protected at all times.

The 1968 squirrel season will be the longest that Illinois has ever had. A bumper crop of squirrels allows the hunters, Doubleheader Saturday

The Granite City Steel Credit Union fast-pitch softball team will play the Columbia, Ill. Merchants at the Wilson Park softball diamond Saturday in an exhibition. Doubleheader starting at 7 p.m.

Men on the downhill road seldom look at the speedometer.

FISHING PROWESS of Gregory Reber, 11, a sixth grader at Nameoki school, is attested to by this 7 1/2-pound bass he landed at Ervin Brokaw's Lazy Lee Resort, Reeds Springs, Mo. He is the son of Mr. and Mrs. Richard Reber, 1532 Lindell blvd. Brokaw, a former resident of the Quad-Cities, has ten grandchildren residing here.

Pocahontas, Mercer in Decisive Game Sunday

The pennant race in the Red Division of the Inter City Baseball League was decided last week when Molitor Motors of Collinsville took the crown, but in the Blue Division three teams are still very much alive.

At present, Pocahontas (8-4) holds a half-game lead over Mercer of Granite City (7-4) and the first-place Braves are scheduled to visit Mercer for a game at Wilson Park at 2:30 p.m. Sunday. It will be their last meeting of the season, except for possible playoff pairings.

East Alton (7-5) will host the other local team, Granite City Steel Credit Union. If Mercer wins it will take a half-game lead over Pocahontas but if it loses it would drop to third place behind East Alton. If the Machinists manage to defeat Credit Union, Credit

Union is in the Blue Division basement with a record of 2-8. Red Division games Sunday call for the Polish-American War Veterans of East St. Louis (6-7) to invade Troy (2-9) and champion Collinsville (11-2) to host the Maryville Red Sox (4-7).

Holiday, Tri-City, Zips Win Class B Clashes at Worthen

Holiday Mobile Homes pounded out 13 hits Wednesday evening at Worthen Park to down the Dalry Mesters 10-4 in the Class B slow pitch softball league. Other scores were Tri-City Cue over Abel's Auto Body 6-5 and Zips over Union Star 4-2.

Holiday scored four runs in the first inning on four hits, including a leadoff triple by winning pitcher Frank Eaves. The loser, pitcher Jim Childers, Allen Emmert homered for Holiday.

Tri-City jumped out to a five-run lead in the first inning on seven hits, including six singles and a triple by pitcher Norm Warnock. The winners collected 12 hits to beat Warnock, while making one error.

Abel's was able to cash in four hits in the bottom of the seventh for two runs but had two men tagged out at home. In the final game, Zips and Union Star went errorless as the winners garnered ten hits to the losers' five. Key hits included a two-run homer by Don Broyles in the fourth inning to Norm Reading. He then was instrumental in scoring the go-ahead run in the sixth, singling

Legionnaires Drop Exhibition Baseball Game 5-2 Yesterday

The American Legion Post 113 baseball team lost an exhibition game to Anheuser-Busch of St. Louis 5-2 Wednesday at Wilson Park. Fielding lapses again upset excellent pitching.

In the first inning, the visitors scored two runs after the leadoff batter beat out a bunt single as the pitcher and first baseman came in to field the ball and no one covered first base to take the throw. On the following play, a routine ground ball was misplayed and again the man reached base safely.

With two men out, the next Anheuser batter hit a two-run single, aided by an outfielder's difficulty in retrieving the ball.

In the fifth, the first batter reached first on an error, the second man was hit by a pitch, both advanced on a wild pitch, one scored on an error that put runners at second and third, and the following hit tripled home the last two runs for the visitors.

Granite City scored in the bottom of the same inning as Rich Logan walked, Steve Fossieck singled to right-center and Roger Belshe singled home a run, moving Fossieck to third. Belshe stole second, Pitcher Jim Becker walked to load the bases and Steve Lengyel singled in the last run of the game. Belshe was out trying to beat an outfielder's long peg to the plate.

Meanwhile, a hearing is to be held this afternoon in the Madison county circuit court at Edwardsville on the Belleville Legion team's protest against a ruling that forfeited all its victories due to use of allegedly ineligible players. A Post 113 victory also was forfeited.

Homers Pace Victory By Ashal Ball Team

Ashal Insurance beat Hamilton Packing 21-4 Wednesday evening at Wilson Park in the high school girls' league. The second softball game scheduled was forfeited when Busy Bee Truck Stop failed to field enough players against Shady Lake.

Ashal started off by scoring 13 runs on 13 hits in the first inning, including two-run homers by Debbie Fortell and Denn Poulos. The winning pitcher was Marie Taylor and the loser was Polly Giesecki.

Linda Fisher, Denn Poulos, Jane Cowan and Becky Thompson had three hits each in the 24-hit attack. A and scoring on a single by Vseoboda and the loser was Carl Hubbell.

School Office to Move By Feb. 1 To 20th-Adams

The Granite City school board made it official Monday night; its offices will be moved from the Labor Temple to the newly-acquired Stolze Lumber Co. property at 20th and Adams streets.

A required six-month lease cancellation notice to the Labor Temple was authorized by the board. The first floor of the building at 204 State street will be vacated by Feb. 1, 1969.

Occupancy of the five Stolze buildings and their 330x450-foot site has been promised by Sept. 1 or earlier. Remodeling will be necessary, and it is expected that warehouses will be placed in use this fall, well before administrative and secretarial offices are transferred, the latter possibly during the year-end holidays.

School officials are hopeful that substantial savings will be achieved through ordering supplies in larger quantities. Storage space at the Labor Temple and at various schools is limited.

Parking also has been inadequate, partly due to the proximity of the school office to the shopping district and union meeting halls. Monthly rent of \$375 also will be saved.

RECEIVING GIFT. Mrs. Mary Ziegler being presented with a gold watch and a silver pin by Bill Burns of Burns Cafeteria in recognition of 20 years service as a food buyer and menu planner at the restaurant. On the right is Mrs. Helen Peters, business agent for the Cooks and Waitresses Local 461.

by the move. No plans have been announced for new Labor Temple tenants. The quarters were used as a grocery store before the school administrative offices were moved there from Granite City high school a decade ago.

Stolze property became available due to the closing of the store and lumber yard after more than 60 years of operation.

Purchase price is \$250,000, of which \$50,000 is to be paid at the time it is occupied. The property is to be paid for within five years, and interest on the unpaid balance will be 6%.

Included are a 7200-square-foot brick corner building erected in 1954; a 14,125-square-foot brick warehouse built in 1959 on Adams street; a 13,320-square-foot frame warehouse on 20th street, about 40 years old; and 2190 square foot and 1800 square-foot lumber storage buildings on 20th street.

Cook is Honored for 20 Years of Service

Mrs. Mary Ziegler, 1932 Grand avenue, has just celebrated 20 years employment at Bill Burns Cafeteria and was presented with a gold watch and a 20-year silver service pin by her employer.

During her work at the restaurant, which began July 20, 1948, at the old Grand Cafe, Mrs. Ziegler has not missed a day's work. The restaurant is now on 19th street and she is food buyer and menu planner. "Most business places celebrate 25 years employment but in the restaurant business 20 years is considered a long time and deserves special recognition," Mr. Burns explained. The cafeteria has several other employees with long service, ranging from seven to 17 years.

Approved 9-10-5

GC Council Stands Firm on New \$2,486,314 Budget

Granite City Council members adopted their own \$2,486,314 budget tonight despite police union demands for further salary negotiations and other demands for inclusion of more funds for air pollution control and for a new fire truck.

Although several aldermen objected to the \$109,460 allocation for special improvements in the new budget, Mayor Partney did not speak out against them. He listed \$21,500 for special projects in his budget proposal.

Last year, he vetoed most of the improvements and was upheld by the council. There has been every indication this year that if he follows the same veto procedure this year, his action will be overridden. The council does not have another regular meeting until Aug. 5.

Appeals For Delay
The mayor did appeal to the council to stall the budget adoption to permit further salary negotiations. He suggested a special meeting Monday, which would be two days ahead of the July 31 deadline for municipal budgets.

Council members did not take up the suggestion, but proceeded to adopt the budget by a vote of 9-10-5. It had been placed on first reading last week.

When asked yesterday if he planned to veto any of the special improvements, the mayor said he was studying the list and would make a decision in the next few days.

Hardest hit departments under the council's budget are the Air Pollution Control commission and the fire department.

Predicts End of Board
Alderman Whitmer, whose motion to increase the air pollution control funds from the budgeted \$600 by \$20,000 to \$26,400 was voted down, predicted the commission would not be able to operate and that enforcement of control laws would have to be left up to the state.

Last year, \$18,000 was budgeted for clean air control and \$2815 was spent. Whitmer said the commission has been striving to employ a full-time technical secretary and assistant to carry out the task assigned to it and to cope with numerous complaints. He added that the mayor's budget proposal listed \$26,400 total with \$13,400 allocated for a technical secretary and staff.

It also was brought out the council several weeks ago had authorized the technical secretary to purchase air monitoring equipment to cost up to \$7000, and that the \$6400 budget figure would not cover the costs.

Critical of 'Special' List
Alderman Rutledge was critical of the list of special improvements, saying it stemmed from politics to benefit a few residents, while all Granite Cityans would benefit from added funds for a new fire truck or for city air pollution control. "I just don't want to buy votes for the next city election," Rutledge remarked.

He was answered by Aldermen Paulos and Basarich. Paulos said he needed improvements in the Third Ward and noted that the street in front of Rutledge's home in the 2500 block of Benton street had been improved under the special, program several years ago.

Basarich loudly proclaimed that he was a Fifth Ward alderman. "I represent the Fifth Ward only, and I'm working to get improvements in my ward," he pointed out his predecessor had been defeated because of the popular street improvement "to provide access to the canal harbor for Granite City Steel."

\$60,000 Difference
The council's \$2,486,314 budget was \$60,000 under the budget proposed by Mayor Partney, contains the same \$90,000 figure for pay increases for the city's 141 full-time employees.

Special improvement projects listed by the council majority are: East 25th street improvement east of Nameoki road, \$10,000; resurfacing the 2400 and 2900 blocks of Grand avenue, \$10,000; resurfacing 19th street from Cleveland blvd. to the railroad tracks, \$6000; resurfacing the 2000 block of Benton street, \$6000; resurfacing Washington avenue from 24th to 27th street, \$15,000; resurfacing and curbing of Meridian street, \$14,700.

Curbs and gutters for the 1800 block of Maple street, \$800; widening of Benton street from 2nd to 3rd street, \$14,900; the 2600 block of Center street, \$9400; for 100 feet at 1637 Spring avenue, \$450; and Moro avenue from Pontoon road to Ball avenue, \$8500.

Sidewalk Projects
Sidewalks on the south side of 26th street from Center to Adams street, \$550; on the west side of Edgewood from O'Hare to Willow avenue, \$600 and from Johnson road to Devon Hill lane, \$900; on Franklin avenue from Johnson road to Frontenac lane, \$750; and on Braden avenue from Pontoon road to city limits (1100 feet), \$2218.

Alderman Fry asked how the council planned to carry out the planning for the projects, since the \$8500 figure in the mayor's budget for a public engineer had been eliminated. "There's not a dime in the budget that I can see for engineering," he added.

The notice for adoption of the 1968-69 budget was made by Alderman Paulos.

Legal Dept. Slashed
Fry immediately pointed out the legal staff budget had been cut drastically with no provision for condemnations. "We average several every two weeks. What do you plan to do?"

Boyd replied they could be handled from the contingency fund. Fry came back with a motion to add \$76,000 to the budget, including \$400,000 for a new fire truck to replace the 1947 model purchased when Alderman Moerlen was mayor; \$19,800 to hire three additional firemen as proposed by Mayor Partney, \$1600 for payment to SIMAPC for updating the city's master growth plan and \$15,000 for air pollution controls.

His motion was withdrawn when Whitmer said he favored a separate vote on the air pollution funds.

The fire truck proposal was voted down 4-10-10, and on a second try by Fry, his other proposals were voted down 3-10-11.

Mayor Requests Meeting
Mayor Partney then urged

delay in passage of the budget. "I'd like to call a meeting with the committee and representatives of the city employees' unions to go over the proposals and counter-proposals."

The mayor also said he had hoped the council would go along with his proposal to transfer the city hall switchboard to the police department to utilize the switchboard operator as desk clerk, freeing patrolmen for regular duty.

In the 9-10-5 vote for approval of the budget, those voting "aye" were Dallas, Moerlen, Boyd, Paulos, Green, Basarich, Partney, Robertson and Dawes. Opposed were Whitmer, Rutledge, Fry, Jarratt and Johnsen. Bartosik and Nomm were at work and did not attend the meeting.

County May Get Added Judge Under New Bill

An additional circuit judge may be assigned for Madison county if a bill passed by the Illinois General Assembly gets through the Senate and is signed by the governor.

It would help reduce a backlog of more than 7000 cases in Madison county circuit court, not including traffic or probate cases.

Ralph Smith of Alton, speaker of the House who introduced the measure during the current special session of the Legislature, said he expected no opposition in the Senate.

The bill calls for a reduction of the population basis for circuit judges from 280,000 to 230,000, allowing Madison county a fourth circuit judge.

If it is signed in time by Gov. Shapiro, a judicial nominating convention would have time to select candidates for the November general election.

The death of Associate Judge Austin Lewis contributed to the backlog of cases here, along with the recent illness of Associate Judge I. H. Streepner.

Other counties affected by the legislation include Rockford, Rock Island and St. Clair.

Wsu, channel 8, Southern Illinois University's television station, carries a social studies program viewed by some 38,000 children in southern Illinois.

Thebeau Improving, Wife Also in Hospital

Harry A. Thebeau, a local agent of the State Farm Insurance Co. with offices on Fifth street, Madison, is in improved condition this week at St. Elizabeth Hospital, where he was taken July 20 after suffering a heart attack in St. Louis. He had been feeling ill for two days at the time of the attack. He expects to remain in the intensive care section until this weekend but his condition is not regarded as critical. His wife, Leora, entered the hospital Wednesday morning for observation of an existing heart ailment. They have been residing in recent months at Chantauqua, Ill.

Hospital's Governing Board Welcomes 2 New Members

The newly-appointed members of the governing board of St. Elizabeth Hospital were welcomed to the organization at a get-acquainted breakfast Tuesday at the hospital.

They are Lyle F. Gulley, president of the Granite City Steel Co., and Austin Witter, who received their appointments earlier in July. They met with administration officers, staff members, heads of departments, and auxiliary personnel for an informal introduction to the service departments.

About 25 representatives acquainted the new board members with the internal operations of the hospital, outlining briefly the contributions of the individual service areas and the interdependency among them.

Gulley is the first layman appointed to the new seven-member governing board which had formerly been composed only of Sisters of Divine Providence.

Witter, manager of taxes for the General Steel Industries, has served this hospital as a member of the Lay Advisory body for the past six years. As president of this advisory body he now serves as an ex-officio member of the hospital's governing board.

James W. Earhart, 66, Dies of Heart Ailment

James W. Earhart, 66, of 2130 Bryan avenue died at St. Elizabeth Hospital of a heart ailment at 7 a.m. Wednesday. He had entered the hospital five weeks ago and underwent kidney surgery two weeks ago.

He was born in Dover, Tenn., and had resided locally for 42 years. For 41 years he was employed at Union Star and Refining Co. as a carpenter's helper and prior to his retirement was a member of the OCAW Local 7-663. He also belonged to the United Pentecostal Church on Pontoon road.

Survivors include his wife, Mrs. B. I. Earhart; two daughters, Mrs. R. A. Young (Ruby) Aubuchon and Mrs. Gene (Ruth) Messer; and one son, Ernest Earhart all residing in Granite City; his mother, Mrs. Ella Earhart, Bumpus Mills, Tenn.; one brother, Joseph Earhart, Dover, Tenn.; six sisters, Mrs. Artemus (Mary) Wallace, Dover, Tenn.; Mrs. Lee (Nannie) Samsel, Clarksville, Tenn.; Mrs. Sidney (Vadie) Henson, Bumpus Mills, Mrs. William (Ella) Hargrove, and Mrs. Ted (Carmel) Kinn, all both of Dearborn Heights, Mich.; Mrs. Joe (Sally) Jones, Flint, Mich.; eight grandchildren and seven great-grandchildren.

Funeral arrangements are given in today's obituary column.

Kiwanis See Slides On River Boat Races

Colored slides of recent boat races sponsored by the Granite City Kiwanis Club were shown at part of their program Monday evening. Also included at the dinner meeting, held at the Rose Bowl, were slides of a vacation taken by Alvin Gross, including pictures of scenes and historical sights of many of the states in this country.

Michel Tondas, president, presided over a brief meeting and announced Inter-Club plans for Marvin Barnes, Melvin Gille, George Groves, Peter Jeller, and Alvin Gross to attend the Wood River meeting tonight.

A coming event planned at this meeting was attendance at a football game on Sept. 16 in St. Louis.

The program for next Monday's meeting is to be a "Youth Project Program" presented by Gille.

Also discussed were tentative plans for the club's annual "Kid's Day Peanut Sale" to be held in late September.

Jr. College Workshop To Be Held by SIU-SW

A two-week workshop on "The Community Junior College" will be held Aug. 12-23 at the Southern Illinois University-Southwestern campus.

Persons interested in the course may register at 8:30 a.m. Aug. 12 in room 242, Peck classroom building, Henry T. Boss of the education division faculty is workshop director.

Junior college officials from Illinois and Missouri, along with staff members of the Illinois Junior College Board, Springfield, will be visiting speakers.

Four quarter hours of graduate credit are being offered.

The role of administrators, faculty and students, along with curriculum and its development, site and plant selection and the future of junior colleges will be discussed. Small group sessions will be held in the afternoon. Two field trips are planned.

Mayor Tells Solons, 'No More Agendas—Waste of Time'

"No more agendas," Mayor Partney told Granite City council members Monday night, as the aldermen again chose to ignore it and conduct all business under the "new, old and unfinished business" headings.

"It's a waste of time and money to turn them out," the mayor stated. He made the announcement after Alderman Paulos was critical that he had now received his copy of the weekly bill list in time to study it over the weekend.

During Monday night's meeting, the council started off following the agenda with the reading of communications listed.

Then the "routine" of the last 10 weeks began. Mayor Partney called upon Alderman Rutledge (the mayor's selection for Finance committee chairman) to make his report.

In the past few weeks, aldermen immediately at this point would call for a suspension in the agenda procedure to eliminate all committee reports.

Things Looked Up
For a moment it appeared a moratorium had been called on the mayor-council feud over committee appointments. But—as Rutledge presented the \$25,411 bill list for approval, the council voted it down 4-to-9. The \$46,364 payroll for the last half of July was voted down 4-to-9 and the \$1695 sick leave payments for the last half of June and first half of July also were voted down 4-to-9.

The lapse of vote was, for the payroll, Rutledge, Fry and Jarrett. Against approval were Dallas Moerlein, Boyd Paulos, Green, Basarich, Parnley, Robertson and Johnson.

Aldermen Bartoski and Nonn were absent for the meeting, while Davies arrived after the Finance committee votes. Whitmer was out of the council room during the bill list vote, helping Police Chief Veizer in his attempt to restart a bulky air-conditioning unit. He returned in time to vote for the payroll and sick leave.

Routine Report
Whitmer then called for the suspension of agenda procedure, and proceeded to present bids for repairs to a police car that had been damaged when struck earlier Monday. The contract was awarded to Andy's and Johnny's Auto Body Shop on a low bid of \$135. Other bids were \$154 for Rich's shop, \$169 by Abels' and \$219 by Bill's shop.

Moerlein submitted the motion for payment of the bills. It was unanimously approved. So were the payroll and sick leave payments.

When Rutledge had initially presented the bill list, his companion Fourth Ward Alderman Green called for separation of the item for payment to General Contracting Co. for sanitary sewer construction, complaining of street and alley conditions in North Granite, Green

had successfully called for a similar separation last week. **Dispute Over Bill**
The payment on the new bill list was \$16,441. Rutledge pointed out that even when the payment, about \$9000 still would be due the contractor, which should cover such costs.

Green answered, "The contract calls for the streets to be put back in the original condition," and he again brought out that one auto owner had ruptured the gas tank on his car and another had knocked out the transmission.

Mayor Partney suggested the council first hear from the city's project engineer, stressing that the council had issued an order last week that the contractor be present for the next meeting.

The engineer explained the contractor has 60 days in which to complete street work and that workmen had been hampered because of heavy rain and heavy concrete trucks running over the streets. He added that Circle drive was about due to be repaired, and that he did not feel it was proper to withhold the payment.

Had Removed Barricade
A representative of General Contracting Co., Miss Grace Costello, was in the audience and pointed out to Green that the motorist who had ripped out the transmission of his auto had removed a barricade to drive over a street. "That's how that happened," she told the aldermen.

Street Supt. Warfield requested a meeting with the contractor, aldermen of the ward, the engineer and the mayor "before any street work is done."

While Green wanted the street

work done before Friday, the time for the meeting to go over the type of work to be done was set for 9 a.m. Saturday. Later, Mayor Partney announced another 30-day appointment of Edward Juneau of the local engineering firm of Sheppard, Morgan & Schwarz as public engineer from July 30 to Aug. 28.

Moerlein "rose to a point of order." He said the mayor could make 30-day appointments only if the council voted down the appointment.

Mayor Partney informed him, necessary.

"You're wrong. That's not necessary." In adopting a budget later in the meeting, the council did not include any funds for payment for engineering services.

Great River Road Work Moves into Area

Clair avenue in East St. Louis at Interstate 70-55.

Delay in building further segments of the highway are threatened, however, by a federal freeze on grants for highway work because of high labor costs in the Madison-St. Clair county area and because of federal complaints that an insufficient number of Negroes are being hired on highway jobs.

The freeze order effects all jobs which would partially be built with federal monies. Several projects scheduled in yesterday's bid letting at Springfield were dropped from the July bid call because of the federal order.

Bid Call Dropped
Among these was a bid call for a four-mile section of the Great River Road from Ridge avenue in Alton to Ferguson

avenue in Wood River, calling for about \$11 million in grading and drainage work.

Robert Kronst, district highway engineer at French Village, said that if the federal freeze is lifted by November, only effect on the Madison-St. Clair county area will be a four-month delay in the area's highway program without loss of highway revenue.

But if it extends beyond November, Kronst said, money that ordinarily would have been allotted to projects in this area would go to other sections of the state and could not be regained in later appropriations.

The highway department makes up its annual work schedule in November and December. The freeze order on federal funds does not effect any other part of the state outside Madison and St. Clair counties.

Twin Daughters Born To Mr. & Mrs. Andrews

Mr. and Mrs. Robert C. Andrews, 328 Lindenwood avenue, Alton, former Granite City residents, are announcing the birth of twin daughters at Alton Memorial Hospital on Tuesday, July 23.

The twins weighed six pounds, two ounces, and six pounds, seven ounces, and have been named, Lisa Rose and Laura Louise.

They have a two-year-old brother, Kenton Charles. Mrs. Andrews, the former Barbara Rhorer of Washington, Pa. The paternal grandparents are Mr. and Mrs. Robert L. Andrews, 2412 Cent street.

Mr. Andrews, the father of the new arrivals is an electrical journeyman at McDonnell-Douglas Corp., St. Louis and his wife, formerly taught the second grade at the Eunice Smith school in Alton.

Four Cars Damaged

Four cars were damaged in Venice at 3:40 a.m. yesterday when an auto driven by George J. Moore of Springfield, Ill. struck two parked cars and knocked one of them into still another. Venice police reported that Moore, driving east, sideswiped the parked auto of Henry Robinson, 1012 Douglas street, which was parked in front of Robinson's home. The impact threw Moore's car into another parked car, owned by Medora Garrett, 1011 Douglas street, which was knocked into another parked auto, owned by Jerry Watkins of Brooklyn.

Terry Greathouse Promoted in Vietnam

Terry A. Greathouse, son of Mr. and Mrs. David C. Greathouse, 1922 Benton street, was promoted to Army Specialist. Four months while serving with the 4th Infantry Division, near Pleiku, Vietnam.

A rifleman in Company D, 1st Battalion of the division's 14th Infantry, Spc4 Greathouse entered the Army in July 1967. He completed his basic training at Fort Leachwood, Mo. and arrived in Vietnam in January 1968.

The 26-year-old soldier is a 1966 graduate of Granite City high school and was employed by the East St. Louis & Interurban Water Co. prior to entering the Army.

Eagles Auxiliary Initiates Member

The Auxiliary of Eagles Aerie 1128 assembled at the Eagles hall for a semi-monthly meeting Tuesday evening, called to order by president, Mrs. Helen Lipchik. Reports were given by the secretary, Mrs. Eleanor Hadley, treasurer, Mrs. Leona Delaney, and visiting chairman, Mrs. Norma Hemken.

Plans were made for a combination District Eight meeting and for "state officers' day" Feb. 23. Honored guests will be the state president, Mrs. Vera Dailey, and several other state officers.

Tentative plans were made to hold a pot luck dinner monthly for the Aerie and Auxiliary members. The Eagles' kitchen band will provide the entertainment.

An initiation ceremony was conducted for a new member, Mrs. Marie Verbyck. Ritual officers were: junior past president, Mrs. Florida Batson; president, Mrs. Marge Hall; vice-president, Mrs. Helen Frazier; chaplain, Mrs. Lipchik; and conductor, Mrs. Ann Knapik.

A social hour was held and prizes were awarded to Mrs. Verbyck, white elephant prize and Mrs. Katherine Obucina, special prize.

Refreshments were served by the hostesses for the evening, Mesdames Mildred Shifter, Obucina, Elsie Banaszak and Alta Yurko, from a table adorned with a centerpiece of orange and yellow fall flowers. The same color theme was carried out on individual tables. About 50 members were in attendance.

The next meeting will be Aug. 13 at the hall.

Vietnam Program For Auxiliary

The regular monthly meeting of St. Elizabeth Hospital Auxiliary was held in the hospital library Monday evening.

Current topics were discussed with Mrs. Helen Bergfeld, president, in charge the program consisting of colored slides taken by Sp/4 John Chomko during his tour of duty in Vietnam and shown by his mother, Mrs. Margie Norwood. Sp/4 Chomko has been awarded the Silver Star for action in Vietnam.

Games were played and refreshments were served in the coffee shop by Mrs. Mary Opich, Mrs. Elizabeth Kelly, Mrs. Catherine Pisel, Mrs. Isabel Ybarra and Mrs. Lorraine Thebeau to 20 members of the group.

Job's Daughters Honor Parents and Guardians

Miss Cynthia Todoroff, honored queen of Bethel 43, International Order of Job's Daughters, presided at a semi-monthly meeting at the Masonic Temple Tuesday evening.

The meeting was termed "Mom and Dad's night" to honor the girls' parents. Those escorted, introduced and given honors were Mrs. Dorothy Beck, past honored queen; Mrs. Muriel Kratz, past honored queen and promoter of Sociability; Mrs. Lida Theis, past grand guardian of Illinois and a past Bethel guardian of Bethel 43; Dr. E. H. Theis, associate guardian; and Mrs. Nell Baskette, Bethel guardian.

Mr. and Mrs. Nick Todoroff Jr. were honored guests. Mrs. Todoroff is a past honored queen and Director of Epochs. During a business meeting, final plans were made for a car wash to be held Saturday from 8 a.m. to 5 p.m. at Grady's Standard service station, Fehling and Nameoki roads, and at Roman's Standard service station, Niedringhaus and Madison avenues.

The group also made plans to attend a swimming party at the Paddlers pool July 31 from 7:30 p.m. to 10 p.m. The members will attend a television show in St. Louis on Aug. 14, leaving the Masonic Temple at 9:30 a.m.

Another of their summer soirees will be given at the home of the St. Louis Municipal Opera production of "The Sound of Music" on Aug. 29.

Plans were announced for members to attend the wedding of Miss Lynda Teller, a past honored queen, July 27 at 7:30 p.m. at the Nameoki United Methodist Church.

Mrs. Bonnie Sullivan, president of the Mothers' club, announced the next meeting will be held at the temple Aug. 13 at 9:30 a.m.

Miss Ranft Is Honoree

Miss Janet Ranft, a September bride-to-be, was complete at a miscellaneous shower and 12-30 luncheon this week by Miss Jayne Dulgieroff, Mrs. D. S. (Jennifer) Moore, and Miss Lillian Ranft at the Dulgieroff home, 3927 Franklin avenue.

The hostesses will be members of the wedding party of Miss Ranft and Walter J. Wood on Sept. 6 at St. John United Church of Christ on Nameoki road.

A color scheme of pink and white was used and the gift table was covered with a white and pink net cloth. Pink candles and painted daisies decorated the luncheon tables.

Those present were Misses Katie Kaseberg, Sharon Resder, Marcia Barnett, Mary Berocky, Kathy Jung, Cheryl Gilmore, Barbara Zimmer, Claudia Thompson, Sara Rivenbaugh, all of Granite City, Miss Carol Benson of St. Louis, Miss Karen Elser, Pine Lawn, Mo., Mrs. James Wood, Ladue, Mo., Mrs. Carl Ranft, mother of the bride-to-be, and Mrs. Virgil Dulgieroff.

Another recent party honoring Miss Ranft was a surprise shower before the close of classes at Central Methodist College in Fayette, Mo., where she was a student. It was given by fellow classmates in Holt Hall.

Miss Janet Ranft, a September bride-to-be, was complete at a miscellaneous shower and 12-30 luncheon this week by Miss Jayne Dulgieroff, Mrs. D. S. (Jennifer) Moore, and Miss Lillian Ranft at the Dulgieroff home, 3927 Franklin avenue.

6:30 p.m.

The pro tem librarian, Becky Stone, gave a reading entitled "In Tribute to Our Mothers and Dads." The reading was prepared by the regular librarian, Lina Dahlhaus.

Birthday observations included those of Mrs. Kratz, Mrs. Betty Ebrecht, Deby Baker, Jackie Ross, Marvene Moshle, Barb Bartels and Nick Todoroff Jr. Parents attending and introduced were Mr. and Mrs. Glen Beck, Mr. and Mrs. Oliver Jacobsmeier, Mr. and Mrs. Gus Christich, Mr. and Mrs. Harold Carver, and Mrs. Chester Baker. Mr. and Mrs. James Fritz, Mrs. Bonnie Sullivan, Mrs. Betty Bartels, Mrs. Kratz, Mrs. Jo Ross, Mrs. Ebrecht, Mrs. Pat Emring, Mrs. Caroline Ledbetter, Mr. and Mrs. Edward Gilliam, Mrs. E. Manson, Robert Stone and Max Clinard, past master of Emmet Lodge.

Executive and associate Bethel Council members were installed by Mrs. Lida Theis. They are Mrs. Nell Baskette, Bethel guardian; Dr. E. H. Theis, associate guardian; Mrs. Bonnie Sullivan, guardian secretary; Mrs. Helen Christich, guardian treasurer; Mrs. Muriel Kratz, sociability; Mrs. Jean Carver, custodian of paraphernalia; and Mrs. Eleanor Todoroff, epochs.

Refreshments were served in the dining room to approximately 75 members and guests by the Mothers' club. The tables were appropriately decorated. Each mother received a flower corsage and the fathers received boutonnieres.

At the next meeting, Aug. 13, the theme is to be "Surprise." In closing the meeting, remarks were given by Mrs. Theis, Mrs. Baskette, Dr. Theis, Mrs. Todoroff and Miss Todoroff.

MR. ALBERS ATTENDS SORORITY CONVENTION

Mrs. Joyce Albers, 3119 Yale drive, a member of the Alpha Xi Chapter of Epsilon Sigma Alpha, attended the organization's International Council convention in New Orleans, La., that ended this week.

The 20th annual convention, using the theme "Mardi Gras in July," was attended by 1600 delegates.

Epsilon Sigma Alpha one of the largest international women's organizations in the world now has 40,000 members in more than 1600 chapters.

Mrs. Albers was elected to a three-year term as trustee of the ESA Home Foundation and will serve one year as secretary.

Southern Illinois University has had teacher education training teams in South Vietnam for six years.

VOYAGERS TO CANADA-BERMUDA, Mr. and Mrs. Walter Klein, 3408 Terton lane, on the deck of the luxury flagship, "T. S. Hanseatic" just before sailing from New York harbor bound for a two week Gaspe Bay, Canada and Bermuda Cruise. Klein is principal of Prather junior high school.

MR. AND MRS. EDWARD E. WILSON JR., who were married recently at Nameoki Presbyterian Church. The bride is the former Patricia Ann Morrison, a daughter of Mr. and Mrs. Victor Morrison Jr., 4120 Melrose avenue.

CRADLE SHOWER FOR MRS. BENNETT

Mrs. Beverly Bennett, Miss Gloria Jean Bennett and Miss Claudia Bennett were hostesses at a surprise cradle shower for Mrs. Gloria Bennett this week.

Guests attending were Mrs. Elaine Thompson, Miss Nancy Thompson, Mrs. Widel and sons, Mrs. Rose Nemeth, Mrs. Faye Bennett, Mrs. Gary York and children, Mrs. Bertha Wasyiak and daughter, Rose Marie, Mrs. Wasyiak, Mrs. Velma Christian, Mrs. Juanita Barnes, Glen and Tony Bennett and Norman Bennett Jr. Games were played and several prizes were awarded.

Refreshments were served to those mentioned and gifts were received from a number of invited guests unable to attend the shower.

VACATION IN SOUTH

Mr. and Mrs. Richard McKee, with their daughters, Debra and Denise, 2210 Hodges avenue have just returned from a fortnight's vacation. While touring the southern states they stopped for a few days in Alabama to visit Mrs. McKee's brother and sister-in-law, Mr. and Mrs. Gerald Riess and their children, and were joined for the last few days of the vacation in Eminence, Mo., by Mr. and Mrs. John McKee and their son, Terry, former Granite Cityans who are living in Iberia, Mo. since Mr. McKee's retirement.

VOYAGERS TO CANADA-BERMUDA, Mr. and Mrs. Walter Klein, 3408 Terton lane, on the deck of the luxury flagship, "T. S. Hanseatic" just before sailing from New York harbor bound for a two week Gaspe Bay, Canada and Bermuda Cruise. Klein is principal of Prather junior high school.

Moose Women Plan Events

A business meeting of the Women of the Moose, Chapter 297, was held last night with 20 members present.

Announcement was made at the meeting by Mrs. Edith Rodgers, senior regent, of her committee member appointments. They are Mrs. Alice Knapik, publicity; Mrs. Norma Honyer, Mooseheart; Mrs. Mary Hancock, library; Mrs. Virgil Spanberger, social service; Mrs. Ruth Snyder, childcare; Mrs. Lucille Crafton, hospital.

Mrs. Betty Waugh, home-making; Mrs. Edna Shans, Moosehaven; Mrs. Mildred Cotupal, Academy of Friendship; Mrs. Beverly Lee, membership; Mrs. Gladys Markovich, College of Regents; Mrs. Iris Chastain, entertainment; Mrs. H. E. Maxfield, ritual; and Mrs. Jay Kahn, assistant ritual chairman.

Plans were made for the year book in celebration of the golden anniversary year of the local chapter and other special events for the year were discussed. They include the Convocation Oct. 27; the Queen of Hearts Ball, Feb. 16, 1969; mid-winter conference March 2, 1969; and an Academy of Friendship session May 4, 1969.

The chapter will serve the Roca dinner on the nights of Aug. 8-9 and 10; and the senior regent reminded officers and chairman of a joint meeting with the men's lodge scheduled for next Monday at 8 p.m.

Prizes in the games were won by the senior regent and Mrs. Esther Peterson. The next meeting will be Officers Chapter Night Aug. 14 at 8 o'clock.

BRADISH WEDDING TO BE HELD AUG. 3

Due to a misunderstanding in dates, the wedding of Miss Carol Ann Bradish, a daughter of Mr. and Mrs. Joe Bradish of Collinsville, and Jerry William Kurth, whose parents are Mr. and Mrs. J. Charles Kurth of Plainfield, Ill., was reported as having taken place Saturday in Plainfield. Instead the ceremony will be solemnized Aug. 3 at the Evangelical United Brethren Church in Plainfield.

A reception in the church annex will follow the 1:30 p.m. ceremony. The Bradish family formerly resided in Granite City.

"We Reserve the Right to Limit"

"SAY THERE LADY" Did Your Husband Inherit His Money or Does He Work For It...?"

The way we see some women paying from five to ten per cent more for food than our prices you'd think money was going out of style. All markets advertise a few specials in large type but check the small print in our ads against what you are paying and really save on everything.

Oh sure! We know of several merchants who charge less for beef than we do BUT not choice or prime. But take items of National reputation, check our prices and you'll find that you save plenty of that great useful item, money.

Home Notes

By Mrs. Catherine R. Mauck
Madison County Home Adviser,
Home Economics Extension
University of Illinois

Jelly Making

For success with jelly, choose a recipe from a source you can rely upon, and follow it carefully. Use standard measuring cups and spoons, and time cooking accurately.

Using the right equipment is important for success with jelly, jam, preserves and conserves. If you make these foods frequently you'll want to go over the list below and make sure you have the equipment needed.

1. An 8 to 10 quart kettle with a broad flat bottom is needed for head room for foam which rises as jelly is cooked. Otherwise boil over occurs. Of course you can make half a batch and use a 4 quart saucepan, but this slows down the process.

2. For extracting fruit juice from jellies, use a fruit press or a jelly bag made of firm unbleached muslin, cotton flannel with napped side in, or several thicknesses of closely woven cheesecloth.

3. For the clearest jelly put the cooked fruit in a jelly bag and let it drip without squeezing the bag (which is slow). If you squeeze the bag or use a fruit press strain the juice through a jelly bag that has been dampened, and do not squeeze.

4. The "sweep" hand of an electric clock, or a clock or watch with a "second" hand is helpful for accurate timing of short cooking process used for

products made with added pectin.

5. A household scale is handy for determining the amount of fruit to prepare.

6. A jelly, candy or deep-fat thermometer is an aid in making fruit product without added pectin.

7. Other equipment needed and generally found in most kitchens includes: standard measures, quarts, cups, spoons, paring knives, food grinder or chopper, mixer, reamer, grater, bowls, wire basket, collander, long handled spoon and ladle.

Grandchild's Visit Pleasant

Visiting a grandchild can be the most delightful experience of a young child's life. But grandmother can expect the child to experience moments of loneliness and possible homesickness.

Sounds, flavors and odors may differ from those to which a child is accustomed at home. Time schedules also may change. Help your young guest understand the reasons for these differences.

The lack of sounds often causes loneliness. The child may become temporarily depressed because he misses the people and things closely associated with the home. He is most likely to have this feeling during the first few hours at grandmother's, when he is tired or hungry, or when night comes.

You can help overcome loneliness by providing "sound" activities, which often include exercise that will keep the child occupied. But you might also teach him the value of quiet moments. Such sounds as creaking branches, crickets and raindrops can seem loud when all else is quiet. If a child is busy listening he won't have time for loneliness.

Local Student Recital Friday at SIU-SW

Marie Mitchell, a voice student at SIU-SW campus, will give her graduate recital on Friday at 8:15 p.m. in the Lovejoy Library auditorium.

From Granite City, the mezzo-soprano will be accompanied at the piano by Kathleen McCalla, a junior music major at SIU, also from Granite City.

Miss Mitchell will sing six songs, by Brahms, a Bach cantata, seven popular Spanish songs by DeFalla, and "Celtic Song Cycle" by Arnold Bax. The recital is open to the public without charge.

The time needed for adjustment will vary with the youngster, depending upon his previous experience with travel from home, his emotional stability and his ability to adjust to different situations.

The child who is genuinely homesick will be physically ill and may have temporary digestive disturbances. The measures applied to loneliness can also be used to conquer homesickness.

Encourage a child to "talk it out" to help him get over his homesickness. Other things that will help are talking with somebody from his immediate family, seeing familiar people or things, hearing stories about his parents at a similar age and playing with children his own age.

In any case, let your grandchild know that you understand his problems and assure him that it's no disgrace to feel homesick.

JOINS HOSPITAL STAFF. Ernest E. Veihl Jr., who will be identified with St. Elizabeth Hospital Development fund. With him is Sister Mary Paul, associate administrator (left), and Sister Mary Thomas, administrator.

Home on Leave

From Vietnam Area
ATR2 Lloyd Summers, son of Mr. and Mrs. Thomas Summers of Rural Route Two, who has been serving aboard the aircraft carrier USS Enterprise in the Gulf of Tonkin, is home on a 21-day leave. He was to have arrived in September but surprised his family instead by arriving earlier.

At the expiration of his leave he will return to his assignment in Albany, Ga.

Veihl Joins Staff for Hospital Development

Ernest E. Veihl Jr., 3044 Yale drive, has joined the staff of St. Elizabeth Hospital and will be identified with the hospital's Development fund.

He was formerly employed by General Steel Industries as manager of foreign sales, retiring from that position last Aug.

He has been active in civic affairs, is a member and past president of both the Tri-City Chamber of Commerce, the Optimist Club and is presently chairman of the Granite City Housing Authority.

State Capitol NEWS

Seedlings to be Available

Seedlings distributed by the Department of Conservation will be available after Sept. 1. Olive, ash, black alder, honey-suckle, cottonwood, dogwood, gum, maple, sycamore, poplar, oak, burch, locust and multiflora hedge rose will be available at \$16 per 1000 plants. Cedar and pine will be \$18 per 1000 and walnut seedlings, \$20 per thousand. Wildlife packets will be \$12 each.

Seedlings from the two state nurseries are sold for less than cost for planting on rural land for conservation or timber production.

Postpone Food Stamp Program

The federal food stamp program scheduled to be extended to 35 northern Illinois counties has been postponed. This does not affect the program in 67 other counties, according to the Department of Public Aid, where food stamp sales will be continued as usual. Further additions are dependent upon release of federal funds.

Offer Camping Guide

Information on camping in Illinois is provided in a new brochure published by the Department of Business and Economic Development in cooperation with the Department of Conservation.

"Illinois Camping Guide" is the state's first comprehensive guide to some 200 state and private camping areas. It also serves as a directory of state parks and recreation and conservation areas.

Copies of the camping guide may be obtained from the Division of Tourism, Department of Business and Economic Development, at either 223 S. College street, Springfield, Ill. 62708 or at Room 808, 30 N. La Salle street, Chicago, Ill. 60602.

Boat Safety

Fire destroyed 10 boats on Illinois waterways last year. This is a significant cause of injury among boaters, according to the Department of Conservation.

To help prevent these tragedies, officials recommend that all compartments should be closed when fueling and the fuel hose nozzle should be grounded to a metal section of the intake line to prevent static electricity sparks.

The compartments should be thoroughly ventilated after fueling. Fuel lines and bilges should be kept clean and every boat should carry extra fuel in proper containers.

Casework Study

The sixth annual summer training program for junior and senior college students in under-graduate studies is under way. The six-week program under direction of the Department of Public Aid.

Trainees will learn to perform many of the duties of a caseworker. The program serves as a means of recruiting trainees as social workers for the department.

GC Within 18 Of Completing Teaching Staff

Granite City school district faculty vacancies were reduced to 18 Monday night with the hiring of 15 instructors.

New Granite City high school teachers will include Ted Anthony Dunn, Alton, Penn. State, 1962, with two years of experience, physical education and physical education; Mrs. Jane Ann Isenburt, Normal, Ill., Illinois State University, 1962, with two years of experience, English; and Harold W. Price, Oblong, Ill., Greenville College bachelor degree and three years, physical education and driver education.

Central junior high school staff members will include Miss Charlotte Ann Seibert, Nashville, Ill., 1968 Southern Illinois University bachelor degree mathematics; Bruce Alan Thomas, Collinsville, 1968, Illinois Wesleyan bachelor degree, physical education; and Stephen E. Isenburt, Normal, Ill., 1968 Illinois State bachelor degree, "block of time" (English and social studies).

Joining the faculty at new Grady junior high school will be Roy George Bennett, Dexter, Mo., Arkansas State bachelor degree and 13 years of experience, mathematics.

Elementary Teachers

Elementary teachers as yet unassigned include Mrs. Susan W. VanBenthuysen, 3605 Galt, Walnut, SIU bachelor degree and five years, and Mrs. Patricia Grace Wirtjes, Collinsville, 1968, SIU bachelor degree and four years of teaching. Mrs. Ruth Imogene Forrest, Anna, Ill., SIU bachelor degree and seven years, will teach a first grade class not yet selected.

HOME FROM ARKANSAS

Mr. and Mrs. Ed Gray, 1227 Robin street, and Mr. and Mrs. Dominic Scaturo, 1229 Robin street, returned Sunday from a trip to Cherokee Village and Hot Springs, Ark.

The vacationers were gone about one week.

MRS. BONE HONORED

A meeting of the Yak Yak club was held Monday evening at the home of Mrs. Kate Dryden.

The birthday of Mrs. Estella Bone was celebrated as she received a gift from the members.

Games were played and prizes were awarded to Mrs. Estella Bone and Margaret Stover.

After the games, refreshments were served by the hostess to Mesdames Beulah Sizemore, Faye Smith, Helen Moore, Dorothy Scarlett, Helen Annis and Clara Simmons.

Mr. and Mrs. William Eberhard, 804 Third street, returned home Wednesday from a trip to Madison, N.C.

They were accompanied home by their daughter-in-law, Mrs. James Eberhard and daughter, Kim, who had been visiting there with her parents for three weeks.

BOY SCOUT TROOP ONE CAMPERS HONORED

Boy Scouts of Troop One in Venice were honored for their recent accomplishments at camp at a picnic for the scouts and their parents at Lee Park Sunday.

Highlight of the festivities was the awarding of merit

South Venice

MRS. CHARLOTTE BILBREY

BIRTHDAY PARTY

FOR NICK MODRUSIC
Nick Modrusic, 1244 Oriole street, celebrated his 33rd birthday Sunday with a surprise birthday party.

A buffet supper was served to Mr. and Mrs. Harold Buechele, Mrs. Jane Buechele, Mrs. Angie Udell, Mrs. Delores Bryer and daughters, Jackie and Joann, and George Mangi, all of Venice, Mrs. Mary Modrusic, Tony Modrusic, Mr. and Mrs. Nick Modrusic, Mr. and Mrs. Bill McMurry and son, Billy, of Madison and Mr. and Mrs. Jerry Modrusic and children, Lori Ann and Jerry, of Granite City.

VENTIAN CLUB MEETS

The Venetian Tops club met Monday evening at the Venice library. Mrs. Jeannette Woodrum, leader, called the group to order, with the members repeating the Tops pledge and the pledge to the flag.

Roll call was taken by Mrs. Mary Fansler, weight recorder, and members answered with the week's gains and losses.

Mrs. Eileen Robinson was crowned queen of the week.

The members voted to have free-will donations to further the club's scholarship fund. The club is open for new members, and those interested may contact Mrs. Jeannette Woodrum at 451-0959. Visitors may come to one meeting as a guest.

Other present were Mesdames Donna Kagy, Shirley Watson, Lora Hollis, Ann Welch, Rosann Bergerader, Annette Ahrens, Norma Raines, Earline Cook, Mary Walsh, Virginia Cochran, Shirley Luffman, Carol Williams, Ruth Burlingame, Bernice Komosa and Lisa Bauer and Miss Evie Ritz.

Recognition was given to four scouts who were elected to the Order of the Arrow by fellow scouts for their abilities as leaders and all-around campers.

Scouts joining the honor camp society were Duane George, Mike George, Michael Dixon and Tommy Hooks.

Also elected to the Order of the Arrow were Jack Tolliver, chairman of the troop committee, and Don Phillips, representative of the Venice Lions Club, which sponsored Troop One.

After the presentation ceremonies, short talks were given by Ruff, Ruffus Ochso, Tolliver, and Phillips.

Following this was a game of volleyball between the parents and the scouts, ending in an overwhelming defeat for the parents.

Others attending were Mr. and Mrs. Harlan Hooks and sons, Tommy and Ricky, and Mrs. Jack Tolliver and sons, Tommy, Jeffrey, Danny, Dicky and Maryann, Mr. and Mrs. Charles Bilbrey and children, Rosemary, Michael and John, Mr. and Mrs. Alfred Pace and sons, Russell and Frankie, Mr. and Mrs. Ted George and sons, Duane and Dale, Mr. and Mrs. Bernard Dixon and sons, Michael and Bob, and Mr. and Mrs. Fred Stump and daughter, Christine.

ANNUAL BAZAAR AT ST. MARK'S TO OPEN

St. Mark's Catholic Church, Sixth street and Lincoln avenue, will hold its annual bazaar from tomorrow through Sunday.

The three-day event will feature a fish fry on Friday, a barbecue on Saturday and a chicken dinner on Sunday.

In addition, there will be rides, games and refreshments.

2 Local Girls Enroll At Wm. Woods College

Miss Christie Dufner, a daughter of Mr. and Mrs. Nicholas Neumayer, 2802 Cleveland blvd., and Miss Deborah Byers, daughter of Dr. and Mrs. Byers, 5214 Princeton drive, will begin classes in September at William Woods College, Fulton, Mo.

Both young girls graduated from the local high school June 1968. Miss Dufner was a member of the Tri-Hi Club while Miss Byers belonged to the GAA, the German Club and cheerleader.

William Woods, a four-year liberal arts college for women with an enrollment of 750, is starting its 99th year. The college has a cooperative program with Westminster College, a men's liberal arts college, also in Fulton, Mo.

Under the program, students from either college may take courses at the other college as the colleges share classes, programs, academic facilities and social programs.

Fire at Nesco Plant

Firemen were called to the Nesco Plant, Barrett plant at 3:50 p.m. Tuesday as old lumber caught fire. It was out in about 15 minutes and no damage was listed.

badges to scouts who recently returned from a week of camping at Camp Sunnen near Peoria, Ill.

The presentation was made by the scoutmaster, Fred Rumpf, to Michael Dixon, Michael Bilbrey and Dale George, each for camping, cooking, canoeing and swimming; and Tommy Hooks, for swimming and camping.

Second-class scouting badges were presented to Jeff Tolliver and Michael George. Merit badges newly earned totaled 23.

BRIDAL SHOWER HONORS

MISS LINDA LEE KRPAN
Miss Linda Lee Krpan, daughter of Mr. and Mrs. George J. Krpan, was honored with a miscellaneous bridal shower Sunday afternoon at the DAV hall in Granite City.

Miss Krpan will become the bride of Gerald F. Rock on Aug. 24.
The shower was given by Mrs. Lee Krpan, mother of the prospective bride. Assisting Mrs. Krpan were her sisters, Mrs. Ann Gorman, Mrs. Theresa Carnahan and Mrs. Helen Withers.

Centered on the gift table was an elaborate white umbrella adorned with ribbons and tiny lilies-of-the-valley. Rice packets of deep rose petals were placed on the guest tables, which held several vases of white roses.

The bride-to-be was assisted in opening her many gifts by her bridesmaids, Misses Kathy and Debbie Krpan, sisters of the bride, Miss Susan Poznanski, Miss Sharon Butten and Miss Diane Henderson.

Games were played and prizes were awarded to each winner. Following the games, a luncheon was served.

Those attending were: Mrs. Violet Dobrowski, Mrs. Anna Krpan, Mrs. Marian Krpan, Mrs. Emma A. Kudek, Mrs. Mary Strel, Mrs. Betty Janish, Mrs. Adele Hemken, Mrs. Laverne Parker, Mrs. Norma Rock, Mrs. Norma Hemken, Mrs. Louise Schneider, Mrs. Ruth Henderson.

Mrs. Helen Dobrowski, Mrs. Frances Ostrega, Mrs. Anna Kowalczyk, Miss Celi Kowalczyk, Mrs. Regina Kowalczyk, Mrs. Theresa Kowalczyk, Mrs. Lucy Krawiecki, Mrs. Theresa Gula.

Mrs. Vera Sikora, Mrs. Fannie Malon, Mrs. Mary Tanase, Mrs. Mary Mehelic, Mrs. Mary Poznanski, Mrs. K. Jackovich, Mrs. Garofoli, Mrs. Bill Heffner, Mrs. Irene Heffner, Mrs. Helen Miller, Mrs. Dorothy Hughes, Mrs. Dorothy Best, Mrs. Winnie Kelly.

Mrs. Ruth Cooper, Mrs. Jessie Grievus, Mrs. Regina Schurman, Mrs. Susan Burnette, Mrs. Bea Stentzer, Mrs. Ruth Robertson, Mrs. Helen Kube, Mrs. Evelyn McColegan, Mrs. Frances Trott, Mrs. Ann Knopka.

Misses Janet and Michelle Barchesky, Mrs. Ann Bialczak, Mrs. Josephine Kuba, Miss Gloria Kuba, Misses Jane and Joan Sasyk, Mrs. Helen Krakowicki, Mrs. Elia Fluch, Misses Donna and Kathy Wargin and Miss Patty Malon.

Also present were cousins of the bride, Misses Ann and Mary Kay Gorman, Miss Pamela Carnahan, Miss Laurie Withers, Miss Tammy Krpan, Miss Mary Ann Strel and Miss Christine Janish.

The Bachelors club met Monday evening with Mrs. Zelma Hart, with Mrs. Mary Ballentine as hostess. A short business session was held, after which games were played, with prizes awarded to Mrs. Hannah King, Mrs. Effie Cleveland, Mrs. Lorraine Gipson and Mrs. Hart.

Others present were Mrs. Donna Nasalroad, Miss Tammy Nasalroad and Miss Kim Nasalroad. Mrs. Gipson invited the members to her home on July 29.

ST. MARY'S CUBS HOLD BACKYARD COOKOUT

St. Mary's Cub Scout Pack 47 held a backyard cookout at the home of Cubmaster Thomas Gordon, 1721 Rhodes street, Sunday afternoon.

The cubs barbecued hamburgers for their parents after having participated in summertime "Olympics" held at the Rhodes street playground.

Mark Ryterski was welcomed as a new member of the pack. He received his bobcat pin in a brief ceremony.

Other summer activities held this summer have included a trip to the St. Louis zoo, a tour of the Press-Record, a treasure hunt and a picnic at Wilson Park.

Additional activities will take place during the remainder of the vacation period.

Cub scouts present were Mark Liszewski, Richard Tutka, War-

SALARY INCREASE and commendation certificate being received by Mrs. Ruth A. Tedesco, 1416 Washington avenue, from Maj. Gen. John J. Lane, commander MTMTS, Washington, D. C., in a recent ceremony in St. Louis. Mrs. Tedesco was recognized "for her exemplary performance of duty as administrative specialist in the general freight division at the St. Louis Field Office—Eastern Area, Military Traffic Management and Terminal Service."

22nd-Cleveland Accident
The right side of an auto driven by Walter E. Gasparovic sr., 2252 Adams street, attempting to cross Cleveland blvd. at 22nd street, was struck by another driven by Morris F. Coburn, 2452 Cleveland blvd., at 7:10 a.m. Wednesday.

Parents attending were Mrs. Mary Ryterski and children, Mrs. Joseph Liszewski and children, Mr. and Mrs. Fred Pregel and children, Bill Tutka and children, Mr. and Mrs. Robert Pearce and son, Mr. and Mrs. Thomas Gordon and children and Mr. and Mrs. Aloysie Ruesing and children.

MISS HUCKLA HONORED AT BRIDAL SHOWER
Miss Kathleen Huckla, daughter of Mr. and Mrs. Vincent Huckla, 1816 Edwardsville road, was honored with a bridal shower Sunday afternoon.

Relatives and friends arrived at the Polish Hall in Madison with useful gifts for the bride-to-be. The shower was given by Miss Susan Kaman, who will be the maid of honor, and Miss Donna Julien, who will be bridesmaid.

Aqua and white were used throughout the hall and table arrangements; these are the colors to be used at the wedding.

Nut cups of aqua net and lilies of the valley, filled with candy mints, were at each place setting. A sprinkling can decorated in the wedding colors was centered over the gift table.

Games were played after the brides opened her gifts with the assistance of those giving the shower and Miss Cheryl Thomas of Detroit, Mich., a junior bridesmaid.

Those in attendance were Mesdames Louise Stefanoff, grandmother of the bride-to-be, mother of the bride, Mrs. Stella Scott, Dorothy Kaman, William Buzewski, Stephen Kowalski, Helen Lupa, Shari Fiedler, Helen Huckla, Polly Tutka, Anita Huckla, Mary Dulatt, Cecelia Lopez, Dalphine Tutka, Vivian Bezan, Margaret Czaplak and Julia Chohan and Misses Leona Kowalski, Mary Jeanne Kowalski, Cindy Buzewski, Ann Huckla, Arline Lupa, Linda Lupa, Margaret Karpowicz, Terry Salas, Marjorie Dulatt, Ruth Stoyanoff, Virginia Feldpausch, Judy Feldworth, Pat Havranek and Vivian Bezan.

Miss Huckla will be married Aug. 31 at St. Mary's Church.

BRIDAL SHOWER FOR MISS CHERYL SMITH
Miss Cheryl Smith was guest of honor at a bridal shower given by her aunts, Mrs. Linda Draper, Mrs. Deloris Draper, Mrs. Glenda Chrisman and Mrs. Colleen Krueger, Monday evening at the United Methodist Church of Madison.

Wedding bells and bridal decorations were used for the event. Miss Smith will become Mrs. Robert Pyle on Aug. 17.

Games were played and Miss Smith opened her many gifts for those attending to view.

Lunch was served by the hostesses to Mrs. Virginia Vandermark, Mrs. Estella McBrien, Mrs. Erma Graves, Mrs. Kathryn Pomeroy, Mrs. Betty Rutkowski, Mrs. Kathryn Krueger, Mrs. Johanna Colletti, Mrs. Esther Draper, Mrs. Cornelia Hommert.

Mrs. Donna Townzen, Mrs. Elaine Chamberlain, Mrs. Irma Stewart, Mrs. Alta Stewart, Mrs. Louise Anderson, Mrs. Eva Clemens, Mrs. Jene Lybarger, Mrs. Betty Lou Hites, Mrs. Elmer Stagner.

Mrs. Jo Krause, Mollie

Krause, Sandy Hickman, Tamara Murdock, Angie Brown, Mary Jane Nichols, Joan Duke, Elizabeth Briggs, Lucille Mossa, Violet Monahan, Lu Pyle, Doris Smith, Bea Pyle, Virginia Pyle, Sandra Smith, Kathy Brown, Diane Chrisman and Marian Hommert.

CANASTA CLUB DINNER
Canasta was played following a dinner held at the Rose Bowl Monday evening by members of the Canasta club and a guest, Mrs. RoseAnn Golub of Boston.

Mrs. Golub, the daughter of Mr. and Mrs. Frank Ritz, is spending a week visiting at the Ritz home and seeing friends. Those seated for dinner were the guest and Mrs. Ritz, Mrs. Lorene Morris, Mrs. Mabel McGee, Bea Schaffner, Mrs. Marge Purcell and Mrs. Lenna Williams.

Canasta filled the remainder of the evening, with Mrs. Purcell, Mrs. Elsie Caver and Mrs. Morris excelling. The group may attend the Municipal Opera on its August meeting night.

SHIP SHAPE MEETING
Schermer's Civic Center was the scene of a meeting of the ship shape Tops club Tuesday evening. The meeting opened with the pledge of allegiance to the flag and the tops pledge.

Each member was weighed, and penalties were given for gains in the past week. Mrs. Olga Viser was crowned queen of the week.

A picnic for members and their families have been scheduled for Sept. 8. An auction was held, with the bidding done secretly.

Mrs. Helen Townes closed the meeting with prayer. Others present were Mrs. Dorothy Brookshire, Mrs. Elmer Baird, Mrs. Lorraine Gremund, Mrs. Diane Ogle, Mrs. MaryAnn Dall, Mrs. Shirley Fries, Mrs. Shirley Parrish, Mrs. Virgie Bauges, Mrs. Rose Henderson, Mrs. Billie Schuler, Mrs. Yvonne Passig, Mrs. Agnes Slancic, Mrs. Hazel Trott, Mrs. Jackie Gating, Mrs. Juanita Herrington, Mrs. Elizabeth Bucher, Mrs. Patricia Lee, Mrs. Zola Burgess, Mrs. Vilma Lange, Mrs. Frances Delezel and Jackie Gattung.

BIRTHDAY OBSERVANCE

Mrs. Maude Behnmetstiel was honored on her birthday Sunday at a family picnic held at Wilson Park.

Those attending were Mr. and Mrs. Austin Witter, Mrs. Edith Ryan, Mr. and Mrs. Bill Miller and son, Garin, Mrs. Marilyn McKeehan, Mr. and Mrs. Gary San Souci and children, Nicole and Jason, Mr. and Mrs. Robert Harris and sons, David and Paul, Mr. and Mrs. John Ryan Jr. and children, Mark and Pauline, and Mr. and Mrs. Don Law and son.

BRIDGE CLUB WINNERS

Mrs. Helen Meyer, director of the Nameoki Bridge club, was hostess to the club Monday morning in her home, 2832 Yale drive.

First-place honors went to Mrs. Grace Enos and Mrs. Lena Mae Schmaack, second Mrs. Mildred Branding and Sam Meyer and third, Mrs. Lou England and Mrs. Meyer. The club will meet again Monday, July 29, in the home of Mrs. Meyer.

The Granite City Duplicate Bridge club will resume its meeting at 6:45 p.m. Sunday, July 28, at the Elks club.

CHANGE MEETING PLACE

Mrs. Helen Cuvor, chairman

KANSAS VACATION

Mrs. Frances Scholcho, 4010 Braden avenue, returned Sunday evening from a two-week vacation trip in Kansas. She was the guest of her parents, Mr. and Mrs. Ray Cowell, in Clay Center and visited in the homes of her brother and sister-in-law, Mr. and Mrs. Gail Cowell, of Concordia and other relatives in Kansas.

While away, she went on several overnight camping and fishing trips to a lake resort near Nebraska. A family dinner was held in her honor before her return here.

BROWNIE SPLASH PARTY

Brownie Troop 899, sponsored by the Webster PTA, met at the home of the leader, Mrs. Valeria Schorffleide, 2618 Sheridan avenue, for a summer fun day. Mrs. Lorraine Grimes assisted the leader.

A flag ceremony was conducted and the members repeated in unison the pledge of allegiance. They sang several Brownie songs.

SIXTH BIRTHDAY OF TAMMY HANFELDER

Tammy Hanfelder was honored Sunday afternoon by her parents, Mr. and Mrs. Bill Hanfelder of Arlington Heights road, with a lawn party in honor of her sixth birthday.

Games were played and prizes were awarded to Tammy Burns and Stephanie Blackburn. Each child present received a gift before going home.

During the party, Tammy was surprised with a pony, a gift from her father. She named the pony "Topsy".

Cake and ice cream were served by Mrs. Hanfelder to the following guests: Debbie Hasty, Jane Ann Mayo, Timmy Burns, Taina Kilponen, Stephanie Blackburn, Rebecca Rawden, Connie Blackburn, Ronnie Dickerson and the honoree and her sister, Tari.

Also in attendance were Mr. and Mrs. Bill Hasty, Mr. and Mrs. Walter Hanfelder, Mrs. Sally Dickerson, Mrs. Patsy Burns and Mrs. Barbara Blackburn.

Later that evening, the family went to dinner, also in honor of Tammy's birthday. She was presented with a birthday cake and a gift, a red patent purse, from the restaurant.

CRADLE SHOWER HONORS MRS. HESTER

Mrs. Faye Hester, 64 Karen drive, was guest of honor Tuesday evening at a cradle shower

given by her aunt, Mrs. Brownie Ricks, and her sister-in-law, Mrs. Betty Carbaugh. The shower was held at the YMCA.

Tables were decorated with runners of pink and blue crepe paper, complemented with pink candles surrounded by tiny blue flowers in brandy snifters. Mint cups were pink and blue dispers pinned with gold safety pins.

The gift table was decorated with pink and blue streamers and bows and was centered with a white wicker cradle filled with baby toys and trimmed in pink and blue flowers and ribbons. Several games were played, with prizes awarded. Special prizes were awarded to Mrs. Karen Evans and Mrs. Mary Haneline.

After the honoree opened gifts, refreshments were served to Mrs. Karen Evans, Mrs. Joyce Warren, Mrs. Bernice Ruesshausen, Mrs. Estelle Ogle, Mrs. Ann Morris, Mrs. Haneline, Mrs. Diana Smith, Mrs. Edna Stagner and daughter, Marsha, Mrs. Jean Harper, Mrs. Agnes Kern, Mrs. Mae Williams, Mrs. Nola Gorrell, Mrs. Maureen Lewallen.

Mrs. Vivian Kozar and Miss Linda Kozar of Holiday Shores, Mrs. Marilyn Marcum and daughter, Robin and Mrs. Ione Starkey of Fosterburg, Mrs. June Ybarra, Mrs. Roberta Arbetter.

Mrs. Dessa Severine and daughter, Jane Ann, Mrs. Judy Chapman, Mrs. Evelyn Burke and daughter, Donna, Mrs. Betty Smith of St. Louis, Mrs. Gregory, the paternal grandmother-to-be.

Mrs. Sandy Ouseley and daughter, Sherri, Mrs. Marian Hamm, Mrs. Loreta Rakowski, Mrs. Donna Schaefer, Mrs. Carol Parker, Mrs. Charlene Pohl.

RETURN FROM SOUTH

Mr. and Mrs. Everett Bull, 2232 East 25th street, returned Monday evening from a vacation trip through Tennessee. They were the guests of their son and daughter-in-law, Dr. and Mrs. William Bull and children of Knoxville. Dr. Bull is a former resident of Granite City.

While there, they were taken on sightseeing tours of various attractions, including the Great Smoky Mountains National Park and Lookout Point.

They were accompanied home by Mrs. grandsons, Larry and Jeffrey Bull, who will visit here for two weeks with their aunt and uncle, Mr. and Mrs. Ralph Chachetta and children, and other local relatives before continuing on to Cairo, Ill. At Cairo they will visit their maternal grandparents, Mr. and Mrs. William Witter.

SOCIETY

ENGAGED. Miss Kathryn Faye Syniski, whose parents, Mr. and Mrs. Frank Gruber, 164 Bend road, are announcing her betrothal to Frank E. Gruber, a son of Mr. and Mrs. Frank T. Gruber of Collinsville.

Miss Syniski Is Engaged

The engagement of Miss Kathryn Faye Syniski and Frank Edward Gruber was announced at a recent party held for the bride-elect at the home of her parents, Mr. and Mrs. Frank Syniski, 164 Bend road, Madison. Mr. Gruber is the son of Mr. and Mrs. Frank T. Gruber, owner of Gruber's Drug store in Washington Park. They reside at 403 Westwood drive, Collinsville.

Miss Syniski was graduated from Madison high school and received her Bachelor of Science degree in Business Administration from Illinois State University, Normal, last June. She was a member of Phi Beta Lambda, social fraternity, and was elected to Pi Omega Pi, honorary business fraternity. Miss Syniski has accepted a teaching position at the Madison junior high school for the fall term.

The prospective groom was graduated from Assumption high school and has completed his undergraduate studies at Washington University, St. Louis, and the University of Illinois in Champaign. He is currently a sophomore at Loyola University School of Dentistry in Chicago and is a member of Beta Theta Pi, social fraternity and Delta Sigma Delta, professional dental fraternity. Wedding plans are indefinite.

MORE ABOUT Underpass

will be reviewed by state highway engineers at Springfield and a decision as to whether or not a contract award will be made should be reached within the next two weeks, according to officials at the Illinois district highway office at French Village.

The city of Venice has been holding in escrow an underpass construction fund of approximately \$500,000, but the actual amount of expenditure by the city will depend upon the best offer received when the city calls bid on its share of the work.

Railroads Involved

In addition the three railroad lines which are now located across Broadway near Main street in Venice, but which will be relocated to cross the top of the underpass structure, will assume responsibility for payment of 14% of the overall project cost or \$180,000, whichever is the smallest. The participating railroads include the

GM&O, the New York Central and Norfolk & Western. Mayor John E. Lee of Venice told the Press-Record yesterday that the city is ready to let a contract for paving of Broadway and the approaches at any time, but that the city will await a decision of the state highway department on the granting or rejection of a contract award based on the bid received Tuesday.

At the French Village district highway office, officials said the contract award for the underpass will depend upon the review of responsibility by the contracting firm submitting the lowest bid and comparison of the bid offer with state highway cost estimates.

Overall construction cost of the underpass project, along with paving and approaches, was estimated at around \$1,250,000 when the project first was considered five years ago. Increases in material and labor costs since have raised the total estimated cost to around \$1.5 million.

May, 1970, Deadline Construction of the underpass along with relocation of Broadway was ordered by the Illinois Commerce Commission in 1965, with completion scheduled in October 1967. Subsequent delays in completion of plans re-

By Press-Record Staff Photographer
SWIMMING IN THE STREET After this morning's rainfall are the three Campen children watched by their older brother. Larry, 7, Barbara Jean, 6, and Billie Jean, 9, reside at 1801 Edison. The three children did variations of the backstroke and floating in the ready-made free pool.

sulted, however, in a revised order calling for completion in May 1970.

The Broadway underpass, when built, will tie in with the Federal Aid Route 151 (The Great River Road) which eventually will be extended through Venice, Brooklyn and into East St. Louis where it will connect at St. Clair avenue with Interstate 70-55.

The underpass project was included on Tuesday's bid call by the state highway department in spite of a recently an-

House Commends Rep. Harris for Public Service

(Special from Springfield)

Lloyd "Curly" Harris, Granite City, retiring after several decades as a state representative, was commended for his long public service in a resolution adopted yesterday by the Illinois House at Springfield.

The resolution had numerous sponsors, the list being headed by Speaker of the House Ralph T. Smith, who did not seek re-election.

Smith, an Alton Republican and native Granite Cityan, paid high tribute to the local Democrat, telling the House, "I've known this gentleman for a long time, and I don't mind telling you that years ago I voted for him."

State Rep. Leland Kennedy, Alton Democrat, commented, "I am sorry that my great friend, 'Curly' Harris, cannot be here personally today to listen to all the good things his friends are saying about him."

Harris, who did not seek re-election due to ill health, was honored at a breakfast attended by state officials here last weekend.

MORE ABOUT Thefts

dio & Television, 1938 State street, it was reported at 4:40 p.m. Wednesday.

Mrs. Carol Lilley, 2825 Hodges avenue, reported at 3:20 p.m. Monday that while she was walking her child along a hall on the fourth floor of St. Elizabeth Hospital, a thief stole \$35 or \$40 from her purse which she had left in a room.

A blue 1964 auto and two buffers valued at \$35 each were stolen in a burglary at the Jiffy Car Wash, 1506 Madison avenue, it was reported at 7:45 a.m. Tuesday. Entry was gained by kicking a lower panel of the front overhead door loose and crawling through. Deeds and clothes at St. Joseph's school and the basement of St. Joseph's Church were ransacked in a burglary reported at 8:15 p.m. Monday. Entry to the school was gained by breaking a window at the top of the fire escape. It was unknown if anything was missing.

A gold diamond ring valued at \$20 was stolen from the home of Dr. Hector Zewail, 44 Terrace lane, about three weeks earlier, he reported at 12:30 p.m. Monday.

A brief case valued at about \$30 was stolen from the living room in a burglary at the home of Nancy Snyder, 1347 Edwardsville road, she reported at 1:10 p.m. Monday. A broken front door window had been covered with paper which was removed to gain entry.

After receiving a report of burglars in the home of James Jeffries, 3228 Carleton avenue, police found that the entire house had been ransacked at 11 p.m. Tuesday. Entry was gained by prying open the back door with a screw driver. It was believed that the burglars were frightened away by the person making the report. Nothing was found to be missing immediately.

An undetermined amount of money in coins was stolen from a cigarette machine in a burglary at Key's confectionery, 1200 Madison avenue, it was reported about 7 a.m. Tuesday. The rear door was forced open to gain entry.

Two portable television sets were stolen in a burglary at the Bellemore Sporting Goods store, 3222 Nameoki road, it was reported at 7:35 a.m. Tuesday. Entry was gained by breaking the front plate glass window with a rock.

Ruby Barker, 3528 Johnson road, reported about noon Monday that a 9x18-foot tent and camping equipment were stolen from her home on July 4.

About \$5 in change and an envelope containing a \$5 bill were stolen from a cash register in a burglary at the Glass Doll, 2300 Nameoki road, it was reported at 8:55 a.m. Tuesday. Entry was gained earlier that day by forcing a west side window.

Six cases of beer were taken from a garage at 8:30 a.m. Friday, July 26, from a two-story apartment building, and placed in an auto parked on the lot. It was reported at 8:45 p.m. Wednesday. Two suspects were taken into custody for questioning but were not charged.

A yellow mini-bike was stolen from the garage at the home of George Sturman, 2434 Edison avenue, he reported at 6:25 a.m. today. The garage door window was broken to gain entry.

Edward Kamm, 3100 East 23rd street, reported at 2:25 p.m. Tuesday that a tray of assorted mechanics tools and a two-way auto radio unit were stolen from his garage during the night. Entry was gained by forcing the rear door.

John O'Neill, Centerville, reported at 4:40 p.m. Monday that his maroon 1965 two-door hardtop auto was stolen from the parking lot at General Steel Industries after 7 a.m. Carroll Anderson, 1951 Maple street, reported at 5 p.m. Monday that a lawn mower was stolen from his yard and a 10-amp charger and 100-foot extension cord were taken from the cab of his truck parked in the yard.

Charles Gromer, 2217 Monroe street, reported at 9:25 p.m. Monday that two teenage boys crawled under a home-made camper and took a double mantle lantern valued at about \$18. The camper has no floor. The boys headed on foot toward 20th street.

Obituaries

MORE ABOUT

BLACKSTONE, MRS. MARY OLIVE, 2225 Delmar avenue, Granite City. Entered into rest, Tuesday, July 23, 1968, at 4 p.m. Jerseyville Community Hospital, Jerseyville, Ill. Beloved husband of Mrs. Virgie Settle; dear father of James E. Settle; dear brother of Mrs. Thelma Mathews, Mrs. Robbie Donley, Mrs. Charlene Griffiths, Mrs. Ruth Harbison and dear grandfathers. Arrangements are incomplete at MERCER MORTUARY, 1416 Niedeck avenue, Granite City.

MORE ABOUT \$50,000 Airport

session ending this week; no entirely new bills could be submitted. State Senator Paul Simon (D-Troy), sponsor of the bill pleaded just before the vote was taken that passage of the measure would do more than anything else to convince the city of St. Louis and the state of Missouri that Illinois is sincere in efforts to establish a second major airport on the Illinois side of the bi-state metropolitan region.

First Serious Step The airport measure was introduced by Senator Simon last week as part of a coordinated state effort announced by Illinois Gov. Samuel H. Shapiro to obtain approval of a site in Madison, St. Clair or Monroe counties by location of any new major airport that might be built in the St. Louis metropolitan region.

Simon told the Senate that "if you pass up this chance you may be passing up the opportunity of Illinois getting this airport."

Principal opposition to the proposal came from Republican forces who complained the bill was being stamped through the General Assembly without appropriate study. They refused to back the measure because they claimed it was a "poor barrel" project started at a time when the state government already has a tight fiscal situation that permits of no unnecessary expenditures.

Amendment Possible

Immediately after the bill was defeated, Senator Simon told news men that an effort would be made to revive the proposal by amending a bill already passed by the House and now in the Senate pertaining to Bi-State Parks Airport at Cahokia.

The appropriation measure was submitted as the first step in a move to establish a major airport in the Illinois area when such an airport eventually is built in the program to meet growing aviation needs.

Assurances of maximum state aid in securing the airport project in the Illinois area and better offered by state officials. Gov. Shapiro has committed himself in favor of the project and Eugene Graves, director of the Illinois Department of Business and Economic Development, and J. A. Wenzel, director of the Illinois Department of Aeronautics, told local leaders in meetings here that the state would be foremost in helping to promote a major airport in this area.

Driver in Accident, Then Strikes Post

Auto driven by Harry Leroy Whitman, 1727 Edison street, and Elvin Goodman, 12574 Wisconsin avenue, collided at 7:30 p.m. Wednesday at 18th and State streets.

At 8:45 p.m. the front and undercarriage of Goodman's car were damaged when the bottom caught on railroad tracks at the Niedeck avenue crossing, causing him to lose control and strike a post.

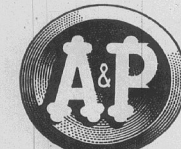

STARK, FRED L., 2459 Adams street, Granite City. Entered into rest 11:30 p.m. Tuesday, July 23, 1968, St. Elizabeth Hospital.

Beloved husband of Mrs. Evelyn Stark; dear father of Velman and Maynard Stark, Mrs. Thelma Moreland; dear brother of Zack, Terry, David, Emerson, Everett and Joseph Stark, Mrs. Florence Abbott, Mrs. Eliza Abbott; dear grandfather, great-grandfather, father-in-law, brother-in-law.

Funeral services 10 a.m. Saturday, July 27, First Assembly of God Church, 24th street and Grand avenue, Interment Sunset Hill Cemetery, Edwardsville township. Friends may call after 6 p.m. Thursday at MERCER MORTUARY, 1416 Niedeck avenue, Granite City.

STOYANOFF, RISTO (CHRIST), Madison County Nursing Home, Edwardsville, Ill. Entered into rest Monday, July 22, 1968, 10:45 p.m. at the nursing home.

Dear father. Funeral services held Wednesday, July 24, at 2 p.m. MERCER MORTUARY Chapel, 1416 Niedeck avenue, Interment St. John's Cemetery, 2901 Nameoki road.

Bill Passed for Bi-State Airport Land Purchase

Legislation appropriating \$225,000 for purchase of 133 acres of land for Bi-State Parks Airport near Cairns, yesterday passed by the Senate and sent to the governor yesterday as Illinois legislators cleared their calendars to permit adjournment.

The Senate completed its work at 6:45 p.m. yesterday and was to hold only a perfunctory session today, but the House convened in regular session this morning to clear away final legislative actions.

Both houses of the General Assembly were scheduled to adjourn today until 11 a.m. Jan. 8, just one hour before the 1969 General Assembly session is to begin.

Funds for the acquisition of the Bi-State airport land would be appropriated for the Southwest Regional Port district to buy acreage needed to set up protection areas necessary to handling jet aircraft landing on a proposed 7000-foot runway.

State Buildings Approved
The Senate yesterday approved a bill authorizing construction of new state buildings at Collinsville and a bill revising a proposal for a \$1 billion bond issue for development of natural resources, for water and air pollution control.

A "stop and frisk" bill sponsored by Republicans was passed in the Senate yesterday, while a duplicate bill sponsored by Democrats was killed by the Republican-controlled House so that the GOP would receive credit for adopting the measure.

The bill governing the proposal passed in the regular 1967 session but later vetoed by former Gov. Otto Kern.

Before ending yesterday's session, legislators voted themselves a pay increase, raising their salaries from \$8000 to \$12,000 a year, with additional compensation of from \$4000 to \$6000 for party leaders of both houses.

Get Extra Pay
This arrangement will result in an extra \$5000 a year for majority and minority leaders in the House. Two assistant leaders in the Senate will get an extra \$4500 and one majority and one minority assistant in the House will be paid an extra \$4000.

The Assembly also approved pay increases for state's attorneys and passed a bill raising the pay of associate circuit judges to the same as paid circuit judges.

At present state's attorneys are paid on a flat scale based upon population. The new salary would be scaled in range steps, based on population.

Bid on GCHS Stadium Restrooms Accepted

Provision of restrooms at the Granite City high school athletic field, long discussed by the school board, now seems assured for the fall football season.

A \$2991 bid was accepted from the Walter C. Dollinger Co., St. Louis, on providing a Super Secure Comfort Station mobile structure. Bids will now be sought on installation of the building and necessary utility lines.

A \$29,493 bid on constructing a block and brick concession stand and restroom building had been deferred earlier due to the belief that such an investment was too much. Efforts are being made to reduce this to about half by eliminating the concession stand and by settling for a metal building.

In other business, the board authorized GCHS Band Parents to convert their temporary concession stand to a permanent location if a site can be found that does not conflict with dashes and other athletic events at the stadium.

2 Charged in Accident
Auto driven by Richard T. Carney, 2418 East 24th street, and Alvin Evanoff, Collinsville, collided at 10:35 p.m. Wednesday at East 22nd street and Lee avenue. Carney was charged with a right-of-way violation with a stop sign present, and Evanoff was charged with speeding.

Auto Hit from Behind
When Frederick F. Von Breckmann, Pekin, stopped for a vehicle turning left from East 20th street onto Lee avenue, his auto was struck from behind by another driver by Randy E. Howland, Rural Route One, at 3 p.m. Wednesday. Howland was charged with following too closely.

Auto, Truck Collide
An auto driven by Howard A. Thuis, 3221 Carlson avenue, and a pickup truck driven by Robert E. Hahn, Jr., 323 English place, Mitchell, collided at 4:35 a.m. today on Johnson and Jamez roads.

GC Steel Co. Share Income Up 22c in Second Quarter

Granite City Steel Co. had net income of \$1,196,000, or 27 cents per share, on common stock, in the second quarter this year compared with net income of \$1,013,000, or 25 cents per share, in the second quarter last year, Nicholas J. Veeder, chairman and chief executive officer, announced today.

Second quarter 1968 profits of the steel firm are after adjustment of \$134,000, or 3 cents per share, for the 10% income tax surcharge, Veeder said. The full impact of the surcharge for the first half of 1968 was charged against earnings for the second quarter.

Net sales for the three months ended June 30, was \$42,887,000 compared with sales of \$38,188,000 in the first quarter of 1967 and \$34,431,000 in the second quarter of 1967.

Down From Last Year
The second quarter results brought Granite City Steel's first half 1968 net income to \$1,408,000, or 32 cents per share of common stock, compared with \$1,013,000, or 25 cents per share, in the first half of 1967. Veeder said the company's production of 244,000 tons of hot strip rolling mill were responsible for most of an increase of about \$3,855,000 in depreciation and interest charges for the first half of this year over the first half of 1967.

The board of directors of Granite City Steel, meeting yesterday declared a third quarter cash dividend of 15 cents per share, payable Sept. 16, to stockholders of record Aug. 26. This brings total dividends paid

Area Steel Pacts To Await Action Of Big 11 Firms

Negotiation of new contracts between the basic steel industry in the Quad-City area and the United Steelworkers of America will await completion of new agreements between the nation's Big 11 steel firms, it was learned by the Press-Record today.

Although officials of the United Steelworkers of America and officials of Granite City Steel Co., one of the two area mills involved, declined comment, reliable sources said today that a contract extension has been agreed upon.

Reports said the extension has been made effective until Sept. 30, with present contract terms remaining effective during that period. Current contracts expire Aug. 1.

Thomas Griffin, subdistrict director of USWA, said he had no comment on such reports or the question of whether a strike among the major steel plants would effect this area. A spokesman for Granite City Steel Co. also declined comment and said the company has nothing to say at this time on potential effects of strike in the big steel firms.

Officials of Laclede steel which employs about 700 steelworkers, could not be reached for a statement.

In past years it has been a general practice of Granite City Steel, Laclede Steel and the steelworkers union to base negotiations on terms of the Big Steel contract.

Indecency Charge Filed

Arthur Alexander, 61, of 1738 Delmar avenue, was arrested at 4 p.m. Wednesday in the 1800 block of State street on two charges of taking indecent liberties with a child. He pleaded not guilty, bond was set at \$3000 on each charge, and a preliminary hearing was set for 3:30 p.m. today in the local magistrate's court.

Course for Instructors

Local residents wishing to attend an advanced water safety instructor course beginning at 9 a.m. Saturday at the Wood River municipal pool may obtain information from the Alton Red Cross office, 465-7704. It was announced here this week. Instruction will be held for four Saturdays.

Man Found Innocent

Dan F. Mirabel, 31, of 3901 Kirkpatrick Homes, was found not guilty of premeditated murder by Magistrate Hiscott Tuesday because of insufficient evidence. The charge was filed June 28 by a neighbor.

Muffler Charge Filed

John W. Spanberger, 2311 Delmar avenue, was charged with driving with an improper muffler at 23rd and Adams streets at 12:50 p.m. Tuesday.

GO TO CHURCH ON SUNDAY

James McKinnon, 69, Dies This Morning

James (Buck) McKinnon, 69, of 801 Margaret avenue, Mitchell, died at St. Elizabeth Hospital at 2:35 a.m. today. He had entered the hospital on June 25, after suffering a stroke.

He had resided in the Mitchell area 50 years and was a native of Pond, Mo. He had retired four years ago from the Chicago and Eastern Railroad where he had been employed for 40 years as an engineer.

Mr. McKinnon was a member of the Mitchell Presbyterian Church and of the Brotherhood of Locomotive and Engineers Union.

His wife, Mrs. Nola McKinnon, died in November 1963.

Surviving are one daughter, Mrs. Karla (Barbara) Fulmer and one son, Doran McKinnon, both living in Mitchell; four sisters, Mrs. Rose Halley, Gleno, Mo.; Mrs. Edna Hoff, Pacific, Mo.; Mrs. Ruby Gable, and Mrs. Elizabeth Null, both of Pond, Mo.; one brother, Sam Barnhouse, Pond, Mo., four grandchildren and one great-grandchild.

Arrangements are given in today's obituary column.

Speeding Charges Filed

Speeding charges were filed at 5:55 p.m. Wednesday against Harry Carl Bett, Brentwood, Mo., and Bobby R. Pergam, 1218 Iowa street, in the 1300 block of Edwardsville road.

The "ultimate capacity of this important new mill will meet our needs for many years to come. We are confident the company will benefit substantially from this facility and others built during our recent program of expansion and plant modernization."

James A. Settle, 59, of 28 Devon Hill lane, was pronounced dead upon arrival at the St. Francis Hospital in Litchfield, Ill., Wednesday at 4 p.m.

Mr. Settle and his wife had gone to Litchfield to attend to their property located there, and he was cutting the grass when he collapsed.

Born in Dover, Tenn., he had resided here for 32 years. He was employed as a foreman at the Blast Furnace Department at Granite City Steel Co.

Mr. Settle belonged to the Dewey Avenue United Methodist Church and was a member of Masonic Lodge 877.

Survivors include his wife, Mrs. Virgie Settle; one son, James E. Settle of Moberly, Mo.; four sisters, Mrs. Ellis (Thelma) Matthews, Mrs. Curtis (Robbie) Donley, Mrs. Frank (Charlene) Griffiths, Mrs. Willard (Ruth) Hancock, all of Granite City, and two grandchildren.

Arrangements are incomplete. Further information given in today's obituary column.

Venice Town Meeting

The Venice town board met in regular session last night. Only routine business of approving township claim was conducted, according to Supervisor Arthur "Cooper" Moore.

☆ SOCIETY ☆

AMVETS AUXILIARY PLANS MEETING

Amvets Auxiliary 51 met last night at the Post home, 5100 Lakeview drive.

President Charlotte Damaal was in charge and plans were announced for a meeting of Division Five here at 2 o'clock Sunday afternoon.

Hostesses for the evening were Mrs. Jean Murphy and Mrs. Marge Smith. Refreshments were served to 12 members and the "white elephant" was awarded to Mrs. Charlotte Damaal.

FORMER RESIDENTS HERE

Mr. and Mrs. J. E. Brewer and children, Babs and Gregory, of Greenwich, Conn., formerly of Granite City, are here for a two weeks visit with their parents, Mr. and Mrs. Marvin Golin, 213 Lee avenue, and Mr. and Mrs. J. E. Brewer sr., 2433 East 24th street. They also will attend the wedding Friday in Florissant, Mo., of their nephew, Ronald Schneider.

Mrs. Brewer is the former Mayola Nolin.

VACATION IN HAWAII

Mr. and Mrs. Charles Thurburn and Mrs. Anthony Michel of Granite City, and Mr. and Mrs. Andrew Yurko, Mr. and Mrs. August Sacadat and Mr. and Mrs. Joe Kula of Madison returned Monday from an extensive vacation trip which took them to San Francisco, Las Vegas, the Hawaiian Islands and other places. They were away two weeks.

Auto, Bus Crash; 5 Injured in 2 Of 14 Accidents

Five persons were injured in two of 14 traffic accidents which occurred this week on Quad-City area streets and highways. Four were hospitalized.

Four persons were injured in an accident when an auto driven by Billy Rogers, 34, of East St. Louis, turned left in front of a Bi-State bus driven by Eugene Froman, 35, of East St. Louis, at 11:20 p.m. Wednesday at Route 111 and State Ave. 33. There was no report of passengers on the bus.

All were admitted to St. Elizabeth Hospital, including two passengers in the Rogers auto. Rogers complained of stomach pains, was x-rayed and held for observation. His son, Michael E. Rogers, 15, of East St. Louis, had lacerations to the forehead and abrasions to the chest.

Samuel Guld, 13, of East St. Louis, suffered injuries to the left shoulder and both legs and knees. X-rays were taken. Froman had pains in the back and chest.

Mrs. Carol Bridick, 2513 Angela drive, complained of pains after an auto driven by Andrew R. Bridick, same address, was involved in an accident with a car driven by Maurice E. Gammon, 2559 Iowa street, at 6:40 a.m. today at Lincoln avenue and Henry street.

Amsted Earnings Down 9-Month Report Shows

Amsted Industries announced Tuesday in Chicago it had net income of \$4,668,000, or \$2.43 per share, in the nine months ended June 30, as compared to \$10,386,000, or \$3.50 per share, in the corresponding period last year. Nine month sales totaled \$171,682,000 compared with \$169,745,000 a year ago.

Earnings in the quarter ended June 30, amounted to \$2,841,000, or \$1.04 per share, down from the \$3,338,000, or \$1.28 per share, in the same quarter last year. Sales for the quarter increased to \$84,448,000 from \$83,006,000 a year ago. American Steel Foundries here is a part of Amsted Industries.

Joseph B. Lanterman, president, said the decrease in earnings in the nine months and the June quarter is primarily attributable to the decline in railroad product sales because of the low level of freight car buying and to the provision for the 10% federal income tax surcharge, which was retroactive to Jan. 1, 1968.

Railroad Products Down

He added, "The sales decline of about \$5,000,000 in railroad products in the first nine months was more than offset by an increase in sales of approximately \$28,000,000 in other product lines with lower profit margins because of lower value added."

The Amsted president noted that "Operations in the quarter ending Sept. 30, will, as usual, be adversely affected by plant shutdowns for vacations, but we anticipate that earnings will approximate those of the quarter just ended and be, at least, equal to the same quarter a year ago."

Expenditures for plant and equipment amounted to \$13,000,000 in the first nine months of the fiscal year. The largest expenditure was for the acquisition of Burgess-Norton Mfg. Co., whose operations were consolidated with those of Amsted as of May 1. Plant and equipment expenditures are expected to be about \$18,000,000 for the entire year.

Men's Clothing Trends

Rapid changes in men's clothing styles, with an emphasis on bold designs and vivid colors, were discussed and shown to Madison Rotarians yesterday by a member of the club, Wayne Scannell, buyer at the Glik's department store in Madison.

Current fads include turtle-neck dress shirts, neck chains, Indian moccasins and Nehru jackets, he reported. President Will Rudman presided and competitive teams were formed in connection with the fund campaign for improvement of Seventh street playground facilities.

Maj. Perdue's Unit Wins Air Force Award of Merit

Major John W. Perdue, whose wife, Mary, is the daughter of Michael Dutko, 1678 Second street, Madison, is a member of a unit that has earned the U. S. Air Force Outstanding Unit Award.

Major Perdue is an aircraft commander in the 361st Tactical Electronic Warfare Squadron at Nha Trang AB, Vietnam. His unit received the award for exceptionally meritorious service during its first year to combat operations.

The squadron, which operates specially equipped C-47 Skytrains to provide reconnaissance data for all Free World forces in Vietnam, has flown more than 38,000 accident-free combat hours since it was activated in April 1966.

He was commissioned in 1943 through the aviation cadet program and served in the European Theater of Operations during world war II and is also a veteran of the Korean War.

He attended Granite City high school and received a BA degree in 1953 from Washington University, St. Louis and his M.S. degree in 1960 from the University of Maryland.

Ribbon Cutting Opens W. T. Grant Addition

The W. T. Grant store at Nameoki Village shopping center began its grand opening observance this morning with a ribbon-cutting ceremony and the opening to the public of its newly-expanded shopping areas.

Construction of an addition to the rear of the store building has provided 50% more selling and service space, making possible the addition of new departments and expanded lines of merchandise in others, according to Melvin L. Gillie, store manager.

The Grant store was closed Tuesday and Wednesday to prepare for the grand opening observance which was begun at 9 a.m. today as Mayor Donald Partney cut a ribbon across the main store entrance. Free gifts for store patrons are a

feature of the grand opening. Gillie said the addition of 20,000 square feet of floor space to the former Grant store building has permitted enlargement of every store department, particularly in the furniture, rug, appliances, draperies, men's wear and sporting goods sections. The furniture section now includes any item necessary to furnish a home, the manager pointed out, with complete lines of draperies, appliances and rugs to go along with the project of furnishing a home.

Entirely new additions include a complete line of men's suits in the men's wear department, and a custom-made drapery department providing complete service of measuring, making and installing custom-made draperies. The same department also will handle custom-made slip coverings. Gillie said this department presents a choice of more than 400 fabrics of different kinds, colors and design from which the customer may choose.

The store also has converted its former "Skillet" restaurant into a Bradford restaurant providing a seating facilities at booths and tables for 150 patrons. The former Skillet restaurant provided half of its seating capacity to tables and the other half to counter space.

COMPLETE LINE of men's suits have been added to the men's wear department of W. T. Grant store which has provided 50% more selling space than in its building previously. New stock is being marked by John Shaffer, manager of the department.

FIFTH BIRTHDAY OF LAURA ANN CONREUX
Laura Ann Conreux celebrated her fifth birthday Sunday afternoon at a party given by her parents, Mr. and Mrs. Robert Conreux, 2701 Whip-poorwill lane.

With a decorating theme of "Doggie Days," the young guests played games, with each receiving a prize.

Refreshments were served to Becki Price, Christine King, Beth Oxford, Cheryl Clemenson, Mark Price and Mary Jo and Skipper Conreux by the hosts, assisted by Mrs. Marilyn Price and Mrs. Ruby Turk.

In the evening, a family party was held and those attending were Mr. and Mrs. Michael Turk and sons, Dennis and Michael, Mrs. Dorothy Conreux, Miss Judith Conreux, Mr. and Mrs. Phillip Conreux and children, Ann, Joan, Phillip and Geri, Mrs. Mary Kristian and Mrs. Ruby Turk.

Mrs. Dorothy Sinner and son, David Sinner, 1517 Clark avenue, returned home Sunday evening following a two-week vacation in Mexico, Mo., and Jefferson City, Mo.

While away, David Sinner spent a weekend visiting in Tulsa, Okla.

Muny Opera Tickets For 'Showboat' Available

The only tickets available at the park district office for the St. Louis Municipal Opera performances are for "Showboat," starring Arthur Godfrey, to be presented on Tuesday, Aug. 6.

Twenty-three tickets are now at the office for a total price of \$4.25 each. This includes \$3.25 for the ticket and \$1 for bus transportation.

Assigned in Vietnam

Army Pvt. Jackie L. Lindley, 20, son of Mr. and Mrs. George Lindley, Rural Route One, has been assigned as a truck driver in the 261st Transportation Co. near Long Binh, Vietnam.

Noah's Ark Restaurant To be Constructed Here

A Noah's Ark restaurant is to be constructed at the intersection of Interstate 270 and Route 3, it was announced this week.

A corporation charter has been issued by Secretary of State Paul Powell to Andrew Gitchoff, Richard Kostoff and William Thoele of Granite City, listing 100,000 shares of common non-par value stock.

It authorizes the firm to own, conduct, operate, maintain and carry on a restaurant.

Gitchoff stressed that his group is serving as the promoter of the restaurant and has signed a franchise agreement with Hillary & Associates of St. Louis, which also operates the Flaming Pit restaurant chain.

The new restaurant will be leased to operators, Gitchoff added. It will be the second of its kind in the U.S. and will be larger than the one now in operation off Interstate 270 in St. Louis county.

Plans for the uniquely designed structure have yet to be completed, Gitchoff said, but it will include animals, a replica of Noah and a boat.

It will cater to families with diners priced at \$2.45 to \$3.25, Gitchoff said, and will feature chowder and salad bars.

Plans for the uniquely designed structure have yet to be completed, Gitchoff said, but it will include animals, a replica of Noah and a boat.

He enlisted in the U.S. Army in September 1967 for three years and is presently serving with the Medical Overseas. He is also a 1966 graduate of the local high school.

Friends may write to him at the following address: Sp/4 Scott A. Worley, RA 169644S, 12th EVAC Hospital (Surge), Cu Chi South Vietnam, APO San Francisco, Cal. 96353.

Makes Eating With FALSE TEETH
Up to 35% Easier

Clinical tests prove you can now eat and chew better—make dentures average up to 35% more effective—if you use a little PASTETITE.

PASTETITE holds uppers and lowers more firmly on your face and more comfortable. And it's easy to use—doesn't sour, no gummy, messy taste. It's the new denture adhesive. Dentures that fit are essential to health. So use your dentures properly. Get PASTETITE at all drug counters.

DIABETICS CLASS at St. Elizabeth Hospital being taught by Miss Mary Ann Schuchman, a therapeutic dietitian at the hospital. The last class of the July session was held Wednesday.

St. Elizabeth Hospital

40 Persons Complete Class for Diabetics

Classes for diabetics at St. Elizabeth Hospital were attended by about 40 persons. The classes were designed to teach people about the disease, the metabolic changes that take place, the exchange lists, menu planning and how to calculate special foods.

Sister Jerome, RN, has demonstrated insulin injections and explained the difference between insulin and oral hypoglycemics. The class was under the direction of Miss Mary Ann Schuchman, a therapeutic dietitian at the hospital.

The last session was held Wednesday at 2 p.m. when food displays and sample menus were presented. Individual instruction is available after the class. Another session is planned for September.

Two Hospital Sisters Attend Nurse Meeting

Sister Marce and Sister Philomena, supervisors at St. Elizabeth Hospital, attended the 14th biennial convention of the National Council of Catholic nurses as delegates of the Springfield Diocesan conference of Catholic nurses, which ended recently in Denver, Colo.

Daily sessions of lectures and discussions on the nurse's responsibility in the health team, were held. A banquet concluded the convention, with the Right Rev. Joseph Federal Bishop of Salt Lake City, addressing the delegates. The convention delegates were also given guided tours of the Air Force Academy, the Garden of Gods, Boulder Canyon, Central City and Elitch's Garden.

Council Room Cool—Then Unit Quits Again

Granite City's eight o'clock council session started off on a cool note Monday night with the cantankerous air conditioner functioning perfectly—but it lasted only 23 minutes, when a fuse blew out.

By that time, the council room, which was jam-packed with city police and firemen wanting to hear council action on their pay increases, began warming up and several persons removed their coats.

Alderman Whitmer wanted a 10-minute recess so he could go home and get the large electric fan he has been bringing to the council sessions in recent weeks.

The room never did cool off to the 8 o'clock temperature, when the thermostat was set at 65 degrees.

To get the large air conditioner running again last week, a separate electrical line had to be installed to overcome the overload on the city hall wiring.

Auto Window Broken
Cecil Young, 219 Grand avenue, reported at 6 p.m. Monday that vandals threw a piece of concrete through the rear window of his 1969 auto while it was parked in front of his home during the night.

Spare Tire Stolen

Dale Edwards, Greenfield, reported at 9:30 a.m. Tuesday that a spare tire was stolen from his truck while it was parked the day before at the Wagon Wheel restaurant, 3004 Edwardsville road.

GC Aldermen Will have to Hire Defense Lawyer

Granite City council members will have to join forces to hire their own attorney for defense in two suits pending against them in the circuit court.

Alderman Boyd asked during Monday night's session that the assistant city attorney, local lawyer Harry Hartman, be delegated the task.

Hartman was quick to reply that he believed such action would be improper and possibly a conflict of interest. He added that he had taken the job of assistant city attorney only to handle personal injury cases against the city and told the council flatly that he would not represent them.

He was in attendance at Monday night's session at the request of City Atty. Allen, who had undergone an appendectomy.

The two suits against the council pertain to redistricting the city's eight wards, reducing the number to seven before the 1968 election and filed by Sixth Ward Alderman Fry, and a suit to determine authority for appointment of council committees, filed by Mayor Partney to overcome the present two sets of committees—one group named by the mayor and the other by the council.

The mayor is being represented in his suit by a private law firm, and Fry also hired a local attorney in his suit.

Who will pay the council members' lawyers fees was not brought up.

Undergoes Appendectomy
James Backley, 2678 Madison avenue, is recovering at St. Elizabeth Hospital from an emergency appendectomy which he underwent Sunday.

City to Seek Funds for 2 Crosswalk Lights Along Nameoki Rd. at Kirkpatrick Homes

Funds from the state and federal governments will be sought by Granite City for installation of two pedestrian crosswalk lights along Nameoki road at Kirkpatrick Homes.

As an insurance measure, an attempt was made by Alderman Whitmer Monday night to add \$30,000 to the city budget in the event the financial aid would not be available.

However, the engineer and assistant city attorney assured the council that motor fuel tax funds should be available for such work. The council voted down inclusion of the \$30,000 in the budget.

Once Also Planned

Whitmer said the Granite City Housing Authority plans to erect a fence on the housing project property along widened Nameoki road with two openings at Victory drive and at East 25th street—where the pedestrian signals would be located.

Placed on first reading was an ordinance to establish 20 mph speed limit for buses and trucks on sections of several streets in the Seventh Ward. The ordinance was prepared at the request of Alderman Robertson, who said homes in the area were being damaged by the speeding vehicles.

The 20 mph limit would be in the 2500 and 2600 blocks of Center and Adams streets, on Benton street and Fehling road, on 25th street to Nameoki road and on State street from 25th street to Fehling road.

The 8-to-6 vote for first reading was challenged by several aldermen as being insufficient, but Mayor Partney declared it to be proper.

Questions Voted

Also questioned by Alderman Fry was an 11-to-3 vote to vacate an alley at the rear of 2302 Center street. He pointed out a three-fourths vote is needed for vacation of property.

Assistant City Atty. Harry Hartman agreed with him. The

question arose after Mayor Partney had declared passage of the ordinance.

Robertson said the alley has never been used and that property owners in the area were adverse to its vacation, especially since an air-conditioned concrete pad extends into the alley right-of-way. He said the building inspector had approved the installation. Robertson added that a turn-around will be provided in the alley.

Final disposition of the ordinance is pending.

Other Actions

In other action, the council approved ordinances and resolutions placed on first reading late in last week's meeting when only a few aldermen were left.

These include the installation of street lights in alleys, change orders on the sewerage and storm water sewer projects and for installation of a stop sign to halt eastbound traffic on 25th street at Dewey avenue.

Voted down 6-to-8 by the

council was an ordinance placed on first reading several weeks ago to allow extra pay for the city attorney for extra duties.

\$1000 for NYC
Council members approved a resolution calling for transfer of \$1000 from sales tax funds to pay the expenses of the 50 Neighborhood Youth Corps workers for whom equipment was purchased to cut weeds and sweep. The \$1000 also is to include purchase of flowers and shrubbery to be planted at the entrance to the city.

Referred to Street committee and superintendent of streets was a request from Leland H. Holt, chairman of the trustee board of Trinity Methodist Church, East 25th and Henry streets, for repairs to curbs in front of church property.

Permission was granted to Southwestern Bell Telephone Co. for two excavations along Johnson road near the ditch to relocate phone cables in connection with the Johnson road improvement. The work is to be completed by Aug. 16.

New Voter Registration Cards being Prepared

New voter registration "pink" cards with 1972 expiration dates will be issued to voters holding cards with July 31, 1968, expiration dates within the next two weeks.

Miss Zulala Hotz, Madison county clerk, announced today. She said those who have moved and failed to report their new address to her office should do so at once by completing the reverse side of the registration card and mailing it to her office.

If a card has been misplaced, she will accept a letter stating the former address, the new address and the date the voter moved.

New voter cards will be is-

sued later in August for residents of Granite City Precinct 32 and Nameoki Precinct 6 involved in a recent annexation by Granite City.

Voter cards turned in at the polls on primary election day are being processed this week, Miss Hotz said. The law did not permit her office to examine affidavits submitted at the primary until the 30-day contest period expired.

The new voter certificates of identification are still pink in color but are imprinted in brown ink. At present there are 115,704 registered voters but the figure fluctuates as persons move in and out of the county or become of age.

Ranick Funeral Services Held Tuesday Morning

Funeral services were held at 10 a.m. Tuesday for Paul Ranick, in the chapel of a funeral home in Madison. Interment was in Calvary Cemetery, Edwardsville township.

Mr. Ranick, 87, died Saturday evening at St. Elizabeth Hospital, where he had been taken from the Madison Convalescent Home.

'Music-Stars' Concert Tonight

The final concert of the summer will be presented at 8 o'clock this evening in the "Music Under the Stars" program sponsored by the Granite City park district.

Warren G. Simpkins, director, said the all-classical program will be presented in the rink-pavilion. He noted that this year's attendance has set new records.

Featured guest artists tonight will include Mr. and Mrs. Raymond Voorhees, Alan Rosenkoetter, Laura Dames, Robert H. Dames, Young Bang Cho, Miss Janet Young and the Junior and Senior Adult Choirs.

GC Council Business--National, State, Local

Communications from national, state and local levels were read Monday night to Granite City council members — regarding collection of fall-out, a state-municipal officials get-together and out-of-state visitors at the sewage treatment plant.

Accepted by the council was a request from the Cincinnati, O., office of the National Air Pollution Control Administration, of the Health Services Division of the Department of Health, Education and Welfare, for the Aerometry Unit to send three fall-out collection units to be placed in Granite City.

Harold L. Sparks, an official of the Aerometry Unit, wrote the council that the fall-out collection is being carried out in a study in the interest of determining the effects of cadmium in dustfall and in milk on human disease.

Three locations are sought—one in an industrial area, another in a commercial area and the third in a residential area. The city is asked to collect dust once-a-month, starting in September and continuing through December.

Gov. Samuel Shapiro issued an invitation to Mayor Partney and city officials to attend one of a series of meetings being held statewide to improve communications between municipal and state officials.

Botanist of SIU Tells How to Battle Bagworms

It is high time for householders to spray shrubs showing evidence of being infested with bagworms, says William M. Marberry, Southern Illinois University assistant professor of botany and supervisor of physical plant greenhouses at Carbondale.

A native of Asheville, N.C., he has participated in evangelistic campaigns across America and many places around the world.

Dr. Roberts, a graduate of Wake Forest College and Southern Seminary at Louisville, Ky., is the executive secretary of the Ohio Southern Baptist State Convention. His ministry both as a pastor and as denominational worker has been marked by unusual evangelistic success.

Weekend Events At County Fair

Arena Shows which will conclude the annual Madison County Fair this week at Linden Dale Park, Highland, will be the George Hamilton IV Country and Western Show today at 8 p.m.

Beginning at 7 p.m. on Friday will be the Light and Western Horse Show and Saturday will feature Stock Car Races at 7 p.m.

Other exhibits which include commercial, industrial, agricultural, culinary and handicraft exhibits from the 1000 4-H club members will exhibit their animals, products and projects at daily displays.

Carnival attractions will include rides and concessions. The Fair makes no charge for entering the grounds but there will be a 50-cent charge for parking cars on adjacent land. The night arena show admission prices are \$2 for box seats, general admission, \$1.50 and 50 cents for children.

Kate-Hodges Accident

Nelson Hediger, 1200 Nineteenth street, reported at 8:45 p.m. Monday that he lost his wallet containing his driver's license.

Man Loses Wallet

Service Station Damaged

Windows on the north side of Ralph's Texaco service station, 2200 Madison avenue, were broken by vandals, and windows on two parked trucks were broken and ignition wires torn loose, it was reported Monday.

The meeting will be held Aug. 7 at Platters restaurant in Belleville, with officers of the state department of Business and Economic Development in charge. No time was specified, but reservations are to be made through the mayor's secretary. Mayor Partney urged council members to attend.

The local letter was from Robert Jackson, superintendent of the city's sewage treatment plant at the Army Depot, who said several groups have toured the facilities this month. He added that officials of the state sanitary water boards of Illinois and Michigan plan to inspect the plant Friday. Earlier visitors were from the city of Monroe, Mich.

Patrol Car Struck, Damage Set at \$135

The rear of a Granite City police patrol car driven by Officer Elwyn Dickey was struck and damaged by a car driven by Ernest H. Abbott, 2108a Delmar avenue, at 1:30 a.m. Monday on Delmar at Nidringhaus avenue. The patrol car was observing a stop sign.

Abbott, who said he did not see the patrol car make a second stop, was charged with following too closely. The city council Monday night opened four bids to repair the damage to the police car, ranging from a low of \$135 by Andy & Johnny's Auto Body Shop to \$219.

Michael E. Mathon Aboard Carrier

Navymen Michael E. Mathon, son of Mr. and Mrs. Edward M. Mathon, 125 Troecleer lane, Granite City, is serving aboard the attack aircraft carrier USS Coral Sea at San Diego.

As a member of the crew he recently completed training exercises for the ship's fleet deployment to the Far East.

Right on Illinois Route 111 to Frank Hotten State Park. Turn left on the park drive to Route 157 (1st stop light). Turn right to Highway 460, left on 460 1/2 mile to Shrine. 20-minute drive from Downtown St. Louis.

BUS SCHEDULE:
Belleville buses will leave the Public Square at 6:30 and 7:15 p.m. each evening. They will travel along Main Street to Edgemont and will pick up passengers enroute. One way fare is 40c.

A St. Louis & East St. Louis bus will leave the station at Broadway and Washington Avenue in St. Louis at 6:30 p.m. It will travel along the regular bus route to 89th and State Streets and will pick up passengers enroute. One way fare is 50c.

1029 Major Jury Cases Pending in Circuit Court

A total of 1029 jury cases involving more than \$10,000 were pending in Madison county circuit court at the end of June, a decrease of nine, according to Willard Portell, clerk of the circuit court. Forty-one were begun or reinstated during the month and 50 were terminated. There were 67 non-jury cases of \$10,000 or more at the end of the month, an increase of six, while 27 were begun and 21 terminated. Jury cases of \$10,000 or less totaled 268 at the end of June, a drop of 24, as eight were begun and 32 were terminated, while 633 non-jury cases were pending, an increase of 17, with 90 begun and 33 ended.

Small Claims Cases
1479 at the end of the month, an increase of 79, with 238 started and 159 finished. Tax cases totaled 713, up six, with three started and nine ended. There were 713 condemnation

cases, an increase of six with four new ones involved 38 tracts. None were completed. A total of 177 miscellaneous remedy cases remained an increase of five with 13 new cases and 13 completed. Chancery cases totaled 338 a drop of five with 14 new ones and 19 completed. Fifty mental, 10 juvenile and 39 family cases were completed, while 67 mental, four juvenile and 51 family cases were filed. Divorce cases pending totaled 1030, up 17, while 94 were started and 77 were completed. Forty probate cases were completed and 41 were filed during the month. Forty-three felony cases were pending, up 12, with 18 started and six completed. There were 1293 ordinance violations pending, up 98, with 567 started and 468 completed. There were 1381 traffic cases filed with 1373 completed.

Commendation Medal For Airman O'Shia

Airman First Class Joseph L. O'Shia Jr., a son of Mrs. Marie R. Jezioro of 1615 Poplar street, has received the U. S. Air Force Commendation Medal at Kirtland AFB, N. M. He was decorated for meritorious service as an aircraft mechanic at Phu Cat AB, Vietnam, and was cited for his outstanding professional skill and initiative.

A 1968 graduate of Granite City high school, he is now stationed at Kirtland in a unit of the Air Force Systems Command.

Airman O'Shia's wife, Penny, is the daughter of Mr. and Mrs. Clarence Livesey, 4549 Walter avenue. His father, Joseph L. O'Shia, resides on Rural Route One, Dover, Tenn.

Kenneth Robt. Aud Gets IPAC Position

Kenneth Robert Aud, Apt. 7 at 1901 State street, has been appointed as Caseworker I, by the State Department of Public Aid, during the past month. The announcement of appointments of 39 persons in 19 downstate offices of the county department of public aid was made by Harold O. Swank, Director of the Illinois Department of Public Aid, Springfield.

Takes Basic Training

Clarence Wallace, son of Mrs. Vida Vandergift, 2178 Northland drive, and Dr. Malcolm Wallace, 1229 Edwardsville road, and Richard Hull, whose parents are Mr. and Mrs. Stanley Hull, 2017 Washington avenue, have enlisted in the U. S. Marine Corps and are receiving basic training at the San Diego base.

NO PROBLEM THIS TIME—the city council Monday night authorized Illinois Power Co. to relocate the white way standard in the middle of a new driveway for a downtown merchants' public parking lot at 1835 Edison avenue. The city has a problem with utility poles in the middle of a sidewalk along Nameoki road.

One Easement Ok'd For Storm Drainage Ditch

Granite City council members took one step Monday night toward getting necessary easements for the \$3,000,000 storm water drainage system by okaying a 90-foot easement agreement with Illinois Power Co. on property at the junction of Edwardsville and Nameoki roads.

While the easement will cost the city only \$1, there will be the added cost of \$4800 for relocation of a gas main—to be paid by the city. No mention was made Monday night of the necessary easement for a ditch along East 23rd street, Nameoki road and Edwardsville road on Granite City Steel Co. property.

The contractor for the drainage project, S. M. Wilson & Co., advised the city last week that a delay in obtaining the right-of-way for the paved and fenced ditch could prove costly. Granite City Steel Co. wants to swap the needed nine acres for the three-acre August street right-of-way that bisects its property between East 23rd street and Edwardsville road, where future expansion of the mill might occur.

Alderman Bartosiak, chairman of the Special Sewer com-

City to Move White Way Pole in Downtown Drive

Removal of a white way standard from a driveway and a call for bids for 36 parking meter heads for the new downtown parking lot being readied at 1835 Edison avenue were authorized Monday night by Granite City council members.

The paved and metered lot is to be developed by the Downtown Retailers Association and will be turned over to the city for maintenance. It also will be lighted. The meters will be different than the nickel-an-hour meters on the streets. Five cents will buy a half hour parking, and one hour will cost 10 cents.

Truck, Car Collide

A car driven by Patrick N. Burns, East St. Louis, and a truck driven by Jack A. Vanzalld of Lebanon, Mo., collided at 3:45 p.m. Monday at Second street and McCambridge avenue in Madison, according to a report by police. Both vehicles were headed north on McCambridge when the mishap occurred.

Committee on appointments by both the mayor and the council, was not present Monday night.

State Conducting Essay Contest On Library Use

Secretary of State Paul Powell, state librarian, said today that his office is beginning to receive entries for the statewide written essay contest, "What My Library Means To Me."

This essay contest, limited to 200 words or less, is open to all Illinoisans. Entry blanks are being distributed to all County Fairs and various state celebrations by the Mobile Service Unit Trailer, at the DuQuoin Fair and will be available at the public libraries throughout the state.

Closing date for the contest is Sept. 25, but all entrants are urged to mail their entries as soon as possible. A panel of three librarians will judge the essays, and the winners selected will receive their awards early in October when they will be invited to attend a special luncheon in their honor which will be held in Springfield, hosted by Secretary Powell.

The winning essays will receive recognition by being included in an edition of "Illinois Libraries," the official monthly publication of the Illinois State Library.

Drunk Driving Breath Test Courses Offered

Four special schools for police who administer "drunk driving" breath tests will be held during September by the University of Illinois.

A new state law requires all police operators of chemical tests of breath for alcoholic content be certified by the Illinois State Department of Health.

Before he can be certified, the officer must have completed a prescribed course of instruction.

The Police Training Institute of the U. of I. division of university extension has been named by the Illinois Health Department as the sole agency in the state authorized at this time to conduct this preliminary training of the officers seeking certification to conduct the drunk driver tests.

The four separate courses will be Sept. 3-7, Sept. 9-13, Sept. 16-20, and Sept. 23-27, all on the university's campus at Urbana-Champaign.

Second Chance for
College Entry Offered

A second chance for college entrance is being offered by Southern Illinois University-Southwestern.

The program, designed for a maximum of 50 students, has no strings attached, not even the regulation American College Tests or rank in class. Open to high school graduates from the five counties surrounding the local campus, students who have demonstrated some kind of outstanding ability in high school may apply.

Each applicant must have been active in art, drama, music or extra-curricular activities. Personal recommendation by a high school official is required before being considered. A visit to the campus and personal interviews with university officials are also required.

Inquiries should be made to Eugene Magac, director of admissions, Southern Illinois University-Southwestern campus.

TEACHER-COUNSELOR Charles Steptoe of Madison high school at work in Southern Illinois University-Southwestern's student counseling center. He is seeking a specialist's degree in student counseling.

Problems of Children
Cited at SIU-SW Center

Many elementary and high school students have problems that don't show on the outside, says Mrs. Virginia Moore, head of Southern Illinois University-Southwestern's student counseling center.

She cites the "tear-jerking" incident of the boy who asked, "Can you tell I'm crying inside?"

The center started last winter by using "live" subjects in its counseling courses. Elementary and high school students with problems are being brought to the center for counseling. The course is open only to students working at the master's or specialist's level in counselor education.

"We have one of the best programs in the state," Prof. John McBride, former industrial executive and head of the counselor education faculty, said.

Charles Steptoe, Madison high school teacher, called the program excellent. "It helps counselors learn from the professionals. It opens your eyes and keeps you evolving towards becoming..." Asked "becoming what?" he replied, "Just becoming."

Stepoe, who received his bachelor's and master's degrees from SIU, is working for a specialist's degree in counseling.

Some of the typical problems faced include the teenager trying to cope with authority

which, at this age, their parents represent, Mrs. Moore said.

Elementary grade children ask, "Who am I?" she added. "Their confusion is caused by seeing women wearing pants and men doing the clothes at the laundromat."

Other problems cited included the broken home caused by divorce, an increase in pregnancies leaving less time for individual attention from parents, and the machine age in which the fathers find themselves training for new jobs.

"If we could get parents to realize that children begin learning long before they can talk or go to school, some of our problems could be avoided," Mrs. Moore contends.

"Children overhear problems discussed by their parents and understand more than they are given credit for. They are easily affected by frictions and, like the little boy, sometimes cry inside."

Nightly 7:45 p.m. Sunday 2:30 p.m.

Rev. Jimmy Turner, Champion Soul-Winner for 2 Consecutive Years with Church of God Will be Ministering Nightly.

Leonard Connor is a miracle of God. He has experienced both the miracle of salvation and the wonderful Baptism in the Holy Ghost and Fire. He accepted Jesus Christ and became a new creature through the new birth. He was a member of the Pate Chapel Baptist Church of Murphysboro, Ill. As a Baptist businessman, he was having great success. God's call was upon his life but he pushed it aside to make money. He had just signed a contract that would net him \$30,000 a year when God began to remind him He had a claim on his life, also.

The rebellion of this Baptist businessman against God caused him such agony that in five weeks his weight went from 205 pounds to 155 pounds. He could not sleep. No tranquilizer could settle his nerves. During this desperate struggle he saw a vision. Written upon the wall of his bedroom were these words, "This is not the way." Just below this sentence was written in gold, "I am the way." He fell upon his knees before God in complete surrender and Jesus baptized him with power.

This experience changed this Baptist businessman into a prophet with supernatural power. Cities are being shaken by his ministry. Hundreds of people are saved and baptized in the Holy Ghost. In the past seven years over 10,000 have received the Holy Ghost; Acts 2:4.

ElU to Micro-film Records of Students

In 1960, four persons graduated from the Eastern Illinois State Normal School. Now, 68 years and three name changes later, about 50,000 students have attended Eastern.

Each of those students left behind a record of academic achievement and personal data. Today, those 50,000 records have been shoe-horned into 100 file drawers in 25 filing cabinets in a too-small vault whose fire resistant qualities are open to question.

When a micro-filming project now under way has been completed, those 50,000 permanent records will be contained in a few boxes eight inches wide and 14 inches long.

Pfc Dew, Injured in Vietnam, Returns Here

Pfc Wellington Dew, son of Mrs. Hazel Dew, 1014 Calhoun street, Madison, was visited by his mother and relatives during a brief stop-over Saturday at Scott Air Force Base.

Injured in Vietnam in May, when he suffered fragments of shrapnel wounds to a leg in the Mekong Delta area, he was en route from Zama Hospital in Japan and left Sunday for Fort Riley, Kan., for further treatment.

His arrival came as a surprise for his mother who plans to visit him at Fort Riley during weekends. Pfc Dew enlisted in the Army last October and arrived in Vietnam in April, being assigned to the Ninth Infantry.

Conaway Presenting One-Man Art Exhibition

James Conaway of Granite City, chairman of the art department and professor of art at Anoka-Ramsey State College, Minneapolis, Minn., is presenting a one-man exhibition of 20 oil paintings and 18 drawings until Aug. 9 in the Coffman Gallery at the University of Minnesota.

Conaway, who holds two graduate degrees in fine arts from the University of Iowa, has previously exhibited and won prizes in group shows at the Smithsonian Institution, Walker Art Center in Minneapolis, Des Moines Art Center, Chicago's International Institute of Design, Davenport Municipal Art Gallery, University of Wisconsin, Milwaukee Art Center, Waterloo Municipal Art Gallery, Container Corporation of America, Washburn University in Topeka, Kans., New York's American Federation of Artists and others.

Among his one-man exhibition were those at the Davenport Municipal Art Gallery, Makin Gallery in Rock Island, University of Iowa, Central College in Pella, Iowa, and the Clinton Municipal Art Gallery.

His works are in various permanent collections, including those of the American Embassy in Luxembourg, Container Corporation of America, American Federation of Artists New York, Davenport Municipal Art Gallery, Waterloo Municipal Art Gallery, Augustana College, University of Iowa and Modern Woodman of America.

Conaway says his work is much like that of the California

figurative school and it puts his at the opposite end of the art spectrum from op and pop art. His concern is the figure and its relation in space.

Conaway, who resides in New Brighton, Minn., taught at Wisconsin State University in Stevens Point before coming to Anoka-Ramsey in 1967. His parents, Mr. and Mrs. L. W. Conaway, live at 3220 Sheridan avenue.

10 Quad-City Students Make ISU Dean's List

Ten area students were among 1136 to appear on the dean's list at Illinois State University, Normal, for the second semester.

Making straight A's were Ruth Bauman, 2105 Cleveland blvd., an elementary education senior, and Louise Becherer, 1517 St. Clair avenue, a mathematics senior.

Others are Glenda Gale Aldford, 2152 Orville avenue, special education senior; Robert Dortch, 2906 Warren avenue, mathematics junior; Kathleen Poole, 1705 Garfield avenue, English senior; Diana Tadlock, 1517 St. Clair avenue, English sophomore.

Claudia Thompson, 4778 Namocki road, Russian freshman; Joan Hudzik, 329 Greenwood street, Madison, non-major freshman; Kathleen Skinner, 1653 Seventh street, Madison, mathematics senior; and Kathryn Syniski, Madison, business education senior.

REV. DAVID SCHELL

Youth Rally Set At Calvary Baptist

Rev. David Schell, a young preacher from St. Louis, will be the special guest speaker, at the "Youth Rally" to be held at Calvary Baptist Church, 3000 Washington avenue, at 7 p.m. Monday. Rev. Howard Priest, pastor of First Baptist Church, Venice, is serving as association youth director in conjunction with the "Good News Crusade" of the Madison County Baptist Association.

The "Good News Crusade" is to be held from Aug. 9 to Aug. 18 at the football field of Granite City high school with Dr. Ray Roberts as featured speaker.

Also appearing on the youth program will be Richard Miller leading a youth choir; Mrs. Doris Reed, soloist, accompanied by Miss Cherie Johnson at the piano. A special invitation is extended to the young people of the community.

At SIU, SIU-SW Campuses

Part-Time Student Workers Earn More than \$4,750,000

More than \$4,750,000 in salaries was paid to part-time student workers at Southern Illinois University's Carbondale and Southwest campuses in the period from July 1, 1967 to May 26, 1968.

The figures were released in a report prepared by Frank C. Adams, director of the SIU Office of Student Work and Financial Assistance.

Of the total, \$4,139,000 came from state funds and the remaining \$632,500 from the Federal Work-Study Program. In a breakdown of the two campuses, Carbondale campus student workers received \$3,592,000 and those at the Southwest Campus were paid \$1,158,000.

During any one academic quarter, about 5000 students on

the two campuses combined will be working at on-campus part-time jobs, Adams reported. During an entire school year approximately 10,000 students will be employed at one time or another.

Average wages of students who work regularly for three quarters range from \$800 to \$850, with a significant number earning better than \$1000.

The student work program at SIU has grown to its present dimensions since 1955 in which year only 600 students were participating.

Adams stressed that whenever possible a student worker is placed in a campus job which is directly related to his major, since it is of prime concern to the administration, faculty and staff that the program provide an educational experience.

Two SIU-SW Students Practice Teach Here

Two Southern Illinois University students from the Southwest campus, served as student teachers, in the Granite City area during the summer school programs. Both are participants in the university's student teaching program.

Barry Jo Harris was assisting Mrs. Mary Kesar with her second grade class at Washington school, and Stanley C. Burns was assisting John Barr and James Loy with their mathematics and general science classes at Madison high school.

Student teachers are required to spend one quarter of full-day teaching to qualify for teaching certificates. Where possible, two or three students are placed in one school so that at the end of the day's classes they can discuss and compare

Granite City PRESS-RECORD
Thurs., July 25, 1968 Page 33

their problems and procedures. A university staff member, assigned to each student teacher, periodically visits the classroom to observe and evaluate his student's teaching ability.

'Laff-In' Theme for Children Theatre Program at GC Park

The Children's Theatre, one of the summer park district activities will present a program at the rink-pavilion at Wilson Park, Monday at 8:30 p.m., using the theme "Laff-In '88".

The production will include three one-act plays entitled, "Passionella" by Jules Pfeiffer, "The Initiation" by Laurence Shields, and "Not Enough Rope" by Elaine May; musical numbers are under the chore-

Fall Fashions Described To SIU Sewing Students

Did you know that Princess Margaret of England was taught to sew by her mother, Queen Mary? Or that Princess Grace of Monaco was wearing a hand-sewn dress when she met her husband, Prince Ranier?

These were two bits of information about the gentle craft of home sewing that Southern Illinois University clothing and textiles garnered from a lecture early this month by a spokesman from a national pattern house.

Basically, however, the illustrated talk of Mrs. Diane Seckinger, educational representative for McCalls Patterns, provided the SIU students with a preview of fall fashions. Four important "new looks" she described were: (1) The "Put Together" Look—separates; (2) The Leather Look—use of both real leather and a nylon fabric that looks like leather; (3) The Pretty Girl Look—long sleeves, ruffles, braid, soft feminine materials;

(4) The Cowgirl Look—Annie Oakley-type fringed edges, a prevalence of vests.

Fall's colors will put grey in the No. 1 spot, "the very best," she said. It will be seen in pinstripes, Glen plaid, menswear grey, plaids, and will often be used with an accent color such as red.

Browns will be good, accented in other tones. "Happy colors" or "back to school" colors will be seen and "Bonnie and Clyde" gangster stripes will still be around.

Mrs. Seckinger gave the students tips on sewing with leather (using rubber cement when hemming or turning out facings or seams); on making the "custom made" collar; and on the new technique for zipper application to make the zipper appear to be a regular seam.

"More and more people are sewing their own clothes and enjoying the experience," she told the students. "It's a marvelous way to release tensions and gain satisfaction."

Auto Theft Problems Topic of Conference

Prevention and solution of car thefts — a mounting problem throughout the nation and particularly in the central states — will be spotlighted at the fifth annual Midwest Auto Theft conference Sept. 24-26 at Springfield.

Latest trends and statistics on auto thefts, particularly as they are revealed in the midwestern states, will be revealed during the conference.

More than 300 law enforcement officers will attend; a similar workshop last year attracted 274 from 14 states and Canada.

The conference at the Illinois Building in the State Fair Grounds, will be conducted by the Police Training Institute of the University of Illinois division of university extension.

Salaries for College Grads Increase by 7%

Salaries for the country's 1967-68 college graduates rose seven per cent over last year but job offers are fewer, according to Roy R. Bryant, director of Placement Services at Southern Illinois University, Carbondale.

Citing a year-end round-up of college recruiting by business and industry on college and university campuses, Bryant said the volume of job offers to bachelor's degree graduates was down two per cent from the preceding year, and off drastically for advanced degree people — 18.9% for master's and 12.4% for doctoral degree graduates.

The survey was made by the College Placement Council, composed of placement directors at 127 colleges and universities.

"The dollar average of offers to technical students rose 6.5% this year to \$767, compared with a 7.3% gain the preceding year," Bryant said.

"The average for graduates with non-technical degrees went up seven per cent to \$657 as against a 7.7% gain in 1966-67."

The decline in the number of job offers is attributed to reduced activity by the aerospace industry, Bryant explained. "As in the past, it made more offers than any other employer group but the total, 6137, represented a drop of 23.7%."

Other leaders in recruiting were electronics, which made 4380 job offers, and chemicals, 3226.

Public accounting firms increased their dollar offers to \$702, up 8.7% over last year and 23.2% over the average two years ago.

Top salaries were commanded by chemical engineering graduates for the third straight year, reaching \$790, an increase of 7.8% over 1967-68. Next came electrical engineering, \$774, and mechanical engineering, \$768.

At the master's level, masters of business administration with a technical undergraduate degree received an average of \$858, while M.B.A.'s with no technical background reached \$879, a two-year increase of 21.2%.

Among doctoral candidates, chemical and civil engineers registered the biggest gains, 6.1%, while electrical engineers received the top dollar average, \$1316.

Motorcycle Workshop Set Aug. 2-3 at U.I.

Driver safety education for motorcyclists will be the subject of a workshop Aug. 2-3 at the University of Illinois, Urbana-Champaign.

"Education is a key element in the safe and responsible use of two-wheeled vehicles," Prof. A. E. "Joe" Florio and Edward C. Wahl, workshop directors, said in announcing the course. "Because of the effects of new state laws requiring driver education and operator licensing of motorcyclists, educators, license examiners, and many other persons not heretofore concerned professionally with the motorcycle will have to become 'motorcycle experts.'"

**Louisiana Student on
Soil Conservation Staff**

Eighteen college students are gaining on-the-job experience in Illinois soil and water conservation work this summer, including one on the staff of the Madison County Soil & Water Conservation District at Edwardsville.

He is Mack Hodges of Tallulah, La., a junior at Southern A&M College at Baton Rouge.

Rendleman Predicts Rapid Development at New SIU-SW

A decade of rapid development of Southern Illinois University's academic program at the southwestern campus was predicted by Chancellor John S. Rendleman. The chancellor, named to the post last month, made his prediction last week.

"The new campus can be the pace-setter for American higher education in the next decade; there is no place with greater potential for change and growth," Rendleman said.

Among possible additions to the southwestern campus academic program Rendleman mentioned a school of engineering, medical education and a dental school. The State Board

of Higher Education has already urged the southwestern campus to initiate a degree program in dental education as soon as possible. Medical education has been approved for the Carbondale campus.

Rendleman indicated the southwestern campus might share in the development of the medical program, envisioned as a medical school "without walls" which would serve the needs of all Southern Illinois.

The southwestern campus now offers 16 graduate programs at the masters degree level, Rendleman said. He added that deans of each of the academic divisions have been asked to work on development of at least one doctoral program during the next year.

Art Schools for Gifted Pupils Now Under Way

Week-long art schools for gifted Illinois high school pupils are being held July 21-27, and July 28-Aug. 3 at Allerton House, University of Illinois center.

The schools, now in their 18th year, are being expanded to allow a total enrollment of 287 pupils, 98, 86, and 93, in each of the three sessions, according to Prof. Walter M. Johnson, head, Extension in Visual Arts, U. of I. Division of University Extension. Previous high enrollment was 255. The first session was July 14-20.

The art schools are conducted cooperatively by the Illinois Federation of Women's Clubs and the U. of I. division of university extension.

Clubs within the federation provide scholarships for selected students from their vicinities. The University furnishes the physical facilities and is in charge of the instructional program.

SIU to be Given Six Churchill Oak Trees

Six oak trees from the family estate of Winston Churchill will be presented to Southern Illinois University in Homewood weekend ceremonies at Carbondale Nov. 8-9, according to SIU President Delya W. Morris. They will be the first "Blenheim Memorial Oaks" to be planted in America.

The gift is being made by the Kent chapter of England's Men of Trees Society, and Ben Tompsett, chairman of the chapter, will be present for a ceremonial planting.

The trees, now about three feet high, have been grown from acorns off the Churchill family home, Blenheim castle. John Loneragan, SIU landscape architect said no site for the plantings has been determined.

Braun Wins Shooting Award at Wentworth

Edward Braun, son of Mr. and Mrs. Braun, 2516 Roney drive, won a shooting award in the preliminary phases of firing at Wentworth Military Academy, Lexington, Mo., where he is a summer camper, according to Mrs. Barbara Audley, rifle range instructor.

He qualified for a pro marksman's medal by firing a .22 caliber rifle in a shooting competition on Wentworth's indoor range.

The firing was under regulations of the National Junior Marksman program administered by the National Rifle Association. Wentworth's summer camp is affiliated with N.R.A.

First World War Wrought Sharp Changes in Culture, Literature

"Harvests of Change: American Literature, 1865-1914" by Jay Martin. Englewood Cliffs, N. J.: Prentice-Hall, Inc., 382 pages, \$7.50.

Reviewed by Nicholas Jost, editor of the publication, "Papers on Language and Literature" at the Southwestern campus of Southern Illinois University.

(Review published in the Daily Egyptian, UIU Department of Journalism, Carbondale.)

Professor Martin of Yale has written a most useful account of the fifty years of American literary history in which flood waters gathered, broke with devastating force upon the staid scene of our national culture.

The flood ended once and for all, about 1914, the dominance of the old genteel tradition, and it was swept to destruction by that deluge of revolutionary change.

Not that Professor Martin's book divides its subject matter into "good" and "bad."

He necessarily must express his value judgments about such American problems as the place

of a poet (here Emily Dickinson) projecting the consciousness "into a wider world, hostile to the self," the phenomenal burgeoning of the cities, "the disintegration of the New England myth and the tragic material for Mary Wilkins, Sarah Jewett, Robinson, Frost and others."

And there is the struggle of the artistic consciousness—of Henry James, Henry Adams, Walt Whitman—into the realization of the fullest growth in what James called "the age of the mistake."

But primarily "Harvests of Change" is a history of the evolution of our literature, more than a critique.

Professor Martin is to be commended on having produced a volume with as sweepingly panoramic an effect as any of those nineteenth-century travelogues painted "panoramas" of the scenes along the Mississippi from its springs in Minnesota to its final dissipation in the delta.

Investments By Retired Persons

(Investment Education Institute)

Q. I am retired and have an income of \$6000 a year. I'd like your advice on how to increase it. I have \$10,000 in 6% bonds, 55 bank shares, 200 shares of Arvin Industries, 200 shares of a mutual fund and \$70,000 in certificates of deposit in banks.

A. It looks to me like about half your income may be coming from the \$70,000 in certificates of deposit. I'd like to see your return here is about 5%.

It would be hard to increase your income without increasing your risk quite a bit. I'd suggest, however, talk with your broker and see if he can suggest any bonds which might give you a higher return on some Convertible Preferreds that would do the same thing.

I'd also take a look at those 200 shares in your unnamed Mutual Fund. It's possible that money could be shifted into a good security that would give you a higher rate of return.

Q. We are in our 70s and living on a pension. I have \$5000 in savings and will receive \$8000 from the sale of property.

My husband wants to give \$1000 to each of our five children. I don't see why we should give the money to them now.

A. I don't either. You'll be more independent and feel more independent if you have \$14,000 in savings. That \$9000 should bring you \$16 or \$17 a month to allow you some small luxuries.

You've indicated no need on the part of your children. Your children will likely enjoy much more seeing the sense of security and independence this money gives you.

And when it eventually comes

Exports Provide Illinois Jobs in Shipping, Farms, Manufacturing

(Bureau of Labor Statistics)

Nearly half of the 2.4 million jobs in the United States attributable to exports of goods are concentrated in seven states.

The largest number of export-generated jobs are in California, followed closely by New York, Illinois, Pennsylvania, Ohio Texas and Michigan also have substantial employment attributable to goods exports.

North Dakota has 8% of its private employment tied to goods exports, the highest percentage in the United States.

This is almost entirely a result of its farm export, which is at least dependent on the export of goods for jobs.

Of the manufacturing jobs, more than half of the 11 mil-

lion are centered in six states: Illinois leads New York, California, Ohio, Pennsylvania and Michigan in export-related manufacturing employment.

North Carolina has the largest number of the 774,000 export-related farm jobs. States in which crops such as tobacco have substantial employment cultivated usually have a larger share of export-generated agricultural employment than of total farm jobs.

Trade and transportation account for over half of the remaining 1.3 million export-related jobs. These jobs are concentrated in such states as New York, California, Illinois and Texas.

Failure By City Officials to Compromise Is Blocking Progress, Hurting Taxpayers

Politics has been defined as the art of compromise.

Inherent in this concept is that, by good will and honorable concessions, differing groups cooperate for the benefit of all citizens and build a record of sound progress.

But one need not be very familiar with municipal government to know that the whole idea has become a dismal failure in Granite City. The city is bogged down by friction and inaction.

Neither the administration nor council is willing to accept the blame, but in the final analysis blame is being placed on the citizens.

The longer they delay, the more harm will be suffered by the constituents they are supposed to represent.

The list of unfinished business is a long one. Examples:

DRAINAGE—Delay in providing the easement required for installation of stormwater sewers seems likely to cost the city large sums of money. Needed drainage improvements will not be made available at the expected time.

Disconnected facilities will not only cause inconvenience but also create possible serious hazards to life and health, hazards that will continue indefinitely while the stalemate continues.

DOWNTOWN RENEWAL—While officials do nothing, credits for citizen-financed property acquisition and demolition continue to lapse, reducing the amount of federal funds that could be obtained to carry out needed local renovation projects and attract commercial development.

As a result, property values are declining, rental vacancies are developing and the city is needlessly losing sales taxes and property taxes, putting an extra burden on the taxpayers.

TRAFFIC AND PARKING—By all recognized standards of measurement, Granite City is falling down on the job, particularly in and near the central business district. Despite some steps that have been taken, there is far too little parking space and far too much congestion on streets, discouraging shoppers and enabling other communities to grow by the use of their expenditure of local payrolls away from home.

COUNCIL PROCEDURES—Ward redistricting has gotten nowhere this year, forcing resort to a lawsuit to get it accomplished. Fiscal planning has been virtually impossible; decisions on both budget items and budget omissions lack general support, and relations with municipal employees have deteriorated to the point that picketing began this week. Committee membership has been a subject of constant dispute, also prompting a lawsuit; orderly transaction of business has been disrupted, leaving citizens having problems with nowhere to turn.

With conflict dominant, no factions show-

ing much willingness to compromise, and the basic functioning of government reduced to the barest minimum where does Granite City go from here?

Incredibly, there is still much scurrying about by politicians, who are claiming credit for alleged accomplishments and seeking to assemble power bases for future campaigns. Apparently the desire to be captain continues even on a sinking ship.

This kind of outlook just isn't good enough, because if it is important that the municipality lead rather than deter, it must not only react but anticipate. It must take reasonable actions at proper times. In short, it must serve; what other reason is there for its existence? And public servants have no right to put their own aspirations ahead of those of the people who elect them.

\$50,000 State Appropriation Needed

At Once to Make Vital Airport Study

It was a serious mistake for the Illinois Senate to kill a \$100,000 appropriation for an engineering and feasibility study on establishing a Madison-St. Clair counties airport that would serve as a second major airport for the St. Louis metropolitan area. The vote took place in the wee hours of Tuesday morning after the deadline to introduce further legislation had passed.

Fortunately, the plan was revived Tuesday in the form of a \$50,000 appropriation, tacked on as an amendment to House Bill 2591. The latter measure provides funds for Bi-State Parks Airport land acquisition; another version of the Parks bill already had won passage, and the principal value of Bill 2591 is that it was still technically alive.

The city of St. Louis is having a study made for a second major airport despite the fact that Illinois has natural sites superior to anything in St. Louis and Missouri. The Illinois study can help spotlight these advantages, which would not only benefit the entire two-state region but also aid development of the 9000-acre Madison county industrial park.

It would be uneasily and extremely foolish if Illinois failed to act to protect the interests of the state and its citizens in this vital matter. There should be swift approval and implementation of the airport study now part of House Bill 2591.

City Dispute Involves 20% to 25% Raises

Least the public think that Granite City police and firemen are on strike, it should be noted that they are on duty as usual.

Members of the two departments have been walking in front of the city hall during off-duty hours to call attention to their request for \$150 monthly raises, or 25% of present base pay \$587, during the next two years.

The latest offer by the city was a series of \$20 to \$30 semiannual raises totaling \$120, or 20%, by May 1970. The difference between the 25% request and 20% offer is more than 25% to the latter being staggered over five intervals. Vacations would range up to three weeks after seven years of service, four weeks after 12 years and five weeks after 15 years. Their last raises in monthly pay were \$25, effective in May 1965, and 3% to 7% two years ago (\$17 increase in base pay).

Large Attendance at Connole Ceremony

Attendance by 27 local residents at the christening of the U.S.S. David R. Connole, a \$20 million Navy destroyer escort, at a New Orleans shipyard shows the high respect here for the family and for the young commander whose submarine was lost in the Sea of Japan during the closing months of world war II.

Al wish for new vessels as distinguished a record of service as that written with heroism and sacrifice by the U.S.S. Trigger and its crew of 85 a generation ago.

Many Have Lost Lives in Crashes at Dimly Lighted 15th-State Curve

To the Editor:

My first knowledge of 15th and State streets was in the early 1920's when a friend was killed in a traffic accident.

Fatal accidents have happened with regularity since then, and the street, more the same today as it was then. This curve has poor lighting. It has no markings, and is very deceptive after dark, with telephone poles within three or four feet of the curb.

Two years ago, my nephew was killed on this curve. At that time I talked to the mayor, the street department and the police about proper markings for this curve. Nothing was done about it.

On Sunday night, another boy was killed at 15th and State. How many more will have to be killed before Granite City can afford to spend the few dollars needed to properly mark

this area and hopefully avoid some of these accidents? It seems to me the Press should be interested.

NEED FOR MORE LOCAL VOTERS TO REGISTER

To the Editor:

I am thankful for the good turnout of voters which reelected me as Republican commit-

tee-man of Granite City Precinct One but believe too many Granite City voters are not registered. Let's set a week to get more voters to register voters.

I appreciate the kindness of those who wrote cards while I was in the hospital, and the kindness shown by local merchants, the mayor and police department. I live in the best city in the world; no man can say he can't get work in this town.

RAY PENSENEAU

could compile a record of the fatal accidents on this corner and State street. No one in the city of Kate street and the 2500 block of East 24th street.

How many dogs can be kept within a 1/4 A. I. I know of two houses with four dogs each, across the street, two dogs which bark the night. The eight on this side start a chorus in the morning.

I am yelling for relief and will not stop with this Forum. Considered kennels, let me know.

IRATE CITIZEN

Just this spring in this locale there was a litter and the dogs were dispersed with on this corner of the city, the view of the city.

When did Granite City give permission to open a kennel within the city?

No one knows of two houses with four dogs each, across the street, two dogs which bark the night. The eight on this side start a chorus in the morning.

I am yelling for relief and will not stop with this Forum. Considered kennels, let me know.

IRATE CITIZEN

The revision satisfies technical, legal and constitutional objections regarding the original legislation. The bonds would provide for water and air pollution control, flood control, and conservation and recreation.

Goals are to aid in securing adequate curative and preventive water and air pollution control, and to provide for water and air pollution control, flood control, and conservation and recreation.

The new proposed bond issue would go before Illinois voters in a referendum at the Nov. 5 general election.

Attorneys Again Rating Judges

(Tri-City and Illinois Bar Associations)

Some time between now and election day, Nov. 5, the results of the third Judicial Advisory Polls will be made known to Illinois voters so they can vote intelligently on the candidates for judgeships.

The polls conducted by downstate bar associations in cooperation with the Illinois State Bar Association and the Chicago Bar Association in Cook county—lawyers are asked for their evaluation of those who seek election or re-election to the State Supreme Court, Appellate Court and Circuit Court bench.

And based on their records and qualifications as seen through the eyes of their fellow members of the bar, the candidates are rated as either "recommended" or "not recommended."

The recommendations express the opinion of the participating lawyers in the geographical area under consideration and do not express an official position of the Illinois State Bar Association.

The first Judicial Advisory Polls were taken in 1964, when the Illinois Judicial Article went into effect.

The Article amended the State Constitution to provide for election of the state's 24 Appellate Court judges, who previously were appointed by the Illinois Supreme Court from among the circuit judges. The voters already had the job of electing circuit judges.

The Judicial Article also provided that judges, once elected, would run on their records rather than on a partisan ballot. The Advisory Polls provide a look at the judges' records by those who know them best—the lawyers.

The polls are conducted only in those districts, circuits and counties where local bar organizations desire to participate. Ballots are mailed to members of participating bar associations in the summer about one month prior to the earliest possible judicial nominating convention date.

The sixth question is considered to be the most important, and is worth 35 points out of a possible 100. The third question also is a key one. As a spokesman for the Illinois Judicial Article Committee commented: "People who come before a judge are intensely involved in the issue being litigated and the judge's courtesy and consideration of these people, we feel, is very important."

The candidates themselves are the first to be advised of the results. If a candidate withdraws, because of his score or for other reason, the results are not disclosed.

Otherwise, the results are placed before the nominating committee. If a candidate is placed for a vacant seat on the bench, or are made available to the public if he is an incumbent running only against his record.

N&W Says Few if Any Use Blue Bird Trains at GC Stop

The Norfolk & Western Railroad claimed that few if any passengers at Granite City are getting on and off of its Blue Bird train running between Chicago and St. Louis.

The average number of passengers per day getting on northbound train No. 124 at Granite City is 1.16, and the average number getting on southbound train No. 121 is none, the railroad said this week.

An N&W spokesman said "we are stopping a four-hundred-ton train complement at some depots for fewer people than it would take to fill an economy-size automobile."

The N&W earlier announced plans to drop the Blue Bird trains. The Interstate Commerce Commission ordered the railroad to continue the runs for at least four months after tomorrow, the date the service was to have been discontinued.

The N&W said the loss on the Blue Bird is \$1614 per day, or more than \$500,000 per year. The revenue each day on the passenger service is \$1050 and the expense each day on the trains is \$2064.

Studies showed decreasing numbers of people are taking the trains this year compared to a few years ago, the railroad claims, and the passenger experience studies have been included in information furnished to the ICC by the railroad.

SHOWN AT A RECEPTION in the Century Ballroom of the Monteleone Hotel in New Orleans following the christening ceremony are Mrs. Mary Connole (center) and her son and daughter-in-law, Mr. and Mrs. Paul Connole.

Quad-Cityans Show Interest In USS Connole Christening

With the avid interest here in the christening of the Destroyer Escort USS David R. Connole last Saturday in New Orleans, the Press-Record asked one of the participants, Robert Stevens, to get a series of pictures.

Two of the pictures appeared in Monday's issue. Stevens, who is city controller for Granite City, is a close friend of the Connoles. He and his wife both made the trip to New Orleans' Avondale Shipyards for the ceremony for the

4100-ton ship.

The Connole was christened by the late commander's mother, Mrs. Mary Connole, 1536 Third street. He was lost during world war II when the submarine Trigger, which he was commanding, went down off the coast of Japan.

"We were most impressed by the ceremony," Stevens told the Press-Record. A reception at a New Orleans hotel followed the christening. About 27 Quad-Cityans and former local residents were in attendance.

GENERAL VIEW of the christening ceremony in New Orleans for the USS DE-1056, The Connole, an \$11,887,078 ship that is 438 feet in length with a beam of 47 feet and is capable of a speed in excess of 25 knots. The ship will be fitted at Charleston, S. C., and will have a crew of 19 officers and 226 men.

SPEAKERS' PLATFORM at the christening ceremony for the Destroyer Escort Connole. Speaking is Capt. John R. Newland USN, supervisor of shipbuilding for the 8th Naval District.

David P. Forguson On Duty in San Diego

Machinist Mate Second Class David P. Forguson, USN, 23, son of Mr. and Mrs. G. E. Forguson of 2336 Clark avenue, and the husband of the former Miss Barbara L. Reiter of Edwardsville, is serving at the Naval Station, San Diego, Calif. As a member of the station, he will help provide logistic support to the operating forces of the U. S. Navy.

Last Rites Wednesday For Mrs. Steinberg

Funeral services were held for Mrs. Rose Steinberg, 88, on Wednesday morning at 10 a.m. from the chapel of a local funeral home. Interment was in Sunset Hill Cemetery, Edwardsville township.

Mrs. Steinberg, who had been a patient at St. Elizabeth Hospital for four weeks, died there on Monday at 8:45 a.m.

Stop Sign Charge Fined Junior Lemons, 1605 Sixth street, Madison, was charged with a stop sign violation at 12:25 p.m. Monday at 19th street and Edison avenue.

877-0317

The annual Sunday school picnic of the Temple Baptist Church was held Sunday afternoon at the Baptist recreation grounds in Mitchell. Approximately 50 children and their parents and Rev. and Mrs. Elmer McIlroy took basket lunches to the grounds immediately after the morning worship services. Games were played during the afternoon by the group.

NEW ENGLAND VISIT

After a tour of the New England states spent visiting friends and relatives, Mrs. Albert Mulnik and daughters, Delores and Gloria, are guests of their grandparents at a summer home at Hyannis, Cape Cod, Mass.

Risto Stoyanoff, 82, Dies at County Home

Risto (Christ) Stoyanoff, 82, a patient at the Madison County Nursing Home, Edwardsville, for the past ten years, died there, Monday, at 10:45 p.m. He had been seriously ill for five weeks.

A native of Macedonia, he was a self-employed baker at the Morning Star Bakery, which was located at 718 Niedringhaus avenue, for 30 years. His wife died in Macedonia several years ago. He is survived by one son, now living in Siberia.

Arrangements are given in today's obituary column.

Hits Parked Car

Nadine R. Meehan, 1224 Klein street, Venice, reported to Madison police at 4:50 p.m. that her car struck a parked auto in the 700 block of Bissell street, but that she had been unable to locate the owner.

STEAKS AREN'T KNOWN BY BRAND NAMES. So you try one brand, then another, until you find a steak who sells what suits your taste. Homes rarely have brand names, either. But if you buy a mistake you can't go shopping for a better one. So it's terribly important that you look for a home only through a person who displays this national brand. This seal identifies a Realtor®.

FREE HOME-BUYING TIPS. Just ask any member of our local board of Realtors for pamphlets of advice. A Realtor is a professional in real estate who subscribes to a strict code of ethics and is licensed by the state and the National Association of Realtors. Only a Realtor can display this seal, which is nationally known.

the best of two worlds can be yours!

At the end of a day spent in the city, rich and rewarding as it may be, have you ever yearned to return to something more than just look-alike Suburbia? ... to a truly uncommon setting for your dream home? ... to exclusivity? ... to privacy? ... to a little bit of heaven?

Start to live in LAKEWOOD II

- ... where the seasons put on one dramatic, captivating display after another.
- ... where the country air is sweet and clear.
- ... where privacy is a priceless asset.
- ... where outdoor entertaining is a natural, distinctively different, irresistible part of living.

... where outdoor activities beckon you to unwind and have fun.

... where "Commons" have been preserved for your family enjoyment, separating the sites so that none are back to back!

... where you are only minutes away from a wide variety of cultural, social, recreational, educational, business and shopping centers.

... where all utilities are underground.

See these luxury sites, located 1 1/2 miles south of Edwardsville just off Route 159. Phone 288-9652 or 288-9634 for private showing.

Juda 'Santa in July' At Campers' Conclave

Mr. and Mrs. Jerome Juda, 2140 Lynch avenue, have returned home following a ten-day vacation spent attending the ninth annual convention of the National Campers and Hikers Association held at the DuQuoin State Fairgrounds, DuQuoin, Ill.

The nightly attendance attracted approximately 17,000 people and Mrs. Juda provided an hour's organ music preceding each meeting.

There were 433 family camping units at the fairgrounds for the convention, representing 42 states, Washington, D. C., and Canada. This was the largest

attendance in terms of units in

NCHA history. Jerome Juda was featured in a "Christmas in July" program, a production of "Babes in Toyland."

Since 1935, he has portrayed Santa Claus to thousands of children, many of them second generation. In the Quad-Cities and surrounding area.

He was attired in a tailor-made costume imported from Germany and is frequently referred to as "the Santa of all Santas."

Special Features For State Fair

An innovation at this year's fair will be an Invitational Trampoline Championship Tournament Tuesday, Aug. 13, in the Exposition Building.

Jerald Clark, Springfield, superintendent of the event, said the tourney has been sanctioned by the AAU (Amateur Athletic Union) and is open to all amateur gymnasts. Separate classes for boys and girls will be for two age groups, 14 years and under and 15 years and over. Winners will vie for cups and all finalists in the first three places will receive medals.

Dave Jacobs of the University of Michigan, the men's world titleholder and one of the judges, is expected to present exhibition trampoline performances. Deadline for entries is Friday, Aug. 9. Applications may be secured from Jerald Clark, Trampoline Contest, 15 Calland drive, Springfield, Ill., 62704.

Activities for Women

Betty Jo Mack, superintendent of special activities for women at the Illinois State Fair, reports special attractions have doubled in the last three years and will be more varied than ever before.

For instance, there will be daily demonstrations on how to wash clothes in an effort to dispel some of the confusion over soaps and detergents. The fair will be Aug. 9-Aug. 18.

In the early years of the fair, emphasis was on home arts such as soapmaking, baking, preserving, home canning. This is still the format, but many of the homemaking arts have been updated.

This year's exposition will offer style shows, a bakeoff, loveliest lady contest, food demonstrations, home sewing, hair styling, figure control, makeup secrets, home furnishings and a Cinderella contest. There will be cosmetic demonstrations and a course in figure control, demonstrations of how to use expensive pens and how they can be mounted and fashioned into attractive jewelry.

A "self-cleaning" gas oven will be demonstrated and a "space kitchen" will show how good food may be prepared and eaten in outer space—both in the Dairy Building.

One of the more elaborate features will be an historic Style Show of authentic reproductions of fashions worn by women of Illinois during the last 150 years. This is a Sesquicentennial year special and will be Saturday, Aug. 10, Sunday, Aug. 11, and Tuesday, Aug. 13, in the Exposition Building.

Harry A. Collins, 68, Dies in Belleville

Harry Aubrey Collins, 68, of 2040 Fourth street, Madison, died of a heart ailment at 9 p.m. on Monday at Memorial Hospital in Belleville. He had been ill for three days and hospitalized for one day.

Born in Corning, Ark., he had resided locally for 15 years. He was a retired guard at a salvage company in Madison. Mr. Collins was a member of the Fairview Heights VFW Post 8677.

He was preceded in death by his wife, Mrs. Sadie Mansfield Collins who died March 19, 1964, and two brothers, his parents, Mr. and Mrs. Charles Collins.

Survivors include three children, Harry J. Collins, Belleville, Mrs. Melvin (Sarah) Neeley, Tallahassee, Fla., Mrs. Harvey (Nellie) Tucker, Riverbank, Calif., and two stepchildren, Charles Mansfield, Madison and Raymond Mansfield, Jacksonville, Fla., seven grandchildren and one great-grandchild.

Arrangements are given in today's obituary column.

Park District Trip To State Fair Planned

Harold Brown, Granite City superintendent of parks, announced today there are 43 tickets available for the Lawrence Welk show, to be presented Saturday on Aug. 17, at the Illinois State Fair in Springfield.

Total cost per person is \$7.75 and the air-conditioned bus will leave Granite City at noon and expects to arrive at the fairgrounds at 2 p.m. With the Welk show to begin at 8 p.m., those attending will have time to visit other sights at the fair.

The cost of the tickets include \$4 for the show, \$3.25 for transportation and 50 cents admission to the fairgrounds. Tickets are available at the park district office now.

20 Nameoki Village --- Granite City, Ill.

Quality, Low Prices Follows Grants Slogan

"Sure we drive for low prices... but never at the sacrifice of sound quality." Thus does Reginald W. Rosevear, W. T. Grant Company Merchandise Vice President define the Company slogan "Known for Values."

He lists quality, workmanship and style as the foremost consideration in the buying or building of lines of merchandise for Grant counters. The Company is always striving to incorporate the best possible materials and workmanship in every single item, and at prices that add up to real savings for Grant Customers. "As buyers for the public, we pass along to our customers the savings effected by our know-how and the opportunity for most advantageous buying made possible by our five giant regional warehouses," the Merchandise executive continued.

He pointed out the many steps taken by the Grant Company to ensure strict adherence to this policy. First a staff of 88 buyers, each an expert in a particular type of merchandise, devotes full attention to market trends and developments to see that Grant customers get the newest proven-performance fabrics and constructions. And the makers' claims are not sufficient either, he pointed out. The Grant Company's own testing laboratory in New York subjects items, materials and constructions to tests simulating the use or wear the item will receive before a buyer will

commit the Company to a purchase order. Because a Grant Buyer buys for more than eleven hundred stores each time he places an order, he usually specifies the standards of quality and construction he requires and the testing laboratory makes spot checks of merchandise delivered to the stores to ensure maintenance of those quality standards.

Mr. Rosevear pointed out that the Company's ability to build and maintain an unusually high quality in Grants' own brand merchandise has won it many honors. He told of a major city where the local newspaper conducted a brand-acceptance survey on women's hosiery. Grants' own "Iris" brand nylons proved to be the best known brand despite the national advertising of other brands. "Because we know our merchandise is good, we can afford you our famous guarantee of satisfaction or your money cheerfully refunded," Mr. Rosevear concluded.

Grants

KNOWN FOR VALUES...COAST TO COAST

20 Nameoki Village

Granite City, Illinois

Acknowledging the new importance of fashion in the men's wear field, the enlarged Grants, at Nameoki Village, will offer what may well be the most complete selection of men's clothing in Granite City and the immediate area. A wide selection of suits, many with reversible vests, as well as sports coats, slacks, rainwear and a comprehensive group of shirts and other furnishings, will be found to reflect the newest fashion trends. Turtle-neck knit shirts, shaped waistlines and many more up-to-date minute details will appeal to men with a keen eye for what is new.

Tailoring and fabrics are indicative of the quality and value to which Grants is pledged. Carefully

chosen by Grants expert buyers in New York City, garments are subjected to rigorous tests under the supervision of Grants Quality Control Department. A growing interest in permanent press fabrics and Grants policy of maintaining high quality result in clothing that stays new looking longer and maintains its original trim fit.

Mr. John Schaffer, who is well qualified to advise Granite Cityans in their selections is the Department Manager. Mr. Schaffer suggests that the man of the family make a point of visiting this department and seeing for himself the modern styling and outstanding quality offered at Grants.

New Grants To Be A Sportsman's Paradise

Whether your hobby is fishing, boating, bowling, golf, tennis, ping pong, ice skating or camping, Grants new store, opening Thursday, July 25, at Nameoki Village will prove a truly happy-hunting-ground. In addition, Grants has swimming pools and pool tables, play-gyms for small children and bicycles for every member of the family.

For camping enthusiasts, Mr. Jarman offers tents, sleeping bags and all the equipment needed to create a homelike atmosphere as well as protection from the elements. As is the case with all Grants' merchandise, every item, from the tiniest golf-tee to the most elaborate tent, has been carefully selected from leading manufacturers, and much of it has been rigorously tested under Grants own quality control program to assure peak performance, honest value and satisfying wear.

Now that physical fitness has assumed national importance, Grants remarkable range of athletic equipment will play a truly vital part in family living. Mr. Jarman, manager of the new Grants sports equipment department, is eagerly looking forward to the opportunity of meeting and greeting Granite City's sports enthusiasts and helping them select their needs from the large variety of fine leisure-hour equipment.

New Granite City Grants Offers Complete Camera Shop

The plush-covered family album of old would never be equal to the flood of photographs being snapped by every member of the family these days. Even children are clicking shutters with considerable skill, a fact of which the new Granite City Grants recognizes with a camera shop that offers famous-make cameras, equipment and a full range of services.

Mr. Darrell Jarman is something of an expert on photography, he and his staff offer the camera fan a wealth of photographic experience. The enlarged Grants equipped to satisfy the needs of the most dedicated shutterbug, with cameras that run the gamut from simple aim-and-shoot types to fine domestic and imported still and movie models. In addition, Mr. Jarman offers a complete developing and printing service, as well as the projectors, screens, gadget bags, file cases, flashbulbs film and other accessories which are so important to picture-taking.

Mr. Jarman extends a cordial invitation to photographers of all ages to visit The Grants Camera Shop, and browse, during the Grand Opening this week.

School Bells Ring In Exciting Grants Fashions

Long before summer vacations become just another happy memory, the folks at Granite City's enlarged Grants are gearing for the back-to-school action, with a fresh fashion collection that will rate admiring glances, if not straight-A's, clear through from kindergarten to college.

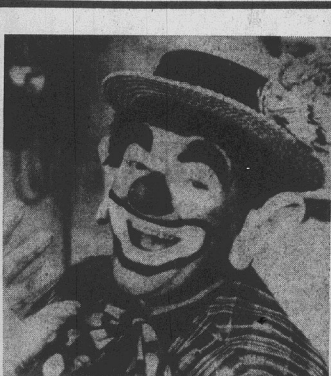

Grants own fashion coordinator, based in New York, has selected the colors, styles and trends that will be brightening many a campus from coast to coast. A staff of experienced buyers has put together a truly newsworthy collection of fashions that embraces the important shapes and intriguing fashion details, in line with Grants merchandising policies. The prices for these current styles are priced as low as possible, while quality is consistently high, thanks to continual testing under the supervision of Grants Quality Control Department.

Youngsters skipping off to school for the first time can be outfitted from top to toe in

Grants sturdy, long-wearing shoes, combed cotton knit underwear, permanent-press shirts and dresses, rugged jeans and rain-shedding zip-up jackets. Sophisticates in high school and college have a wide choice that runs the gamut from Bonnie-and-Clyde to romantic ruffles.

Fashions for the woman, who works, as well as for the home-centered woman, are a Grants specialty. The new Grants has sizes for petite and regular misses and juniors as well as for the larger woman in every fashion, from lingerie and foundations to Sunday-go-to-meeting ensembles and coats. Grants buyers are experts at spotting incoming trends and snapping up outstanding values, and Grants customers benefit from their keenly tuned eye for fashion and many years of retailing experience.

Grants City's enlarged Grants offers complete stocks in surroundings unrivaled for charm and spaciousness. Fixturing and lighting is planned to give a clear view of the merchandise, and trained sales people are anxious to serve courteously and swiftly. In short, the new Grants at Nameoki Village is well-schooled in fashion for the entire family.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failure from all normal road hazards for the life of the tread with the exception of weathering, over-inflation, over-loading and running dry.

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tires against all defects of material and workmanship for the life of the tread.

3. Guaranteed Against Tread Wear
The tread life is guaranteed not to wear out for the first 100,000 miles. If the tread wears out before 100,000 miles, we will replace it, charging the correct regular selling price plus Federal Excise Tax and the delivery percentage allowance toward the purchase of a new tire.
